The Editor's column

by STUART R. PADDOCK

The election Tuesday will reveal to what extent the voters will vote independently of former party affiliations.

Party workers are asking for straight party ballots, but there is an undercurrent of independent voting for some candidates who are working hard to break the usual Republican hold on this area.

This is particularly true in Palatine township where the Republican candidate for state senator, Jackson Boughner, is being opposed by Oliver Dilks, Democratic candidate.

Palatine PTA polled all candidates on their stand on school legislation. A summary of their replies was distributed Tuesday to all parents and appears in Section 7.

Palatine PTA made no candidate recommendations, confining its work solely to school matters.

Dilks proposes immediate relief by increased aid from the state. Boughner suggests the collection by the state of a real estate tax to be divided among all schools in proportion to their need.

We think any merit the Boughner plan may have, is overshadowed by the time that would be consumed in setting up a state control of school financing. The first step would probably be a county-wide school board.

It is certain that those big industries, whose tax would be greatly increased, and the school district they are now supporting would oppose strongly any such change in state laws.

We agree with Dilks and all candidates for state legislature who think the state should find additional revenue to give needy school districts direct relief as soon as possible.

•

This is the first year that there has been a contest between the 2 parties in this district for the seats in the legislature. The Democrats naturally do not expect to elect both their candidates, so it has become a battle royal between Halpin and Kinser as to who should get the third seat.

The Democrat machine probably thinks that with 2 candidates for one position, there will be greater Democratic activity in an otherwise Republican stronghold.

Of the 2 Republican candidates, we prefer John W. Carroll. His experience in the state government and general qualifications place him above Simmons.

•

We bow to the judgment of the officials of 5 municipalities and are ready to drive spikes into the coffin of the Sanitary District annexation.

With so many people in agreement on the opposite side of the fence we have thrown into the waste basket an editorial that predicted that a "no" vote would be regretted within 5 years.

So we join the majority and urge readers to crucify the sanitary annexation before it is born. It is 5 to 10 years ahead of time.

•

The banking amendment should be approved as also the referendum on the Blue Ballot. Both sides of the latter are covered on our "feature page" section 7, and in the political pages.

•

There is no candidate for whom we have a higher regard than Marguerite Stitt Church. In recognition of the service she has given to the district and to us personally, and to our civic organizations, we urge her re-election.

•

The League of Women Voters went several steps further in supplying to voters the thoughts of all local candidates on other than school matters. It made no candidate recommendations but a report published in this issue also covers the position of congressional and legislative candidates on the blue ballot (which all recommend) and revision of entire taxing machinery.

They differed on how it should be done.

As Eisenhower and Stevenson differ on national affairs, so do Marguerite Stitt Church, Republican candidate for re-election for congress, and her Democratic opponent, Mrs. Helen Benson Leys.

The interest which the PTA's and women voters leagues are taking in local, state and nation, is evidence that our women are accepting their voting responsibilities.

They are asserting their independence, which in turn, gives old-time Republican and Democratic chieftains something to think about.

They are becoming ardent party workers. One of them explains it this way:

"We have to work hard to sell a candidate or party to another woman."

•

The above practically wraps up in one package our thoughts on the election. We are wearing an Ike button which shows how we stand on the presidential candidates.

This is a free country. A free election will be held next Tuesday. Go to the polls, everyone of you, next Tuesday and pray that there is not another war brewing in the near east as today's newspaper accounts indicate.

Ike Or Adlai? Tuesday Tells!

GOP Strength Is Still Great In Northwest Area

Northwest suburbs go to the polls Tuesday to select

—a President and Vice President of the United States;

—a United States Senator;

—a Representative to Congress;

—a Governor and other state officials;

—a state senator and state representatives; and

—3 judges and county officials.

In addition, voters will decide on:

—the Illinois Banking act designed to modernize the state's antiquated banking laws;

—the Blue Ballot tax revenue amendment; and

—expansion of the metropolitan sanitary district to include all northwest Cook county.

Polls open at 6 a.m. and close at 5 p.m.

Despite increased activity among suburban Democrats, there seems little likelihood that Democratic candidates will put much of a dent in the regular Republican strength in northwest suburbs.

President Eisenhower may surpass his 1952 majority by amassing more than 70 per cent of the vote.

Benjamin Adamowski, Republican candidate for state's attorney, also has a big lead over incumbent John Gutknecht.

* * *

ALTHOUGH Richard Stengel is leading Stevenson in suburbs, it is doubtful that he can catch up with Sen. Dirksen's wide margin in the contest for U. S. Senator.

Gov. Stratton is also expected to carry the suburbs.

Although Helen Benson Leys, Democratic candidate for Congress, has waged a vigorous campaign, Mrs. Marguerite Stitt Church is conceded to be a "shoo in" for re-election.

* * *

PRECINCTS in the northwest townships which are either partly within or partly without the sanitary district will use paper ballots in place of voting machines. They are:

Elk Grove—Precincts 5 and 6.

Palatine—Precincts 4, 7, 14 and 16.

Wheeling—Precincts 4, 11, 17, 18 and 29.

Paper ballots will be used in all precincts voting on the expansion of the Metropolitan Sanitary District. They will also be used to vote on the Judicial candidates and the Blue Ballot referendum.

Four pages of political announcements and stories appear in the society section of this issue. "Very appropriate," says the society editor.

POLLING PLACES in Arlington Heights—Wheeling Township: Precinct 3, Ridge school; 4, Park and Mitchell sts.; 5, village hall; 6, Winkelmann's Tire & Battery; 7, Fresbyterian church; 8, North school; 9, Field house; 14, Faith Lutheran church; 15, high school; 19, South school; 20, American Legion, 120 N. Douglas; 22, 1006 Wing st.; 23, Dryden school; 24, VFW; and 26, Roto Mercury.

Wheeling township rural: Precinct 2, State and Rand rds.; 11, Maryville academy; 12, Allison's, Palatine and Milwaukee ave.; 17, Gabriel's, Rand and Euclid; and 21, Buffalo Grove and Palatine rds.

Elk Grove rural: Precinct 3, Higgins and Touhy, schoolhouse; 4, town hall, Higgins and Arlington Heights rds.; and 6, Lincoln st. near State rd.

Need Poll Lift? Just Call Ladies

The League of Women Voters of Arlington Heights has helped to get qualified voters registered. Now the league is just as anxious to assure each voter an opportunity to vote.

As an aid to any voter wishing it, free transportation and/or baby sitting will be provided by league members.

A voter may call any of the following in Arlington Heights: Mrs. Fredric Marks (south side), CL 3-3410; Mrs. M. J. Singleman (north side), CL 5-0548; Mrs. John Vork (Westgate), CL 5-0018.

Other league members from surrounding towns and areas will also be aiding their neighbors in getting to the polls.

Bank Closed Tuesday

Arlington Heights National bank will be closed for all transactions Election Day, November 6, in observance of the legal holiday.

Five Townships In Race For High Voter Turnout

How To Use Machines

Demonstration of voting machines will be made all week at Arlington Heights village hall and Wheeling fire station.

The most interesting feature of the election in northwest suburban townships, one observer noted, is not the number of votes credited to each candidate. Rather, it is which township will cast the highest percentage of its registered vote. The 5-township voting average was 93 per cent, or 21,922 votes of a possible 23,556.

* * *

IN THE 1952 election Elk Grove township led all others with a phenomenal 97 per cent of registrants casting their ballots. Second was Palatine township with an excellent 94 per cent and Wheeling township was third high with 93 per cent. Hanover polled 90 per cent and Schaumburg 87 per cent.

Championship awards for citizenship might well have gone to residents of the 3 Wheeling township precincts in which all but 2 registrants voted. The Palatine township of Palanois Park also compiled the remarkable record of 605 votes cast of a possible 609.

* * *

VETERAN poll-watchers will note results carefully next week to see if Republican County Coroner McCarron will again run ahead of President Eisenhower in Wheeling township (by 30 votes), in Elk Grove township (by 9 votes) and in Schaumburg township (by 13 votes).

The rPesident led the Republican ticket, however, in Palatine and Hanover townships. Surprisingly, in Schaumburg township the top vote-getter on the Republican ticket was State Treasurer Hoffman, who beat McCarron by 9 votes, with Mr. Eisenhower in a tie for sixth in the vote tally.

Takes Option On Postoffice Site Here!

Marguerte Stitt Church announced today that she has received word that the post office department has accepted an option on a site for a new post office building for Arlington Heights.

The location is at 201-203 W. Wing st. It consists of 2 lots, 132x132 ft.

Owners of the site are Mr. and Mrs. E. D. Ackerman, Rt. 1, Roselle, who recently secured a rezoning of the property for commercial use.

* * *

THE POST OFFICE department requires a building of approximately 7,000 sq. ft. The Real Estate Inspector will advertise for bids to have a building constructed on the site in the near future.

A site on West Campbell street was offered to the government which was considered excessive in price.

Mrs. Church is also trying to obtain action on a post office for Rolling Meadows and has been promised by the post office department that a new necessary survey will be made in the near future.

Batter Houses For Parking Lot

A wrecking crane began battering and crunching 4 homes into rubble Friday as work got under way on a municipal off-street parking lot for Arlington Heights.

The 80-car lot adjoining the Dunton Court shopping center will be the first village-financed lot. Village officials have expressed the hope it will be completed in time for the first rush of Christmas shopping.

Contractor on the $3,690 razing job is the Cleveland Wrecking co. of Chicago. Supt. Ivory Campbell of the firm said that the 4 homes should be razed and rubble cleared by the end of this week.

Following the leveling of the buildings the lot will be graded and paved and parking meters installed. Village Manager F. R. Buechner said that he is negotiating for the purchase of meters this week.

* * *

THE LOT HAS 99 feet of frontage along S Dunton and S. Vail and 264 feet of depth. It is the first of 2 lots undertaken this year by the village in a $335,000 parking program.

Proceeds of a $240,000 bond issue will finance much of the program. Trustees expect that other village funds and more donations from local merchants (who have already given $20,000) will complete the sum. Parking meter revenues will go toward settling the bonded indebtedness.

Land cost on the Dunton lot approximated $108,000. A second, much larger tract east of S. State rd. and south of the CNW right of way was purchased for about $90,000.

Initial stage of development on the State lot calls for stalls for 100 shopper cars and 250 commuter cars. No starting date has been set.

All Hospital Fund Drives Now Set For November 15

The Northwest Community Hospital Center building fund drive has been re-scheduled to November 15 to 26.

Nicholas M. Lattof, general chairman for the drive, announced the change in dates this week as the result of moving the hospital center's campaign headquarters from 8 E. Northwest hwy. to 818 E. Northwest hwy., Arlington Heights.

Lattof said the move at this time caused the postponement of many of the final meetings and preparations for the drive which was previously scheduled to begin a week earlier, but that the new quarters will greatly facilitate the conduct of the campaign.

Telephone for headquarters will remain CLearbrook 5-5791.

Meanwhile Lattof announced more progress in establishing leadership for the campaign in the various areas.

* * *

IN THE ARLINGTON Heights area, the following leaders were appointed on special-gifts committees:

Earl M. Ellis, general co-chairman for special gifts, to serve with Hugh E. Nichols; Henry T. Winterbauer, co-chairman for Scarsdale with H. W. Dotts; LeRoy Garr, co-chairman for Stonegate with Earl G. Ogier; Henry Wallace, chairman for Eastwood; and Robert R. Blackburn, chairman for Sherwood.

Earl K. Riley and Byron J. Sayre, co-chairmen for the Arlington Heights residential drive, announced the completion of appointments for area chairmen as follows:

Tom Pray, chairman of the Northwest Section; K. W. Goodpasture, chairman of the section northwest of Wilke rd.; Lester H. Ploetz, chairman of the North section; C. W. Mills and Russell Bramwell, co-chairmen of the Southwest section between State and Ridge; Patrick O'Dea, chairman of the Southwest section between Ridge and Wilke; Robert Phillips, chairman of the Southeast section; and Matthew L. Cockrell, chairman of the Northeast section.

Final meetings for the drive will be held for each of the areas listed on 5 consecutive evenings beginning November 5, at the new campaign headquarters.

ANNOUNCEMENT of the appointment of the commercial and business chairman is expected this week. This will complete the organization which in total will number close to 500 residents and business leaders from the village.

IN ALL AREAS and communities it was requested that residents who would contribute some of their time to work on the drive would call any chairman listed above.

Donald Nugent, campaign counsel, expressed satisfaction with the leadership of the area-wide campaign organization. "The essence of success of a million-dollar fund drive is in the quality of the leadership," Mr. Nugent said.

The attainment of strong and representative leadership was complicated in this area by the 8 separate communities. For this critical task we are entirely dependent upon the effectiveness of the General chairman. This week Lattof has completed a strong and complicated organization that is really 8 organizations with top leadership in all departments. With this organization we can now go forward to ultimate success."

'Harmless' Prank May Blind Driver

A truck driver may lose his sight as a result of a "harmless" pre-Halloween prank.

A pumpkin was thrown through the windshield of his truck Monday night as he drove east on Central rd. toward Mt. Prospect. The man, Neil Bolier, 36, Carpentersville, received deep cuts about the eyes, face and shoulders from the flying glass.

* * *

HE IS employed by Milburn Brothers, a Mt. Prospect contracting firm.

A spokesman for the firm said an eye specialist is working to save Bolier's eyesight at St. Joseph hospital in Elgin.

Boiler was unable to pursue the westbound car containing the pumpkin-throwers but told police they may have been youths.

Police Chief Skoog said that the serious injury has again shown that no prank is a "harmless prank" and warned that persons responsible would be dealt with severely when apprehended. Milburn Bros. officials also said they would demand prosecution of the guilty parties.

* * *

A SECOND CASE of pumpkin-tossing also occurred Monday about an hour later. Richard Probstle, 1224 Kensington rd., told police a pumpkin was aimed at his car while he was driving north in the 700 block on State rd. It broke a headlight. Police have a description of the fleeing auto.

Damages to parked construction vehicles at Prospect Heights was also reported by Milburn Bros. All instruments on panels of the vehicles were broken by vandals, causing several hundred dollars worth of damage.

Sunday Burglar Swipes Camera, Gun, Drill

An expensive camera, repeater rifle and hand drill were stolen Sunday night by a burglar who broke a window in a door to enter the M. Rodewald and Co. real estate office at 1818 E. Northwest hwy., Arlington Heights.

Owner Marvin Rodewald reported that his office was entered and ransacked some time after 5 p. m. Sunday. The thief also tried but failed to jimmy a desk drawer with a screwdriver. Entry was gained through a rear door after a pane of glass was smashed.

Squeeze Box Artist

Bob Catenazzo entertained with solo numbers on his accordion at the Halloween party and program at the Arlington Heights Youth Center Wednesday evening.

Catenazzo is a junior at Arlington Heights high school.

Wilke Rd. To Become Three Lane

Wilke rd. will be widened to 3-lane width to relieve traffic congestion during the 1957 racing season at Arlington Park, according to an article in a publication of the Cook County highway department.

In its October issue the magazine "Cook County Highways" says "The plan as presently contemplated is to widen Wilke rd. 4 feet on each side. This will provide 3 ten-foot lanes and still leave room enough for residents of that newly built-up area to park their cars."

An official in the office of county highway Supt. William Mortimer was unable to say which portion of the road between Algonquin rd. and Northwest hwy. would be improved.

* * *

WILKE RD. now has 2 lanes 11 feet wide. During the month of racing, traffic is heavy enough for a 4-lane road but the department claims that traffic during the rest of the year does not justify the cost of widening to 4 lanes.

On racing days a flexible divider fin will be laid down on the roadway to afford 2 lanes in 1 direction. The fin will be moved to allow 2 lanes for heavy traffic.

Scarsdale Association Has Discussion On Blue Ballot; Rezoning

Russ Colvin, president, presided over the first meeting of the 1956-57 season of the Scarsdale Property Owners association October 25 at the VFW hall. It was attended by both men and women. This is the first year women have been admitted to membership.

There was a discussion of the "Blue Ballot" with Mrs. Paul Green, representing the League of Women Voters, giving the pro side and George Hoban, a Scarsdale resident and lawyer, giving some reasons why we should vote "no." Both answered questions put to them by the members.

Vic Myer and Robert Phillips presented information for and against the proposed annexation of Arlington Heights to the Metropolitan Sanitary district of Chicago.

George Bailey brought members up to date on the proposed rezoning of the Trude property on the west side of Pine st., adjacent to Scarsdale. After much discussion, a resolution was read approving the rezoning, under certain conditions, and was passed.

Cider and doughnuts were served after the meeting. (A

More and more each day you hear the question, "Have you started your Christmas shopping?" and 9 times out of ten, the answer is "NO." It seems to be a human failing to wait until the last minute and then not have a choice selection.

What better place to start than at one of our locations where you have a tremendous selection for the family and all your acquaintances. Perfumes, Compacts, Cameras, Shavers, Cigarettes, Cigars, Men's Colognes and many, many other things that will help to brighten the Yuletide season. It will be a certain source of satisfaction to get most of these items out of the way, and a small deposit will hold them until Christmastime.

Have you gotten your Christmas cards yet? Hallmark offers a grand selection this year and so reasonable. Beautiful verses, many new scenes depicted on the covers, all the things that give you that wonderful feeling at Christmastime. Your cards can be personalized with your own name in print for a slight nominal charge and we can give you fast service.

Choose some of those Christmas gifts now and get them out of the way.

Christening

Edward Allen Hauth, young son of Arlene and Fred, 512 Yale, was christened Sunday in Faith Lutheran church, Arlington Heights. His sponsors were Mrs. Shelby Moore of Glenview and Stuart Pohlman of Lake Zurich. A dinner was served to 9 guests following the christening. In the evening a buffet supper was served to other relatives. Edward's 2 grandmothers, Mrs. Nora Lipsch and Mrs. Minnie Winkleman, were both present for the christening.

Westgate Community Association

Jim Blocki, president, announced that a nominating committee had been chosen for the forthcoming election. The committee comprises the district representatives, Gene Ballou, Frank Conley, Ralph Hawkes, Edward Huster, Kenneth Purcell, Glen Sundquist and John Vork. These men were chosen as it was felt they would be in a position to kno who in their districts would be likely candidates for offices. Individuals chosen would be contacted to see if they would accept the responsibility chosen for them. Gene Ballou is chairman of the group. At the November meeting nominations will be accepted from the floor. Election of officers and directors will be by special ballot to each member of the association. The last association meeting held 2 weeks ago brought members out in great attendance. A total of 25 members were present out of a possible 425, which is certainly discouraging to those who have worked so hard in organizing this association. November meeting will be held Wednesday, Nov. 17, 8 p.m., at the Junior High school.

Guest speaker of the evening was Donald Nugent, durector of the fund raising drive for the Northwest Community hospital. Mr. Nugent stressed the great need for the hospital. Volunteers will be ringing doorbells for pledges to be made over a 30-month period.

The Women's Auxiliary of the Northwest Community hospital is hard at work obtaining new members. Everyone joining now will become a charter member of the hospital. This membership will be closed January 1, 1957. Volunteers will be needed for committees and work in the hospital once it is completed. Coffees are being held every day informing residents of the necessity for such an auxiliary. Any person interested in joining may contact Sara Ralph, CL. 5-1213, Lillian Krueger, CL. 5-1400, or Jay Vork, CL. 5-0018.

Storkfeathers

A daughter was born to Eileen and Howard Johnson, 219 Wilke, October 9 in Resurrection hospital, Chicago. The young lady has been named Jill Grace and weighed 6 pounds 2 ounces on arrival. The Johnsons have 2 other children, Taffy and Andrea. The maternal grandmother is Mrs. A. Murray of Newark, N.J., who is here lending a helping hand at the Johnson home. The paternal grandparents are Mr. and Mrs. Clifford Johnson of Suffern, N.Y.

A baby girl has come to live with Dorothy and Clyde Becker, 238 Yale. The new youngster was born October 14 and has been named Faith Ann. The maternal grandparents are Mr. and Mrs. A. L. Peterson of Orinda, Calif., and the paternal grandmother is Mrs. David Becker of Skokie.

Dorothy and Jim Moos, 307 Yale, are announcing the birth of their fourth child, a son, October 17 in Resurrection hospital, Chicago. He has been named John Michael and weighed 7 pounds 5 ounces at birth. John was happily welcomed home by the other 3 children, Joey, Jamie and Jeff. The maternal grandmother is Mrs. Peter Denn of Iron Mountain, Mich., who is here on a visit. Paternal grandmother is Mrs. J. N. Moos.

Happy Birthday

Patty Townsend, 1517 Fremont, celebrated her third birthday October 16. A luncheon was held in her honor with 16 young friends joining in the fun.

A happy birthday goes to Jimmy Kenny, who became 6 October 18. Jimmy is the son of Dorothy and Charles Kenny, 403 Wilke.

Tony Stokes celebrated his second birthday October 15. Tony lives with his parents, Dorothy and Herb Stokes, at 316 Reuter.

Michael Granis celebrated his 10th birthday October 21. The following Wednesday he entertained 15 school friends at a Halloween costume party. A buffet supper was served, after which bobbing for apples and a pumpkin carving contest were held.

Celebrating his first birthday October 29 was Jeff Moos, son of Dorothy and Jim, 307 Yale. Family gatherings were held Saturday and Sunday to help make his birthday a happy one.

Out of Town Guests

Visiting Margaret and Mel Potter, 107 Wilke, are Margaret's parents, Mr. and Mrs. H. W. Henshaw of Seattle, Wash.

David Ball of Wichita, Kan. was a weekend guest of Cleta and Ray Herda, 243 Yale. David, a cousin of Mrs. Herda, was here for a special training course at Great Lakes naval training station. A dinner was held for 14 relatives Saturday.

Entertain

Mr. and Mrs. Henry J. Mrozinski, 1512 St. James Pl., had a homecoming for their son Clarence last Saturday. Clarence was recently discharged from the navy. The party was also a wedding reception for their new daughter-in-law, Ernestine. The newlyweds were married in San Diego October 13 and arrived here October 15. The reception was attended by relatives and friends of Clarence and his parents. Many good wishes are extended to the young couple.

Fran and Bill Johnston, 1505 Euclid, and Arlene and Mary Verbeck, 1511 Euclid, gave a Halloween costume party Saturday evening. Enchanting in their costumes were Louise and Ken Smith, Lois and Jack Madden, Bernice and Barney Callahan, Pat and Dan Shannon and Maryan and Don Granis. Highlight of the evening was Bill 'Elvis' Johnston doing his famous version of "Hound Dog." After an evening of fun at the Johnston home, a buffet supper was served at the home of Arlene and Marv.

A Halloween party was held Sunday afternoon at the home of Cleta and Ray Herda, Yale ave. Mrs. Herda's Bluebird group decided it would be fun to have such a party and invite their parents and family. Thirty-one guests participated in games, pranks and fun and were later served refreshments.

A Halloween party was given by Fran and Harry Hebard, 409 Reuter, for their sons, Bard and Rickey, Sunday. The Hebards chartered a bus to take 17 children, all between the ages of 2 and 4, and 11 dads to oGlf rd., where they all partook in an old fashioned hay ride. After the hay ride, the children, who were in costume, and their dads returned to the Hebard home for refreshments.

Here 'N There

A unique service is being offered by 4 women of the League of Women Voters for the forthcoming election November 6. Jay Vork, 415 Yale, reports that car service to the polls and baby sitting service will be available to all voters. One-hundred per cent attendance is expected of Westgate residents with these facilities being offered. Th polls will be open from 6 a.m. to 9 p.m. Anyone interested in obtaining a ride or requiring a baby sitter is asked to contact Jay at CL. 5-0018.

The recent fashion show presented by the Catholic Women's club of Our Lady of the Wayside church saw Barbara McDonald, 1601 Fremont, and Dolores Smith, 1611 Johanna terr., modeling clothes.

Fred Granis, 1500 Fremont, attended the Boy Scout fall camporee for the Blackhawk district at Herrick lake.

A coffee was given last Wednesday afternoon by Evelyn Wood and Mae Erdman of Wilke ave. for the Northwest Community Hospital auxiliary. Guests were Gerry Martinell, Margaret Potter, Mary Keslinke, Gladys Myszyker, Christine Dittmeyer, Eileen Johnson, Barbara Manthos and Arlie McThomas.

Paper Drive

Boy Scouts are holding a paper drive Saturday, Nov. 10. Tie bundles securely and have them at the curb early.

Friends and neighbors of Jerry Runkel, 203 Reuter, are happy to see her making a speedy recovery after major surgery.

Virus pneumonia kept Bud DeZonna, 402 Reuter, in bed for 2 weeks. Friends are happy to hear that Bud is now back to work and feeling much better. (A

Discovers Much Pro-U.S. Sentiment In Poland Today

by BILL DILLINGHAM

There is more pro-American feeling behind the Iron Curtain than in front if it. This is the impression travelers are getting after visiting Russia and her satellites. Poland, however, is probably the most pro-American of the aforementioned countries.

In Stettin, one of Poland's largest cities, Roosevelt st. carries traffic through the center of town. In Poznan, the President Wilson Monument remains unmolested. There is a Hoover st. and a Wilson park, plus many other such friendly references to the United States in Poland.

* * *

JACK LONDON and Mark Twain are well-known authors. Translations of their books are found in most of the government bookshops.

In the July 1st issue of SWIAT, Poland's large weekly picture magazine, a huge spread was devoted to the meaning of the American July 4th. Sketches of the Battle of Bunker Hill, comments on Lexington and Concord, Washington at Valley Forge and a lengthy and entirely pro-American article followed. Although one or two of the writer's facts were incorrect, the article was nonetheless highly favorable to America, and not particularly anti-British.

* * *

EVERYWHERE this reporter traveled, people seemed extremely pleased to encounter an American. Farmers, factory workers and administrative officials all displayed the same friendliness. The story of an uncle in Chicago or a cousin in Baltimore was quite common. In small village restaurants when the waitress would tell the locals that she was serving an American, it was sometimes necessary to shake hands all around.

The Polish people are soaked by State propaganda in the belief that Wall street is hostile to individual Poles, but that Americans themselves are not to blame. Possibly this explains the pro-American sentiments shown also by individual communists.

When directly asked, both country and city Poles said that they would never raise a gun to Americans. They added, however, that they would fight the Germans with relish at the drop of a hat. (B7

Prospect, and Charlene Halama of Arlington Heights, will be among Bethel 23 officers participating in rituals for Betsy Ross chapter, Order of the Eastern Star, November 28. The ceremonies will be directed by Paula Meyer, honored queen of the local bethel, assisted by Dorothy Gillet and Marilyn Kuske, senior and junior princesses.

This Friday, Nov. 2, the bethel will honor Mrs. Neta Sullivan, grand third messenger of international order of Job's Daughters, and Miss Brenda Billhardt, grand representative to Manitoba, Canada. Mrs. Sullivan is guardian of the bethel and Miss Billhardt is librarian. The meeting will be held in the Park Ridge Masonic temple.

Semi-annual election of officers will be held November 16 following a 6 p.m. potluck dinner in the dining room of the temple and November 19, the group will exemplify its ritual for the Park Ridge Masonic lodge, initiating 5 girls during the program. (AM

Kensington Manor News

Association News

The recently formed Kensington Manor Home Owners association held election of officers October 10. Newly elected officers are Glenn Rider, president; Donald Whiting, vice president; Mark Farrar, treasurer; Mrs. James T. Lambdin, secretary.

Dinner Party

An Italian dinner was served by Mr. and Mrs. Glenn Rider, who entertained Ruth and Jayne Paulson and Don Reese Friday evening. Mrs. Mae Eich, Mrs. Rider's mother, who lives with the Riders, was a co-hostess at the party. The group enjoyed a card party after dinner.

Birthdays

Jimmy Karst celebrated his birthday at a party Saturday with a group of his playmates. The children played games and refreshments were served by his mother, Mrs. John Karst. Jimmy's birthday party, which was October 17, was delayed because he was ill.

Birthday congratulations are extended to James T. Lambdin, 12, who will celebrate his 11th birthday ov. 1.

Halloween Party

Donna Rentzsch enjoyed a Halloween party her mother planned for her friends. Her guests included Donna Rider, Pam Hearl, Cindy Rapp, Bobby Ryan, Kathy and Teri Treanor and Siri, Dana and Christie Laurin of Arlington Knolls. Kathy Hogan of Phelps ave., helped serve refreshments at the party.

Baptism

Mr. and Mrs. O. P. Flaa and Ralph Rentzsch were godparents at the baptism of Donna and April Rentzsch Sunday. Other guests included grandparents, Mr. and Mrs. W. R. Zeh, Mrs. A. Rentzsch, and great aunt and uncle, Mr. and Mrs. A. S. Thayer. The children were baptized in the First Methodist church in Arlington Heights.

Wedding Anniversary

Congratulations are extended to Mr. and Mrs. William Hiemenz, who celebrate their wedding anniversary November 3.

To Illinois Homecoming

Norma and Al Snap went to the University of Illinois homecoming over the weekend. They visited with Al's brother, who is in school there, and went to the game with some of his relatives from Freeport who came to Urbana-Champaign for the game. It was a highlight of the year for Illinois since they won over Michigan State, the score being 20-13.

Friends and neighbors of the Warren Holmes wish to extend sympathy in the recent death of his father, James Holmes in Chicago. Interment was in Memory Gardens.

Newcomers

Newcomers to Arlington Heights are Mr. and Mrs. William Remer, who have moved to 918 Kennicott from Chicago. Mr. Remer is a lineman for Public Service.

Maurita Kelly, daughter of the William Kellys, had a Halloween party Sunday night from 5 till 9 o'clock. There were prizes for the best costume and the most original, but it must have been hard to choose. Some girls came as flappers from the 1920's and were complete with Charleston dresses which had been handed down. Not only did they watch Elvis Presley on Television, but they had their own Elvis Presley in the person of Jaynee Anderson. Maurita, dressed as a dog, was her "hound dog." They played the usual Halloween games and danced to records in the basement. Included in the fun were Dianna Reed, Joanne Kavannaugh, Mary Lou Dunderdale, Dawn Anderson, Lynn Smith, Marie Scott, Kathy Flanagan, Patty Buckeridge, Mickey Peterson, Janet Hipp, Veronica Koppel, Dianne Rogers, Judy Elgas, Sue Murphy, Janice Weidner, Phyllis Muran, Karen Koeneman, Julie Lawler and Jaynee Anderson.

Mr. and Mrs. A. R. Risseto have moved into a new home at 914 Kennicott ave. with their 2 children, Suzanne, 18 months, and Stephen, 5 months. They formerly lived in Schiller Park. Mr. Risseto is a cement mason and works in the suburbs.

Hard Time Pary

The George Lurtzes had a hard times party Saturday night and invited 12 couples, all of them neighbors. Their basement was appropriately decorated in the Halloween theme and everyone enjoyed dancing and harmonizing, as well as refreshments.

Saturday night Dr. and Mrs. Balfour and her sister, Mrs. A. J. Modine, went to Hampshire, where they had dinner with Mr. and Mrs. A. G. Modine.

The Norman Walls had a costume party Saturday night at their home with Halloween games, including bobbing for apples, which some of the couples hadn't done since they were children. Among the guests were Mr. and Mrs. Robert Wayman, Mr. and Mrs. John Mirs, Mr. and Mrs. John Schmidt and her brother, Ronald Petty, the William Logues, the Leroy Nelsons, the Jim Holdeners from Morton Grove, the Francis Grahams and Mr. and Mrs. Harold Vetter.

Mr. and Mrs. Thomas C. Adam entertained his mother, Mrs. Margaret Adam, for a week. Mrs. Adam lives in New York City and visits her son and his family twice a year. Most important to her during her visits is just being with the Adams and their 3 children.

The W. F. Hannums have had as their guest for a week her father, J. M. Pettigrew of Sioux Falls, S. D.

New Daughter

The Walter Gutmans have a new daughter at their house, born September 22 and named Donna Jean. Michael, her 18-month-old brother, is quite entranced with the new addition, not to mention his mother and daddy.

Mr. and Mrs. Ralph Weldon and their 3 children drove to Milwaukee Saturday to visit his family, the senior Ralph Weldons.

Nan and Larry Stocking invited several of their friends and neighbors to a Halloween party Monday night. The children were included and had lots o ffun in the basement bobbing for apples in the plastic swimming pool filled with water. Upstairs there were homemade doughnuts and coffee.

Harvest Hoedown At Field House This Saturday

Harvest Hoedown, a congregational party sponsored by Our Saviour United Lutheran church, Arlington Heights, will be held in the field house, 500 E. Miner st., Saturday from 7:30 to 11:30 p.m. Planned by the zone captains of the church for members and friends of the congregation, the party will feature square dancing as well as games and entertainment.

Those who will attend the party are asked to make reservations by calling one of the following zone captains: Gust Hermanson, Cl.5-1050; Bob Hult, Cl. 5-0428; Roy Anderson, Cl. 3-9659; Roland Sorgatz, Wheeling 492; Louis Behrle, Cl. 3-8756; Harry Wickstrom, Cl. 3-3423; Carl Zehner, Cl. 5-2715; Howard Buchholz, Cl. 3-0249. Informal dress will be the order of the evening and refreshments will be served.

Following the morning service at Our Saviour church last Sunday, Kristi Linne Nelson, infant daughter of Mr. and Mrs. Bruce Nelson, was received into the congregation through infant baptism. The Rev. John P. Petersen, pastor of Our Saviour, officiated.

At the 11 o'clock service next Sunday, holy communion will be celebrated. (A

JOHN ALLEN

"Sweet Adaline," "Down By The Old Mill Stream," "I Want A Girl, Just Like the Girl Who Married Dear Old Dad." Bring back lots of memories don't they? Man, if you want to hear those old tunes (and many new ones also) sung as they should be sung—the date is November 18, 1956—the place, the gymnasium of the High School — the price, just $1.50 for adults; 75c for high school or grade school students.

What's it all about? Why the sixth Annual "Night of Harmony" is coming to Arlington Heights, featuring the finest quartets available. The Schmidt Bros., the For-Mor Quartet and the Barber-Q-For. Bob Hager will be the Master of Ceremonies and you will enjoy every minute of it.

Tickets are available from any member of the Womans Club, who are co-sponsors and all proceeds go to the "Community School for Retarded Children." This is a cause that should give each and every one who buys a ticket a very warm glow because it is a very worthy undertaking. For a night of real fun, ladies and gentlemen, this is it.

Faith Church To Hear Missionary from Africa

Sunday, Nov. 4, will be observed as Missions Sunday at Faith Lutheran church.

The Rev. Richard A. Krugler, who has been a missionary in Nigeria, West Africa, for the past 5 years, will speak at both services on "Your Partnership With God In Missions." Missionary Krugler will also speak in each Sunday school department.

Rev. and Mrs. Krugler and their 2 children will be visiting with Mrs. Krugler's brother and family, the Ewald Kleims, 403 N. Yale.

Set 'Messiah' Rehearsal Sunday At High School

The first rehearsal for the adult participants of the community-wide chorus of Handel's "Messiah' will take place in the girls gym of Arlington high school Sunday, 3 p.m.

Preceding the chorus rehearsal, the orchestra will rehearse at 1:45 p.m. in the new instrumental room. All adults of the high school district who play string instruments are urged to attend this first rehearsal.

* * *

AT THE PRESENT time, 11 church choirs have signified their intention to join with the vocal department of the high school in presenting the chorus portions of the "Messiah." The combined choruses choruses will number 800 voices.

Soloists for the "Messiah" presentation December 2 are Dorothy Zorn, soprano; Valerie Holmberg, contralto; Ralph Nielsen, tenor; and Dave Austin, bass. (ACM

Educational Director To Visit High School

Dayton F. Grafman, director of admissions, National College of Education, Evanston, will attend College Night at Arlington High School, from 7 p.m. to 9 p.m., Thursday. He will urge high school students to consider elementary or junior high school teaching as a career.

National College of Education offers both the ba[illegible]'s and the master's degree in education. The college is known for combining practice with theory during all five years of its program for preparing elementary teachers.

40 New Members Entertained By Heights Juniors

The home of Mrs. G. Beckley at 713 S. Vail, Arlington Heights, was the setting for a "let's-get-to-know-you better" reception the evening of Tuesday, Oct. 23, when 40 new members of Arlington Heights Junior Womans club met their board, and were entertained by the club's membership committee.

The meeting also gave the new young women an opportunity to learn more about the club's active work in community projects including their work toward raising funds for the Northwest Community hospital, the annual nursing scholarship awarded to an Arlington Heights high school student, funds raised to aid the Wheeling braille classroom, the Rolling Meadows School for Retarded Children, active work at orphanages in the area, help for Boy and Girl Scouts in the community and many more local projects the club supports.

New members were also acquainted with the club's association with the Illinois Federation of Women's Clubs and learned of some of the active work contributed by their club to institutions such as Park Ridge School for Girls and Lawrence hall for Boys, and funds raised for scholarships for teachers of exceptional children and a wide range of other worthy organizations and projects.

League Meets Tonight, Hear Top Manager

Bert Johnson, Evanston village manager, will speak at 8 p.m. Thursday before a general meeting of the Arlington Heights League of Women Voters at the junior high school.

He will discuss the possibility of organizaing a citizens' watchdog committee in connection with the council-manager ordinance, recently passed in Arlington Heights. Johnson spent time in Germany where he helped set up village governments.

MRS. ROBERT Phillips is program chairman. Guests will include village officials and representatives of home owners' associations.

All interested persons are invited to attend. (AF

Travel & Adventure Fans Visit Argentina Tuesday

Argentina will be the locale of the Travel and Adventure film to be shown at Arlington high school Tuesday, with Nicol Smith as lecturer. The film will be shown at 8 p.m. in the boys gym of the high school.

In the more than one million square miles of this South American republic there are many different Argentinas, and Nicol Smith shows nine different aspects of the country in this unique color picture. Snow-covered peaks dwarf the Alps, jungle waterfalls are shown which are twice the size of Niagara. Neat bungalows contrast with huge country palaces, famed thoroughbreds with sad-faced-little horses with hats. The journey introduces people ambitious, proud, virile, easily excited and yet very kind of heart.

* * *

THE EARLY REELS show South America's largest city, Buenos Aires, magnificent, smart, sophisticated and fascinating. The Paris of the West boasts fabulous shopping thoroughfares and remarkable public buildings. The filming took place during the elaborate preparations for Carnival Week, and the camera has dodged traffic which knew no signal lights and no rules of the road. Within the city are other communities: the Student Village built with many millions of pesos by Eva Peron's foundation; the astonishing Children's Village built to scale for youngsters; the city of the dead, the Recoleta.

The famous turf race track at San Ysidro is seen on the route to Mar del Plata on the sea, where hundreds of thousands visitors may be seen on the beach drinking mate, the famed drink sipped through bombillas, or buying coffee from picturesque vendors.

ARGENTINA IS the land of inexpensive meat. This is understood better after a visit to the number one stock farm and haras of the nation, Chapadmalal. On this estancia, with its splendid castle-like dwelling which is a copy of a huge English country house, one meets the scion of an old family, observes a way of life which is possible with one hundred house servants in addition to grooms and gardeners.

Tierra del Fuego and Ushuaia, southernmost city in the world, are 1800 miles south of Buenos Aires. The snow-capped mountains are seen in autumn (April) with the fall-tinted forests reflected in the dark mirror of Ushuaia Bay. Other sequences show the regions still farther south toward Cape Horn, Lake Kami and the Marinelli Glacier.

* * *

A THOUSAND miles southwest of Buenos Aires the lecturer visited the national park of Nahuel Huapi where herds of deer were photographed in the legendary Bambi forest, rainbow trout were caught in the Limay River and a mountain lion was surprised by the cameraman.

The picture includes visits high in the Andes to the border of Chile, to the grape festival at Mendoza and the workers' celebration for thanks for a bountiful harvest in a spectacular procession.

The finale of the film-story is the scene of the Falls of Igazu, one of the world's most majestic spectacles. The water descends in an arc over 2½ miles wide, and the whole is composed of more than 275 distinct falls.

* * *

MR. SMITH, a graduate of Choate school and Leland Stanford university, is one of the most accomplished lecturers on the platform today, and has made an enviable reputation as an explorer of strange and remote places, as well as an author of 5 successful books.

Local Man Heads Drive For Foundlings Home

John Flora, Mt. Prospect, president of North Shore Auxiliary of the Chicago Foundlings home, has been coordinating arrangements to present the fall benefit play annually sponsored by the auxiliary.

"A Roomful of Roses," this year's play by the Threshold Players, will be presented in Central school, Glencoe, November 15. A family situation comedy, the play had a successful run on Broadway last year.

The auxiliary's goal is to raise the balance of the funds required for the John H. Letsinger Memorial chapel in the new building planned for the Chicago Foundlings home in Chicago's West Side Medical center. The memorial has been established by the North Shore Auxiliary in honor of the late John H. Letsinger, past president of the auxiliary and a vice president of the board of directors of the home. He was instrumental in creating the system of auxiliaries in the Chicago area to help support and further the work of the Home.

Couples in this area who have an active interest in the project are Mr. and Mrs. Harold Berg, she is secretary of the auxiliary, Mr. and Mrs. Clifford Hagberg and Mr. and Mrs. Thomas Stebbings, all of Palatine, and Mr. and Mrs. William Strevig of Arlington Heights.

The home, the oldest adoption agency west of New York City, has cared for more than 14,364 foundlings since its doors opened in 1871. (APM

The Parent's Life Is The Child's Copy-Book!

This basic truth has many applications—but none more timely than the one we have next Tuesday in fulfilling the obligation and the privilege of citizenship. Get Out and Vote!!!!! and between now and then, let the children see in your words and deeds that this is, in truth, a most sacred right—that, quite literally, men are giving up their lives in an effort to win it. What does your child find in his copy-book?

Jr. High Parents Take A Tour

Six hundred parents attended Parents' night classes last Monday and Tuesday evenings at the Junior high school. Room mothers conducted the tour from class to class following the student's schedule. Each of the teachers gave a resume of the day's work and aims for the year ahead.

Thanks — Thanks — Thanks

On Bundle Days the people of Arlington Heights sent to the schools, clothing to fill 178 bags supplied by the Save the Children Federation. According to reports from school welfare representatives, this year's mobilization of clothing, shoes and blankets was in record proportions. More important, the quality of material collected indicated that the donors made sure the contributions were clean and practical.

Thanks to all who had a part in this effort—to the parents who donated the material, to the children who carried it to school, to the volunteers who assisted the school principals and welfare representatives pack the bags, to Mrs. Herbert Cornelius, welfare chairman, who directed the project and particularly to Mr. Joseph Pitzen who again supplied a truck and driver who assembled the 2½ tons of bundles for delivery to the Save the Children Federation workshop.

More Thanks!

This time to the poster committee for the wonderful charts showing the progress of the PTA membership drive. The committee responsible for this artwork is made up of one representative from each of the schools as follows: North school, Mrs. Richard Sims; South school, Mrs. Joseph Haynsworth; Dryden school, Mrs. Fred Schultz Jr.; Ridge school, Mrs. William Doten and Junior high, Mrs. Samuel Wit.

P. S. S. G. Report

Dr. Augusta Jameson, eminent psychologist, speaker at the preschool study group's first of 4 programs October 2, discussed child development in terms of 4 areas of growth. The foundation for a good and happy life, according to Dr. Jameson, can be found in adequate social relationship, constructive achievement, esthetic appreciation and moral code. Well rounded development in these areas gives the matured child the ability to live within the limits of nature's endowments(productively, creatively and without becoming a nuisance.

In an active question and answer session, Dr. Jameson cautioned parents against "copy-book" reactions with children—acting the way the latest book says to act instead of with sincerity. So-called child psychology as commonly practiced, is often nothing more than guile, and fools the child least of all.

Dr. Jameson is scheduled to speak again in Arlington Heights, at the regular November meeting at Ridge school. Anyone interested in receiving a printed program of the pre-school study group meetings can call Mrs. Victor Husty at CL 3-4759.

Do You Like To Sing?

Ladies, don't limit your vocal efforts to the shower—go to the Junior high Monday evenings at 8 p.m. where a cordial welcome awaits you by the PTA Women's Chorus. The group meets on the second floor of the old wing.

Boy Scouts Seek $10,500 In Drive

A campaign for funds to cover 1957 operating expenses of the Boy Scout movement in Arlington Heights will begin in 2 weeks, drive chairman G. S. Fitz-Patrick, 319 N. Beverley, announced Wednesday.

The campaign goal will be $10,500. This amount will finance operating costs of the Scout program serving more than 1,000 boys locally.

In the advance gift drive to get under way November 15, business, industry and parents of Cub, Boy and Explorer Scouts will be asked for contributions.

* * *

GENERAL solicitation will follow on November 26, with the campaign cleanup scheduled for December 3.

The campaign for operating funds for the current year was held in February. The drive was moved forward 3 months this year in order to avoid a conflict with the many other drives in the early months of the year, explained William P. Utermohlen, 356 S. Burton, district chairman for the Blackhawk district of the Northwest Suburban council.

Fitz-Patrick said the $10,500 will go to provide program materials, leadership training, field service and camping opportunities. The need for funds is greater this year, he noted, as an additional 100 boys have enrolled in Scouting in the village during the past year.

* * *

A GOOD SHARE of the money will go toward maintenance of the 3 council camps. Two of these, Camp Dan Beard at Wheeling and Camp Baden Powell near Des Plaines, are available to Scouts free of charge. The summer camp at Wild Rose, Wis. is maintained with operating funds, with Scouts paying a weekly fee to cover only the cost of food and expenses involved in staffing the camp.

Other activities paid for with operating funds include Scout shows, courts of honor, junior leadership training and attendance at national jamborees.

Missionaries At Free Church November 7-11

The third annual Missionary conference of the Arlington Heights Evangelical Free church will open Wednesday, Nov. 7, at 7:45 p.m. Rev. Dwight Fuller will present color slides from Japan and Rev. Monroe Sholund, who recently returned from Congo, will speak. Meetings will also be held Thursday and Friday evenings.

Saturday, November 10, there will be a Children's Missionary hour at 2 p.m., to which all children are invited, and at 6:45 p.m. the young people will have a buffet supper with the visiting missionaries as guests. Rev. David Hesselgrave, missionary from Japan, will speak.

Missionaries will participate at all services Sunday, Nov. 11. They will assist in the opening exercises of the Bible school at 9:45 a.m. During this hour there will be a symposium in the adult department. Rev. David Hesselgrave will speak at the 11 a.m. worship service. The 7 p.m. service will be devoted to home missions with Pastor Ken Olenik of Wheeling Free church as speaker. Others participating in the conference will be Miss Lydia Wire, Dr. and Mrs. H. Wilbert Norton and Mrs. Dwight Fuller. (A

Auto Skids Out of Control And Smacks Tree On Euclid

Auto Skids Out of Control—Tempo

A 1956 Cadillac skidded out of control about 1 a.m. Sunday and landed up against a tree in the parkway on the south side of Euclid ave. near Forrest in Arlington Heights.

Police said the westbound car left skid marks nearly 200 feet long. The auto spun around and hit the tree but the driver was not injured.

The driver, John Petrie Jr., 35, of 502 N. Beverley, Arlington Heights, was cited for driving under the influence of intoxicating liquor after examination by a doctor.

• • •

IN A FRIDAY collision, cars driven by Lois B. Neurenberger, 42, of 740 N. Beverley, Arlington Heights, and Richard Chase, 16, of 332 S. Rohlwing rd., Palatine, suffered minor damage in an accident at Walnut and Euclid.

Two police vehicles received dents or scratches within a 45-minute period Thursday. The police station wagon, driven by Sgt. Raymond H. Jahnke, backed into and dented a spare tire kit on a 1956 police coupe parked at the entrance to the village hall parking lot about 6:55 p.m.

Officer Robert Keslinke was backing the station wagon out of its parallel parking stall in front of the station at 7:30 when its right rear fender was scratched by the bumper on the 1957 police coupe in the next stall. (AF

Closed Circut TV Open House Feature

Closed circuit television will be a feature of the open house at the Arlington Heights office of Illinois Bell Telephone November 13-15.

The building at 106 W. Eastman serves residents of Arlington, Rolling Meadows, Mt. Prospect and Prospect Heights. Bell employees will conduct tours from 1 to 4:30 p.m. and again from 6:30 to 9 p.m. Many special displays will be erected for the open house.

"The open house will give our friends in the area an opportunity to watch their telephone system in action, to see what goes on behind the scenes when they make a local or long distance call," noted Robert E. Kozeliski, local Illinois Bell manager. (AF

Vote 'No' On Sanitary District: Village Board

Arlington Heights village board, in a prepared statement, this week urged defeat of the referendum on Tuesday's ballot which seeks to annex the village as well as some 18 other suburban communities to the Chicago Sanitary district.

"Although the board's position has been made crystal clear . . .through the various property owners' associations, we again wish to publicly state our position on this important matter which will effect the tax rate for all of us," the statement said.

* * *

THE STATEMENT claims that connection to the district will not give the village more service. It added:

"They will merely run a 54-inch sewer to the edge of Arlington Heights. We will then have to hook onto it at our expense. They will only take sanitary sewage during dry weather. In times of floods, or heavy rains, this 54-inch sewer, which is smaller than our 72-inch trunk sewers and the 8-ft. by 10-ft. main sewer will not take our sewerage flow and thus the raw sewage will go into Weller Creek. They will not maintain the sewers . . nor will they have anything to do with the flooded basement problem."

* * *

THE BOARD statement also claims that the village can save $2½ million over a 20-year period by operating its own disposal plant instead of joining the district. This is true, the statement adds, "even with the contemplated expenditure of $450,000 for plant expansion for a 45,000 population (to approximately 1975)."

"It will cost the average taxpayer almost twice as much to be in the sanitary district as to continue to pay taxes for the operation of our existing sewage treatment plant," village officials said. "Incidentally, the sanitary district will not assume our present bonded indebtedness of the existing treatment plant, nor will they purchase these facilities."

Movies To Highlight Couples Club Meeting

Guest speaker at the monthly meeting of the Young Married Couples club of Arlington Heights First Presbyterian church November 2 will be Ed R. Boehm, proprietor of the Jack and Jill shop of Itasca. His talk "Here's Something to Think About" will include movies of a dog sled trip through Aspen and Ashcroft, Colo., a bullfight in Old Mexico and pictures of Quebec, Montreal, Niagara falls and International Falls.

The meeting will be held in Fellowship hall of the church and will start with a potluck dinner at 6:45 p.m. Hosts are Mr. and Mrs. Ray Froula, Mr. and Mrs. Alan Axtell and Mr. and Mrs. Don Sizelove. New members are welcome.) (A

Zoners Reject Farm Appeal Second Time

For the second time the Arlington Heights zoning board of appeals last week rejected a petition for rezoning of a small parcel of farm land for commercial use.

The irregularly-shaped piece of land extends north from W. Euclid ave. to the Chicago North Western railway right of way and is part of the former Fessler farm. It is owned by Arthur F. Thiersch, 1108 W. Euclid ave.

* * *

THE LAND, less than 4 acres in size, is thought to be about the last piece of zoned farmland remaining in the village.

The village board had granted Thiersch a second hearing as he was not represented by an attorney at a previous hearing.

Residents of the area waged a successful battle against rezoning at both hearings. The village board must again consider the zoning board recommendation of refusal.

Sunday Is Day Of Rest-- Unless You Work Free

You may be able to work on do-it-yourself projects around home on Sunday but there's to be no construction work by contractors in Arlington Heights on the day of rest.

A resident complained last Sunday about a construction crew noisily awaking a north side neighborhood around 8 a. m. Police told the contractor that although the village has no law against Sunday work it might be possible to obtain a court order to halt it.

THE YOUNG MAN in the foreground squinting through a transit is now back home in Arlington Heights after a hectic 3 weeks in strife-torn Jordan. He is Douglas Trout, on the staff of the First Presbyterian church and a student at McCormick Theological seminary in Chicago.

THIS WAS THE CAMP SITE of an archaelogical expedition to Jordan last summer to excavate the site of the ancient biblical city of Shechem. Douglas Trout, for the last 2 years a minister to youth of the Arlington Heights First Presbyterian church, was a member of the expedition until he was stricken with polio.

Realism Of Arab-Israeli War Told By Local Pastor

by TOM BRENNAN

Tension crackles daily across the no man's land between Israel and Jordan and back again, erupting into sporadic gunfire. For most of us this border strife draws only passing attention.

But for a young man who lay in a Jerusalem hospital bed last summer, it seemed for a while that the gulf between Arab and Jewish lines was the gulf between life and death.

The young man is Douglas G. Trout, a youth minister at Arlington Heights First Presbyterian church and a senior at McCormick Theological seminary in Chicago.

Trout, 25, lives with his attractive wife Judy and their 2 children at 1305 Woodford pl. in Arlington Heights.

Leaning back in a chair in the church study, Trout calmly recounted his unforgettable experience.

Trout went to Jordan last summer as a member of a 4-man archaeological expedition. It was sponsored by McCormick seminary and Drew seminary in New Jersey in conjunction with the American School of Oriental Research in Jerusalem.

* * *

THE GROUP began excavations this summer at the site of ancient Shechem, a city mentioned prominently in the Old Testament. Archaeologists believe the city was overrun by the Machabees in the second century, B.C.

The scientists aim to develop a more exact chronology of Old Testament history through their excavations, Schechem having been continuously occupied throughout much of the Biblical era.

Trout had been at the site of the diggings only 13 days when he took ill. He became feverish and was sent to a hospital in Jerusalem, 40 miles away, when his headaches became severe.

The husky young man was told he had come down with jaundice by doctors at a German Lutheran hospital in the Jordanian section of Jerusalem. But his ailment actually was a mild case of polio, a later diagnosis showed.

Fearing the worst as Trout's condition worsened, doctors called for an iron lung. None were to be found in the hospitals in the older Jordanian section of the city so the hospital arranged for an iron lung to be sent across the border from Jewish Jerusalem.

On the afternoon of the fourth day in the hospital, Trout's condition took an upturn. His attack did not go into any of the more serious forms of polio. He improved daily after that and was soon discharged from the hospital. The iron lung was not needed after all.

* * *

LOOKING BACK on the incident, Trout had only praise for the medical authorities on both sides of the barbed wire fences cutting across Jerusalem.

"It is a hopeful sign that people working to save lives can still overcome enmity," he said.

Just how strong those feelings are between Arab and Jew was revealed to Trout's party at an Arab wedding party.

Natives employed at the diggings and living in the nearby Village of Belata invited their American friends to the party. Arabs sang for hours to the accompaniment of a one-stringed violin. The exotic foods and high-pitched voices were exciting but the Americans received something of a cold chill when a friendly Arab later translated the chorus of an Arab song for them.

It went: "Nasser will fill the canal with the blood of the British."

* * *

LEAVING THE hospital, Trout decided he was too weak to return to the arduous excavation work under a 120-degree sun and caught a plane home. As he explained: 'I had sent my wife a telegram telling her I was in the hospital and I knew she was worried so I flew back as soon as I could."

His wife Judy didn't know until his plane landed at Detroit that her husband had suffered a mild case of polio.

'But they didn't tell me either until after I was discharged from the hospital," he said.

IN THE SHADOW OF THE STEEPLE

Will You Be Able To Discern Your Moment Of Greatness...

by WILLIAM O. McGILL

Once upon a time a seminary student, poorly prepared for an examination which asked him to name the major and minor prophets, wrote:

"Far be it from me to make unfair comparisons between the prophets of Israel . . ."

Did the minor prophets even know they were minor?

* * *

A PROPHET in Israel was always a man of God for the moment. He exercised a strange combination of religious influence, political influence, educational responsibility; most of all, he stood for the nation's sense of spiritual integrity.

The spirit of the living God was expected to light on almost anyone. In a moment of trial to the people, God would choose a man who was fitted to serve Him at the given moment in history.

We call prophets major or minor according to the amount of space they occupy in the Bible, not according to the work they performed. One of the most minor (or is the word "least") of the prophets was known as Micaiah.

* * *

MICAIAH was called in along with about 400 others when 2 kings were hatching a plot in foreign relations. The first king said, "Pay no attention to this man. He always says evil things about me." This time was no exception.

Despite the good things which the 400 said, Micaiah prophesied doom on the venture. They insulted him. Then they went forth to battle. and the doom occured.

The Bible says no more about Micaiah.

There are occasions when we wonder how much good our voice or our vote may do in a social gathering or in an election. A reasonable and responsible dedication of oneself to the cause of the living God cannot be hindered by such perturbations of minority.

* * *

FOR GOOD or ill, there are studies made by statisticians (I saw one the other day, but I forgot whom it concerned) which show that as little as one or 2 votes in each precinct in a given number of states would have made important differences in a presidential election.

A man was loudly proclaiming statements prejudicial to people of a particular type. It seemed that everyone in the group was in agreement. But one woman who had sworn to combat all such attitudes elected to talk back. In a moment, nerved by her example, the whole group had indicated a complete dissociation from the man's views. It only took one person to nerve them.

* * *

THERE IS a moment for you. There is a social group waiting for you. It may be for your participation in a responsible manner in this coming election. It may be for your responsible action in some civic problem.

It is a romantic motion that an ideal partner awaits each of us —if we but search until we find that partner. It is more to the truth that a moment of greatness awaits us — if we are awake to discern it. (FP

Flames Eat 2-Story Shed, Convertible

A short but spectacular fire shortly after 6 p.m. Thursday destroyed a 2-story shed at the rear of 17 E. Campbell in Arlington Heights.

MORE VALUABLE than the old shed, however, was a 1956 convertible stored in the shed and burned in the fire. It belonged to Police Magistrate William F. Neumann.

An anonymous call to the fire department at 6:08 p.m. sent firemen rushing to the scene. Had there been a high wind, nearby structures might have been in danger from flying cinders.

FIRE CHIEF Elroy J. Winkelman said that firemen played hoses on the structure from various angles but it was virtually gutted before they oculd bring it under control.

The building, property of Krause and Kehe, realtors, was knocked down this week.

County Jail Chaplain Will Speak November 7 To Heights Women

The Rev. James G. Jones, Protestant chaplain of Cook County jail and Chicago House of Correction, will speak at the November 7 meeting of the Arlington Heights Womans club on "Observations of a Prison Chaplain on America's greatest problem - Crime."

Fr. Jones received his education at Canterbury college in Danville, Ind. He taught school, served in the navy during World War II, and later entered the Episcopalian seminary. He was ordained in June 1953 and was assigned chaplain of the jail, where he has served ever since.

From his experience with and knowledge of men, Fr. Jones believed that if given a place to go, a chance for a job and an understanding of their problems, many released prisoners could return to society as respectable and useful citizens. This conviction became a reality when Fr. Jones was permitted to open and supervise St. Leonard house, which is dedicated to the spiritual and physical care of released prisoners. (A

Missionary Will Speak Here Sunday

REV. JAMES KRUETTER

An eyewitness of the amazing changes taking place today in the ancient ways of Africa will speak Sunday, Nov. 4, in First Baptist Church of Arlington Heights, 700 N. Ridge, in the 11 a.m. and 7 p.m. services.

The Rev. James Kruetter, a missionary in Belgian Congo with the Conservative Baptist Foreign Mission society has observed the impact the 20th century is making in that country.

His work as counselor for Christian groups, and as an evangelist has taken him among primitive tribes who live as they have for centuries. He has also seen in many other areas the African who is leaving these ancient ways for the ideas and customs of the present age.

Mrs. Kruetter, a registered nurse, has seen yet another side of Africa. She has been in charge of a dispensary where the African's many physical ailments are treated and his spiritual needs are also dealt with.

The Kruetters have recently completed their first term of service in Africa. Before going there, Mr. Kruetter was graduated from Moody Bible institute and the Northern Baptist seminary, both of Chicago. Mrs. Kruetter graduated from the Northwestern Bible school, Minneapolis, and the Mounds-Midway school of nursing in St. Paul. Mr. and Mrs. Kruetter and their young son plan to return to Congo in the spring of 1957. (A

Cardinal Editorial Warns; End High School Friction

In the wake of friction between Maine and Arlington High schools at the time of their football game last month, an editorial in the Arlington high school student newspaper last week had a warning for students.

Recalling that the football fields of both schools had an "A" and an "M" burned into the grass, the editorial reminds:

* * *

"THIS TYPE of thing could lead to increased public pressure on the schools to eliminate night activities. It is possible that if these acts of defiance aren't curbed now, a restriction of inter-school activities, including athletics and social functions, will be forthcoming.

"If this happened," continues the editorial, "it would be the result of the activities of only a few students. Once more, a few would spoil it for the many."

* * *

THE STUDENT council of Arlington high school sent a letter to the Maine student council expressing regret "at this action" and stating the hope "activities and good relationships can be maintained." (A

Rolling Meadows, Heights Jaycees Fight Blue Ballot

The Arlington Heights and Rolling Meadows Junior Chambers of Commerce have voted to adopt a resolution which disapproves and opposes the proposed Amendment to the Revenue Article of the Illinois Constitution, which will be on the Blue Ballot at November 6.

The Jaycee membership thus joined the Illinois Junior Chamber of Commerce, which voted to oppose the tax amendment as dangerous because it would give the Illinois legislature power of taxation virtually without limitation."

* * *

IT WAS FELT by the Jaycees that, while specific changes in the present revenue article of the Illinois constitution would be desirable to cure specific defects in the present state and local tax systems, the reasons for opposing this particular tax amendment were sufficient to warrant the statement of opposition.

These specific reasons for the opposition to the proposed tax amendment were given:

* * *

1. **ENTIRELY** too broad taxing powers would be given to the Illinois legislature.

2. Unnecessary surrender of Constitutional safeguards against abuses of the power to tax.

3. The virtually unlimited power given to the Illinois legislature to classify property and to tax each class at any rate from zero to 100 per cent, on the basis of valuation or yield of any other basis.

* * *

4. **WHILE THE** proposed tax amendment would continue the Constitutional prohibition of a graduated income tax, passage of the Tax Amendment would remove all serious doubts as to the power of the legislature to impose a flat income tax.

5. Passage of the tax amendment would give the legislature unquestioned power to authorize the City of Chicago to impose a payroll tax on everyone earning money in Chicago, regardless of where he lives.

6. Passage of the tax amendment would result in reduced bonding power in school districts throughout the State, which would further intensify the school building problem. (AK

Pity Poor Housewife Who Lost $100

There's a reason if a housewife on Park st. in Rolling Meadows is beating her head against a wall today.

She lost $100 yesterday.

A ticket with her name on it was picked as the winner in a drawing yesterday at the Elms shopping center in Arlington Heights. The winner had to be in the shopping center to collect her prize.

This housewife wasn't.

The drawings are in conjunction with the shopping center's anniversary celebration. There will be another drawing next Wednesday. AK

PEOPLE WISE MARTINIZE

Well, I finally got Pete married, my wife and I are speaking, business is good—as a matter of fact, it all seems too peaceful—something is bound to happen. The worst thing that could happen to me is not being able to attend the Sixth Annual "Night of Harmony" to be presented at the High School the night of November 18.

I strongly suspect that many of you are tired of hearing me yak about it but I really love those "Barber Shop Quartets." To me, they are as much of our way of life as "Ham and Eggs," but sometimes we seem to forget the things that were near and dear years ago.

This is a program that each and every one of the family can enjoy and all for such a nominal fee—just $1.50 for adults; 75c for high school or grade school students. I've told you that tickets are available through any member of the Womans Club (co-sponsors), but the thing that is important is the cause—All proceeds go to the Community School for Retarded Children. Let's have a wonderful night and at the same time, "Give some child a break."

Scout News

Cub scouts from dens 3 and 8 of Wilson school pack 234 have made 2 excursions in October to enliven their fall program. A trip to Deer Grove to collect specimens of leaves for their scrapbooks took the place of their weekly meeting October 10. October 17 their den mothers, Dorothy Murray and Claire Dever, accompanied by Bob Dever, took the boys to the Trailside museum in River Forest. After a thorough examination of the wildlife on exhibit there the boys were treated to a special privilege by the curator of the museum who commended them for their gentlemanly behavior. The curator released from their cages all of the harmless snakes so that the boys could handle them, be "kissed" by them and learn first hand the behavior characteristics of one form of wild life. The cub scouts who made the trip were Tommy Hartig, Dougie Murray, Terry Ruprecht, Kenny Williams, Jim Arnold, Tim Dever, Ken Gerstein, Terry Munk, Dennis O'Brien and John Mirglia.

The proceeds from the pancake breakfast to be given at St. James school November 4 from 7 a.m. until 1 p.m. will be used to help defray the operating expenses of Boy Scout troop 66, which is sponsoring the event, and also of troop 166 and the Explorer post at St. James. Tickets may be obtained from Danny Murray, CL 3-8143, or Michael and David Ber, CL 5-1197.

Tickets for the dance being given November 10 by the Women's Auxiliary of VFW at the VFW hall may be obtained from Gerry Williams, CL 3-8584, ticket chairman for the event.

Sylvester Sobanski, 1342 N. Race, has been elected vice president of the St. James Holy Name society.

There will be a Wilson school PTA board meeting at the home of Mrs. Rice, George st., November 5 at 8:15 p.m.

Elaine Kohler, Virginia Terrace membership chairman for the Northwest Community Hospital Center Women's auxiliary, announced that the final results have been tabulated and that 80 per cent of the women of Virginia Terrace are charter members of the newly formed organization. District 2, with Laverne Reichert serving as representative, and district 7, covered by Margaret Schluter, reported 100 per cent enrollment.

Tuition Kindergarten

The committee investigating the possibilities of a tuition kindergarten for the Wilson school district, attended the last board of education meeting at the school, at which the board unanimously passed a resolution giving the kindergarten committee permission to use space that will be available in the school after the new addition has been completed.

The resolution covered the period from January to June 1957 only, as it will be necessary for the board to ascertain the enrollment figures for each subsequent school year and to determine if space will be available before granting permission to use the space in subsequent years. If the space is not available in a future year it is the intention of the committee of parents to secure another location, such as a church basement, in which to operate the kindergarten. The resolution contained the provision that the enrollment will be open to all families in the Wilson school district with any necessary limiting of enrollment being done on a "fair and equitable" basis.

After the school board meeting the kindergarten committee returned to the home of Nancy Griffith, 1436 N. Race, to consider further plans to raise money to equip the kindergarten and to consider many problems that preclude the actual organization of a kindergarten. Those who attended the committee meeting were Nancy Dalton, Addie Fairfield, Phyllis Fluhrer, Mary Margaret Francis, Elaine Frick, Sue Hollister, Pat Johnstone, Jerry Kirby, Jackie Koenig, Phyllis Marshall, Lois Martin, Carol Narup, Nancy Raymond, Gerry Williams and Judy Zare.

Girl Scout troop 66 of St. James school celebrated its first birthday this week with a party Wednesday afternoon. Virginia Terrace residents who are members of the troop are Barbara Courvoisier, Nancy Cates and Donna Murray with Marguerite Cates, 1334 N. Yale, serving as their leader.

The audiometric screening program of the health committee of Wilson school PTA was begun this week by Claire Dever, Elenore Whipple and Mary Kale who will give audiometric tests to every child in the first, fourth and seventh grades and to all new students and to those referred by their teachers. The committee has completed the vision screening program and notices to parents whose children are in need of further eye examinations are in the mail.

Parents Of A Son

Bud and Mary Klint are the parents of an 8 pound 11 ounce son born October 28 in Resurrection hospital. Robert Allen has 2 older sisters, Patty and Kathy.

Friends and neighbors extend sympathy to Nancy and Jack Dalton, 1321 N. Illinois, who were called east to attend the funeral services of Nancy's father, Stanwood A. Morrill, which were held in New York City. Burial was in Boston.

Roberta Altman celebrated her eighth birthday with a party at her home at 1114 Yale. Those who attended were Karen, Peter and Christine Forsberg, Robert Gunnison, Carol Williams, Patty Klint, Leslie Bewley, Donna O'Brien, Gayle Grom, Patty Van de Merkt and Nancy and Kathy Altman.

Two cars transported Virginia Terrace girls to the birthday party of Judy Ladney in Elmhurst. Judy, who recently moved from the Terrace, had as her guests Carol Williams, Patty and Kathy Klint, Patty Van de Merkt, Patricia Cavanaugh, Roberta Altman and Karen Forsberg.

A Halloween party given by Nancy and Cindy Cates included Penny and Susie Barse, Barbara and Patty Courvoiser, Susie and Patty Freil, Gary and Scotty Stephan and Tommy Reed.

A grown-up version of a Halloween party complete with scavenger hunt was given by Leslie and Charlene Bang, 1315 N. Illinois, whose guests were Nancy and Jack Dalton, Addie and John Fairfield and LaRue and Andy Reed. First prize for the best costumes went to the Reeds.

Those invited to Frank Pircher's third birthday party at 1330 N. Illinois, were Tommy Reed, Skipper Bickley, Patty Fairfield, Jeff Kalb and Pat Oberg.

October Vacations

An October vacation in Florida for the Arthur Maylands, 1409 Chicago, included a stopover in St. Petersburg to visit with Arthur's aunt and uncle, Mr. and Mrs. R. P. Leach, a visit to Key West and many tourist attractions throughout the state, with the bulk of the 2-week vacation being spent at the Versailles hotel, Miami Beach. Swimming, deep sea fishing, which yielded a bonito and a red snapper, and an unusual obstacle on the highway in the form of a 5-foot alligator, are among the many memories brought back by Barbara and Arthur.

Carolyn and Bob Menick, 1325 N. Race, have returned from a combination business and pleasure trip to San Francisco, where they visited Stanford university, Fisherman's Wharf, Top of the Mark, rode cable cars and enjoyed all of the things for which the city is so famous. Mrs. Gilbert Grigsby of Chicago, Carolyn's mother, came to stay with the Menick's sons, Ralph and Paul, while they were away. (A

With The Blue Birds

Forest View Bluebirds

The group had its Halloween party, which included a bean bag game, breaking balloons and ringing the bottle. After songs there was a clap thanks to the mothers for supplying the refreshments of cake, ice cream, candy and soft drinks. The girls then tried on the masks they had made from paper bags.

Bluebelles

The girls elected new officers and then made masks and nut cups for their Halloween party next week.

Helping Pixies

Plans were made for the Halloween party to be held the following week. The girls made nut cups and decorated the room and the table. Linda Larsen was hostess for the day.

Blue Feathers

The Blue Feathers made nut cups and decorations for the Halloween party they are having for their families next Sunday. They hope to have 37 guests at their party.

Minnehaha Bluebirds

The highlight of the meeting was a skit presented by the 6 losers of last week's scavenger hunt. After playing a game outside, the girls worked on their scrapbooks and discussed plans for a Halloween party. Susan Harding was hostess for the day. (A

Condemnation Suits Filed By District

Condemnation suits to obtain land in Elk Grove and Northfield townships were filed in Circuit court Tuesday by the Forest Preserve district.

A suit against Fred and Alma Bartels seeks to condemn 97.65 acres in Elk Grove township. Legal description of the property given in the suit places it as the west half of the southeast quarter of the southwest fractional one-fourth of the township. The property is north of Higgins rd. and east of Rohlwing rd.

* * *

THE OTHER SUIT seeks to acquire by condemnation 2 irregular parcels of property owned by Russell "Buzzy" Miller and Mary Miller. The parcels are west of Skokie rd. and south of Dundee rd. in Northfield township.

THAT SOLID COUPLE, Judy Holliday and Paul Douglas, are the stars of "The Solid Gold Cadillac," based on the comedy hit that stopped traffic on Broadway for two years. It starts Sunday at the Catlow Theatre in Barrington.

Top Offices Filled In Arlington Camp Fire Association

Offices of district chairman and co-chairman of Arlington Heights Camp Fire Girls association were filled recently at the regular monthly meeting. Mrs. Robert Nicol took over the chairmanship duties vacated by Mrs. Louis M. Schomburg, who will now act as Camp Fire consultant for Arlington Heights district. The area now boasts 11 groups, 1 camp fire group and 10 bluebird groups.

Due to pressing duties in many organizations, Mrs. Paul G. Crommelin has resigned as co-chairman of the association and her duties will be assumed by Mrs. Charles W. Johnson. Both Mrs. Nicol and Mrs. Johnson are co-leaders of fourth grade bluebird groups, and successfully headed the district day camp program this summer. Mrs. Schomburg and Mrs. Crommelin will continue as leaders of their present bluebird groups.

Other officers of the association retaining their present positions are Mrs. Howard Pollitz, corresponding secretary; Mrs. George Hawkins, recording secretary and Mrs. Dale Kasi, treasurer. Newly-appointed committee chairmen are Mrs. Edmund Mears, bluebird publicity; Mrs. Charles Ross, Camp Fire publicity; Mrs. Eugene H. Loughrin Jr., librarian; Mrs. Donald W. Knutsen, membership and Mrs. George Sidor, courtesy. General election of officers will be held next May.

Monthly meetings of the district association are held the second Tuesday of each month at Faith Lutheran church at 9 a.m. Anyone interested in the leadership and program planning of this fast-growing youth organization is invited. (A

Girl Scout News

Troop 26

Members of troop 26 will help mothers as baby sitters on election day. Girls are seventh graders and live in the Scarsdale area. Mothers interested in this service are asked to call Mrs. Tad Wake at CLearbrook 3-5586 or Mrs. P. G. Duff at CLearbrook 3-4348.

Troop 8

Mrs. Hugh Robinson, troop leader, reports that members of troop 8 started the season with a coke and record party followed by a cook out at Salt Creek. October 26 members stayed all night at "Three Oaks" Girl Scout cabin. The girls have also sold a short-horned steer that they have cared for since February. The steer weighed 450 pounds when they bought it and was nearly 900 pounds when they sold it.

Troop 256

A Halloween and baby shower party for Mrs. Robert Hay, brownie leader of troop 256 for 3 years, will be given by members of the troop. The party will include games and refreshments.

Father-Daughter Banquet

The father and daughter banquet October 25 was reported a huge success with 199 persons attending. Mrs. E. F. Frantz of Wheeling led the singing and Mrs. Gustav Staahl brought the Hansel and Gretel players who presented a play, "The Sad Little Echo." The Harmonettes from Arlington Heights high school, led by Mrs. Leick, were also a part of the program. Mrs. Charles Marhardt was program chairman and Mrs. George Arndt was ticket chairman. (A

ARLINGTON GREENS

Dance

The 50 or more couples who attended the Greens 'Surprise' dance at Hartmann House pronounced it a success. The surprise was that everyone had to appear in the clothes they were wearing when the tickets were delivered. The result was that people appeared in all types of outfits. There were girls in dusters with their hair in pin curls, one fellow came in barefeet, a window washer in jeans brought his bucket and rags and a girl in a Jewel Tea uniform.

Parties

Dorothy and Dick Braun, 700 Clarendon, had a Halloween party Saturday night in their basement. Arriving in costume were Junius and Shirley Zolp, Florence and Warren Horner, Pat and Paul Miresse, Twila and Chuck Eichelkraut, Don and Pauline McNamara, Don and Jean Kahley of Evanston, Edward Johnson and Janice Schimka of Des Plaines.

The cub scouts of den 2 held a Halloween party in lieu of their regular meeting Monday night at the home of their den mother, Sally Stout, 620 E. Clarendon dr. Each boy brought 2 guests, which brought the number attending to 15 boys, who gathered in the basement for pantomime games and refreshments of individual pumpkin pies, candy and orange drinks. Prize for the most unusual costume went to Fred Parker, who appeared as a giraffe. Second prize was given to Bob Lantz, dressed as a lady, and third to Billy Moore, an old fashioned bartender.

Susan Mueller, 639 Clarendon, was 8 years old October 30 and celebrated with a party Saturday, Oct. 27 in the afternoon. Thirteen children from the neighborhood enjoyed games, ice cream and cake.

Kathy Braun, 700 Clarendon, celebrated her sixth birthday Friday with an afternoon party for Danny Gorey, Ken and Cathy McNamara, Pamie Hembd, Pammy Miresse, Sandra Meunsch and Harry Williamson.

Visitors

Mr. and Mrs. Cyrus Dash, the parents of Maryn Johnson, 815 Olive st., arrived October 17 from Turlock, Cal. for a visit. They made the 2400-mile drive in 4 days.

Dave and Marge Bartlett, 1217 Hickory, made a combined business and vacation trip to Florida with their 2 boys, David and Paul. They left October 20 for St. Augustine and Daytona Beach. The boys were most impressed by their tour through the fort at St. Augustine. The Bartletts arrived home October 28.

Bridge

The 3 top scores in the Greens bridge are Jean and Gary Waffle, 4680; Martha and John Mundell, 4240; Lois and Carl Anderson, 3520.

The Olive Street Birthday club met at Gloria Gildemeister's house at 615 Olive in honor of Jill Kaye October 22. Present were Bette Johnson, Alice Nelson, Pat Peterson, Kay Boehm, Martha Lees and Terry Lynch. (A

Home Again

Mr. and Mrs. Robert Kummerow, 1009 N. Douglas, are home from their 3-week vacation. They went to Pheonix, Ariz. first, where they visited a brother and his wife, Mr. and Mrs. David Williams, then to Guaymas, N. M., where they swam and went deep sea fishing. Mr. Kummerow, caught a 28 pound rooster fish. The Kummerows and Williams together caught anywhere from 80 to 100 pounds of fish. They also took in the Grand Canyon before returning home.

Miss Susie Bibb, 946 N. Haddow, spent 2 days visiting her grandmother, Mrs. Elizabeth Spohr in St. Louis, Mo.

The parents of Mr. and Mrs. Melvin Van Sky, 926 N. Douglas, have been visiting them for the past week, and have left for their home in Gordon, Wis.

Judy Johns, 1017 N. Douglas, attended a Halloween party Saturday at the home of Susan Miller in Stonegate.

Mrs. Erwin C. Hofer, 913 N. Douglas, was hostess for a toy demonstration. Twelve people were present and refreshments were served later. Mrs. Hofer was also hostess for a koffee klatsch last week, encouraging neighbors to attend the meetings of the Arlington Terrace Home Owners Association. Eight women were there and refreshments were served after the discussion.

Halloween Parties

Couples from Hickory ave. attended a Halloween party Friday night at the home of Mr. and Mrs. Ray Kunstman, 906 N. Hickory. All wore costumes and Leon Nolte was given first prize for the best costume. Those attending were Mr. and Mrs. Ray Kunstman, Mr. and Mrs. Roy Anderson, Mr. and Mrs. Marvin Emmrich, Mr. and Mrs. Albert Gamenthaler, Mr. and Mrs. Everett Lund, and Mr. and Mrs. Leon Nolte. Games were played and refreshments served.

Mrs. Glen Schoeneck, 1006 N. Beverly, gave a surprise birthday party for her husband, Glen, Friday night. Those invited were Mr. and Mrs. William B. Main, Mr. and Mrs. Richard Dean and Mr. and Mrs. Anthony Kaminski. Refreshments were served while playing mixer games and food was served later. (A

JUDGING WAS based on orginality, quality of drawing and over-all attractiveness.

Members of the Arlington Heights Woman's club acted as judges. For the 7th grade paintings, they were: Mrs. Charles E. Hess, Mrs. Frederic G. Suhr and Mrs. Weir C. Swanson. Mrs. R. E. Drechsel, Mrs. Hugh Hoym and Mrs. Max Hershey judged the 8th grade entries.

St. John Youth Fellowship Plans Busy Weekend

The afternoon and evening of Sunday, Nov. 4, will be action-packed for the Youth Fellowship of St. John church, Arlington Heights.

At 3 p. m., the youth rally of the Arlington Heights region of Evangelical and Reformed churches will begin at Long Grove Community church. In addition to a worship service fellowship and refreshments and a business meeting with election of officers, there will be a talk by the Rev. Hugo Leinberger on "Operations—Expanding Horizons."

Rev. Leinberger, a former naval chaplain, is a graduate of Elmhurst college and Union Theological seminary. He is now associate pastor of Flossmoor Community church from which position he is transferring to become director of church extension and urban church strategy for the North Illinois synod of his denomination.

In the evening the Youth Fellowship will be going to the eighth annual interdenominational youth service sponsored by the United Christian Youth Fellowship in cooperation with the Chicago Sunday Evening club at Orchestra hall, 216 S. Michigan, Chicago. Dr. Elton Trueblood, until 1955 chief of religious news, U. S. Information agency, will speak on "God's Call to Seekers." There will also be a dramatic presentation by Chicagoland Young People, "Here I Am, What Next?" The service can be seen over WTTW-Channel 11.

Interest in the service is high because one of the youth counsellars of the local St. John Youth Fellowship, Richard Wildberger, is also counselor to the UCYF responsible for the service.

All young people interested in going are urged to contact the president of St. John Youth Fellowship, Warren Smith, CL 3-5181.

Scout Breakfast

Sunday, Nov. 4, the St. James cub scouts, boy scouts and explorer scouts will hold their annual pancake breakfast in the school cafeteria. Tickets may be purchased from any of the scouts as well as in front of the church. (A

Four Hurt In Palatine Rd. Culvert Crash Sunday A.M.

Four northwest suburbanites were injured, 1 seriously, Sunday morning when their car crashed headlong into a culvert, apparently in an attempt to avoid an auto which turned left as they were passing it along Palatine rd.

George W. Meyer of Des Plaines is in Sherman hospital with serious injuries, said his nephew, Walter Meyer, of 113 S. Highland, Arlington Heights. Walter Meyer, also a passenger in the auto, was discharged from the hospital Monday after treatment for facial cuts.

* * *

TWO OTHER occupants of the George Meyer car injured were Robert Meyer, of 18 W. Chicago, Palatine, fractured wrist, a son; and William Walters of Des Plaines, fractured jaw, a son-in-law of George Meyer. Both are still in Sherman hospital.

Driver of the other car was Edward R. Pluta of Chicago. He received only facial cuts and was not hospitalized.

An ambulance attendant who arrived at the scene a few minutes after the accident said that apparently the Meyer car was forced into the culvert when Pluta, not seeing the car about to pass, suddenly turned left onto Roberts rd.

* * *

MONDAY'S EARLY morning fog caused another accident, this one near the intersection of routes 53 and 58.

A tractor-trailer owned by the Celli Trucking co. of Melrose Park rammed into the back of a truck owned by Groth Packing co. of Postville, Iowa. The packing truck, carrying 20,000 lbs of frozen turkeys, was only slightly damaged.

The motor of the Celli truck burst into flames and the tractor was destroyed. A trailer loaded with gravel was pulled out of danger.

Neither driver was seriously injured. (AF

Domestic, Snob Cats Both Honored In Feline Week

It's Cat Week time again!

Cat Week '56 will be observed domestically and abroad beginning with Sunday, November 4. The event, outstandingly non-commercial, is sponsored annually and copyrighted by The American Feline Society, the world's largest cat organization.

The Society, operating through 153 member societies, spread from Massachusetts to Hawaii and from British Columbia to Costa Rica, as well as 54 field volunteers in that many areas, enjoys a membership in all 48 states and territories plus 17 foreign countries

Unique among charities, the society pays no salaries or even expenses to anyone, anywhere, for any purpose whatsoever. It does not now and never has employed professional fundraisers. Thus, the members' and/or contributors' charity dollars accrue in full to the society and its great work.

* * *

THE CAT, ranking second as a pet, also plays an important part health-wise and economically in our present-day civilization. Public health authorities and the food growing, storaging and processing industries give great credit to the lowly American shorthair or common variety in the role of rodent insurance. Child psychologists laud the animal as an ideal pet. In teaching the child responsibility toward a living creature, wholly dependent for food and care, studies indicate definitely a deterrent against juvenile delinquency.

America's cat population of 21,000,000 has remained fairly constant over the years, due to a number of "balance of nature" factors. These include official and unofficial willful destruction; the fur and apparel industries and research laboratories requirements. Approximately 50 per cent or 10½ millions of our cats are without owner-care, feeding and protection, which demands the society's attention, performing its innumerable services, gratis and in an everincreasing volume. Being a charity and not a chamber of commerce, it does not concern itself with the promoting of cat shows, registering the fancy (approximately 4 per cent of all cats are in this category) or any other commercial aspects of catdom.

* *

THIS ALTRUISTIC work merits the participation by membership and gift of those who are interested in the protection of God's lesser creatures. To meet the society's modest 1957 budget of $25,000, people of good will, the society hopes, will respond whole-heartedly. (Sp

260 School Employees Dine On Prime Ribs

"Appreciation" was the theme Tuesday evening when 260 employees of Arlington Heights public elementary schools gathered at the Junior high school for a dinner of prime ribs.

They were guests of the board of education, who donned aprons and chefs' caps to take the place of cafeteria personnel in serving the guests. Board wives contributed the table decorations and spent the afternoon arranging the decor of the room for this annual affair. Mrs. Evans, cafeteria manager, was responsible for the menu planning and preparation of the food.

In addressing the group, Victor Bedingfield, president of the board, expressed the appreciation of the board for the untiring and devoted efforts of the school staff on behalf of the children of the district.

Other board members included James E. Wood, secretary. Richard L. Johnston, Lambert W. Bredehoft, Joseph E. Lohr, William F. Hannum and Roger J. Burke. (A

Wayside Women To Hear Fr. Sullivan Talk On 'Why Read?'

Rev. Raymond Sullivan, of St. Theresa parish, Palatine, will be guest speaker at the November 8 meeting of Our Lady of the Wayside Catholic Womans club, Arlington Heights.

After a short business meeting at 8:30 p.m., Mrs. Russell E. Gilmore, president, will introduce Fr. Sullivan whose topic will be "Why Read?"

Following this appropriate program, the library and literature committee will open the annual book fair, offering a wide selection of books for the entire family. It is the wish of Mrs. Robert A. Bradle, chairman, to "bring into the home, the habit of reading good literature."

The fair will continue on 3 later Sundays, November 11, 25 and December 9 and will be held in the parish hall after all masses.

Tea hostess for the November 8 meeting is Mrs. John Garrity. (A

AGGREGATE (adjective); combined in one sum. "The aggregate number could not be ascertained."

IRRATIONAL; contrary to reason; absurd. "His irrational suggestions were not considered."

DOGMATIC; characterized by positive assertion. "His speech was dogmatic, but also convincing."

PEREGRINATION; a traveling or going about; a wandering. "During my peregrinationsI have seen some wonderful things."

Q. Is it necessary that a pallbearer at a funeral wear a black suit?

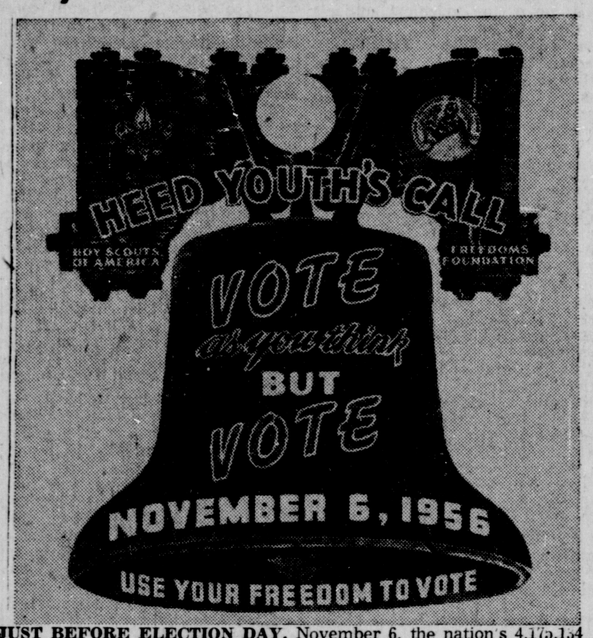
A. No; any dark business suit is appropriate.

Q. What is the correct way to address a letter to a friend whose husband has recently passed away?

A. The same as always — "Mrs. Frank W. Harrison."

THE ROUND-THE-WORLD journey in the new Cinerama adventure "Seven Wonders of the World" starts in Ghizah, Egypt, site of the last remaining of the Ancient Seven Wonders of the World, the Pyramid of Cheops. Lowell Thomas stands before the neighboring Sphinx. With the Pyramid it is the oldest man-made construction existing today. The noted commentator serves as a guide for this modern odyssey. "Seven Wonders of the World" as seen through the eyes of Cinerama will open at the Palace Theatre, Chicago, Wednesday, December 12.

Boy Scouts to Visit 35 Million Homes



JUST BEFORE ELECTION DAY, November 6, the nation's 4,175,134 Cub Scouts, Boy Scouts, Explorers, and their leaders will place on the doorknobs of 35,000,000 homes Liberty Bell hangers, shown above, urging every citizen to vote. The Scouts' "Get-Out-the-Vote" campaign is being conducted in cooperation with Freedoms Foundation of Valley Force. It is entirely non-partisan, without reference to any candidate or party.

Modern Etiquette

by ROBERTA LEE

Q. Isn't it good manners to comment on the food served by your hostess?

A. Don't be too profuse about it. A brief word of praise may be spoken to the hostess for a particularly attractive or delicious dish. To thank your hostess profusely for the food implies that you came solely to eat. It is not necessary to be extravagant in praise of any social favor; in fact, it is ill-bred.

Q. When a married woman is traveling alone, should she sign her name on the hotel register as "Marian S. Summers?"

A. No. She should use her husband's name and sign as "Mrs. Robert L. Summers."

Q. In the double-ring marriage ceremony, does the bridegroom purchase both rings?

A. No; he buys his bride's ring, and she buys his ring.

Q. Should a married woman, whether her husband is living or deceased, always be addressed socially as Mrs. William T. Anderson?

A. Socially, Mrs. Mary Anderson is in extremely bad taste for both a wife and a widow. In business or a profession, "Mrs. Mary" is usually unavoidable, but she should never be so addressed in social life.

Q. Is it correct to have a monogram engraved on the envelope of social stationery?

A. No; the monogram should be engraved only on the note paper.

Q. Is it all right to have nicknames engraved on personal calling cards?

A. No.

Q. When you are going to have a large number of guests at a bridal shower, is it all right to stipulate "linen" to some of them, "kitchen" to others, and perhaps "lingerie" to others?

No; it is best just to call it a "bridal shower," and allow the guests to choose what they please.

Q. Should hard cheese and pickles be eaten with the fingers or fork?

A. Hard cheese is eaten with the fingers. Small whole pickles may be eaten with the fingers. Mixed pickles are usually eaten with the fork.

Q. When a girl is introducing the man to whom she is engaged, should she speak of him as her fiance?

A. Yes.

Q. Is it always necessary that a chaperon be a married woman?

A. No; any woman of mature years may serve in this capacity.

Q. Is it proper for a divorcee, marrying a man who has never been previously married, to wear a bridal dress and veil?

A. This is out of the question for any but a maiden bride. The divorcee may, however, properly wear an all-white dress and hat, and she may have an attendant and a floral decoration of the chancel.

Bedtime Snacks Advised For Sleeping Trees

Fall is the time to feed your sleepy giants before they settle down for the long winter nap.

These giants are trees and they nee da good meal to tide them over the frigid months ahead.

Fall feeding is an beneficial as spring feeding because it supplies the nourishment that can be stored over winter.

While the rest of the tree appears bare and inactive, underground roots continue growing after leaves have fallen, so long as soil temperatures remain warm enough. This growth often lasts into December points out M. J. Hooper, field representative of the Davey Tree Expert Co. Active roots can transmit food to the tree, where nitrogen and other food ingredients are stored in soluble form in the wood.

The growing season just past was a good one because most sections of the country had abundant rainfall through spring and summer. But the lush growth probably depleted the soil's store of food elements even faster than usual. And the plentiful rains washed out much of the nitrate nitrogen so essential to tree vigor. Restoring these elements will help assure the tree vigorous growth early in spring.

For all these reasons arboreal giants need bedtime meals of balanced tree food high in nitrogn content. (DL

Public School Band To Give First Concert Of 1956-57 Season

The 90-piece band of Arlington Heights public elementary schools will give their first concert of the year November 1 at 8 p.m. in the Junior high school gymnasium.

The band is an integral part of the school's program of music instruction, and this year 22 children are from the fourth and fifth grades, and the additional 68 are junior high school students.

The band, under the direction of Harold Brunt, has progressed rapidly since the opening of school. They are planning to include marches, waltzes, hymns, "pop" numbers, and folk songs among their selections.

Soloists for the evening will be as follows: Nancy Ervo, oboe; Wayne Thompson, bassoon; Sonia Ervo, flute; Phillip Craig, french horn; Ricky Wollermann, trumpet; Mark Stites, bass clarinet and James Bliss, clarinet.

Tickets for the concert are available from band members, or at the school offices. Proceeds will be used to purchase additional instruments for the band. (A

Northwest Hospital Plans Shown To Area Physicians

Basic plans for the Northwest Community Hospital Center were presented by the architects, Skidmore, Owings & Merrill, to doctors of the area and the hospital's building committee at a meeting in the Arlington Heights vilage hall Sunday.

Plans were in the form of area diagrams denoting the amount of space to be allocated to each of the hospital's functions and departments without regard to specific shape or layout of the building.

* * *

BASIC UNITS were presented to represent areas for a hospital of 100 beds, followed by additional units illustrating the addition of space for a total of 300 beds.

A general discussion followed in which doctors offered opinions and suggestions modifying the architects presentation in the light of their professional experience and the particular demands of this area. The architects will now incorporate these suggestions in their floor plans which will be presented at a later date.

* * *

ROSS GARRETT, hospital consultant, announced that floor plans will be posted in each of the village halls of the area for further study and modification by the medical profession, after which another meeting of the doctors will be called to review the plans.

Cards Have Chance For .500 Season Saturday At Riverside

KICKIN' IT AROUND

by Bob Paddock

WEST SUBURBAN conference has at least 3 representatives at Yale this year, including Arlington's Dick Winterbauer, currently No. 2 quarterback, and John Pendexter of LaGrange, who already has 1 TD to his credit. Dick has kicked several conversions. Dave Brant, former Arlington football and wrestling star, is a member of Davenport college football squad at Yale, representing one of the residential groups at the school.

The intercollege athletic plan at Yale provides competition for upperclassmen at various levels of competition throughout the year with intercollege competition involving a total of 15 different sports. Dave is a junior, is awaiting first call for the varsity wrestling team at Yale, and is a member of Beta Theta Phi social fraternity. He's majoring in chemistry.

ARLINGTON'S GRID FORTUNES took a turn for the better Tuesday morning with the announcement that Leyden was forfeiting all of its games, due to use of a 20-year-old player. James Doss turned 20 in July of this year, and was ineligible for athletics in spite of his just starting his senior year.

Leyden tied Arlington in the opening game this fall. Thus, the Cardinals will gain a victory, while Leyden has to give up 5 wins and the tie.

The Heights eleven, thus, now owns a 3-4 record instead of 2-4-1. If the locals can win over Riverside-Brookfield this Saturday afternoon they'll have a .500 year, not a bad record after losing so many veterans from a team that finished second in the league in '55.

FORMER TEAMMATES at Alliance, Ohio, high school will be opposing quarterbacks Saturday when Illinois invades Purdue for a key Big Ten encounter. Coach Ray Eliot has promoted sophomore Bill Offenbecher to Illinois' first-team signal-calling assignment on basis of his outstanding work against Michigan State, and this weekend he opposes his predecessor as Alliance quarterback, Purdue's All-American candidate, Lenny Dawson.

Offenbecher made a tremendous contribution to the 20-13 win over the nation's number one team last Saturday. He provided the leadership which Illini have lacked through early portion of the season, and an attack which had been plagued by mistakes moved into high gear against as formidable a team as Illinois will face this year.

Offenbecher was named "Illini of the Week" for his performance, but he shared plaudits with senior halfback Abe Woodson, who strengthened his bid for All-American recognition. Woodson scored all Illinois touchdowns, 2 on long runs in the fourth quarter.

MIKE FARROH, athletic director at Elgin, is pounding the drum for coaches of this area to attend the basketball rules interpretation meeting there Monday night, Nov. 12, with Milt Sprunger from the state office scheduled to lead the discussion. The series of 19 different meetings throughout the state are annual affairs sponsored by the state office. Only other meetings in this area are scheduled from the LaSalle hotel in Chicago Nov. 8 and at Waukegan Nov. 14.

The average fan probably won't notice the rules changes too much, but here are a few that will be explained by Sprunger at Elgin:

(1) The rubber or composition covered ball, if approved by the National Federation, is legal in every respect. If provided by the home team, visitors may not object. (2) On a jump, the ball becomes alive when it leaves the official's hand. The clock, however, does not start until the ball is legally tapped. (3) If a technical foul occurs before the jump to start any period, the period is started by administering the penalty. (4) Players during a free throw and non-jumpers during a jump ball may not have either foot across the plane of the restraining lines. (5) A throw-in may not be made from directly behind the basket. (6) On a free throw, the first two alleys on each side of the lane must be occupied by opponents of the free thrower. (7) The rule against goal tending now applies to the offense as well as the defense. (8) It is a technical foul if a player grasps the basket ring or net.

THE BEARDED MEN of House of David, opponents for Globetrotters at Fenton Monday, Nov. 5, have George Anderson as player-coach, which brings back memories of the last time the long-beards played in Bensenville . . . It was 1941 with the House of David putting on a fine performance, and Anderson scoring 19 baskets . . . Lake Park will be host to a 4-school "beginners tournament" in wrestling Dec. 8 with Fenton, Lake Park, Elmwood Park and Naperville vying for honors . . . It will be the first year of grappling for both Bensenville and Medinah schools.

Lake Park colors will be navy blue and white, ever since the students voted to officially adopt those colors in an election last week . . . Teams still do not have a name.

Three backfield men were unable to play for Lake Park against Palatine JV's Saturday, including Jim Wiley with torn knee ligaments, Dick Jordan with bursitis, and Art Ramm with a shoulder separation . . . All but Wiley are expected to be in shape for Notre Dame Saturday, however . . . On the freshman football squad at Ripon is Dave Miller of Arlington, with the team blanking Stevens Point 21-0 Saturday to avenge the only defeat the Ripon squad has suffered the past 4 seasons.

What better name for the dial exchange for Hinsdale high school (and the town) than FAculty 3? . . . Then if you want to call the Nike center north of Palatine there's GEneral 8.

Hinsdale currently holds No. 8 spot in prep ratings and Maine No. 24 . . . Barrington rates No. 22 . . . In the wake of Woodson's runs against Michigan State Saturday, 1 newspaper hailed him as "a new Abe from Illinois" . . . Critics had splashed "Goodbye Ray" all over the sidewalk in front of Illini coach Ray Eliot's fraternity house prior to the State game, but new letters spelled "Brother Ray Is Here To Stay" Saturday night . . . One Evanston high school homecoming balloon was found 500 miles away in London, Ontario.

★ ★ ★

GEORGE HALAS has often said a football player doesn't reach his peak until he's 24 years old . . . That may be 1 of the reasons for Michigan State's outstanding record . . . State's starting line averages 21, compared to Illini 19.5 years . . . It took youth Saturday, however . . . Globetrotters now operate 3 separate units, though 2 have currently combined and will be seen in action at Fenton high gym Monday night, Nov. 5 . . . Russia, by the way, has agreed to the Trotters playing behind the Iron Curtain next year.

Abe Saperstein has picked an all-time basketball team of George Mikan at center, Nat Holman, Hank Luisetti and Chuck Hyatt at forwards, and John Thompson, Bobby McDermott and Bob Cousy at the guards.

Arlington's Jim Summers is second string halfback at Bradley, where freshmen can play varsity ball . . . Here are a few basketball predictions on the college front, through courtesy of summertime Paddock sports writer Bob Frisk, now hitting the books at Illinois: One of the top sophomores at Iowa State who might crack the starting five is Ron Baukol of Downers Grove.

Joe Lawlor, a letter winner at DePauw and LaGrange grad, will again be a starting guard at DePauw . . . Lawlor led the team in shooting percentage last season with .397.

At Northern Illinois Craig Oberst of Barrington should help the club when he regains his eligibility . . . The 6-2 starting guard for Kansas State will be Roy DeWitz of Barrington . . . DeWitz scored 147 points as a soph . . . LaGrange's Chuck Sedgwick will be the starting guard at Bradley and York's Bill Zersen will be one of the leading candidates for the air force academy's basketball team when football is over.

Heights Gains Win Over Leyden; Needs One More

Arlington's football Cardinals to Riverside Saturday afternoon to ring down the curtain on another season with a chance at a .500 season in the offing. Forfeit of the tie game with Leyden brought an extra victory to the Cards and brings the varsity record up to 3-4.

Riverside is no pushover. The R-B team has 2 of the better backs in the league in Rosicky at quarter and Steinhaus at full, pluus a big line. Bench strength is about the same as Arlington, but R-B has a passing attack that's always deadly, and could hold the key in this final contest for both schools. Arlington's defensive lineup could make the difference.

* * *

THE TACKLING was improved for Heights in the Glenbard game, though lack of enough speed still hurts on both offense and defense. Capt. Dan Vittum played an outstanding defensive game, with Ed Schumacher and Ashley Haase doing a creditable job of ball carrying.

Only expected change in the lineup is possibility of sophomore Don Gerken starting at right tackle.

* * *

THE FROSH-SOPHS also have the chance to near a .500 season Saturday by whipping Riverside. The locals topped Glenbard 20-6 with a team finally at full strength working together and doing a good job. Biggest obstacles in the young Cardinals path, though, will be Schreiber and Turek, a couple of outstanding runners. If Coach Bill Beckman's charges can stop this duo, that 3-4 season league mark will be possible.

Al Sander played his usual reliable, consistent game against Glenbard. Bruce Richmond played a fine defensive game in the middle of the line with Bob O'Neil showing some good running. Both defensive and offensive lines showed well. (Sp

Kusek 5th In District Cross Country Meet

Palatine's little cross country star, Dan Kusek, placed 5th in the district competition at Maine township high school Saturday morning to qualify to run in the state meet at Champaign this coming Saturday. Ronald Vonesh of Leyden, a sophomore, was the individual winner, running the 1.8 mile course in 9:16.4. Second was Ken Peterson of Proviso, third Ned Elliot of New Trier and fourth was Tom Whitmore of Evanston. Kusek of Palatine who is a 125 pound 5'5" junior, ran the course in 9:22. He has been a consistent winner in dual meets this fall.

Arlington did not get any of the first 5 individual places but was fourth among 14 schools in the team standings. Palatine tied with Oak Park for 8th place.

Team scores were Proviso 59, Leyden 86, New Trier 87, Arlington Heights 99, Maine 116, Evanston 117, Niles 218, Palatine and Oak Park 244, Waukegan 263, Highland Park 298, Glenbrook 350, North Chicago 370, and Elmwood Park 421.

Fine point winners for Arlington were Ken Courter 12th, Bob Taggart 16th, Alan Hutchinson 18th, Ron Marks 22nd and John Anderson 31st. It was the best district finish in history for Heights. Final meet for the Card thinclads was scheduled for Wednesday of this week with Riverside-Brookfield. The team had a 7-4 record as of Tuesday. (Sp

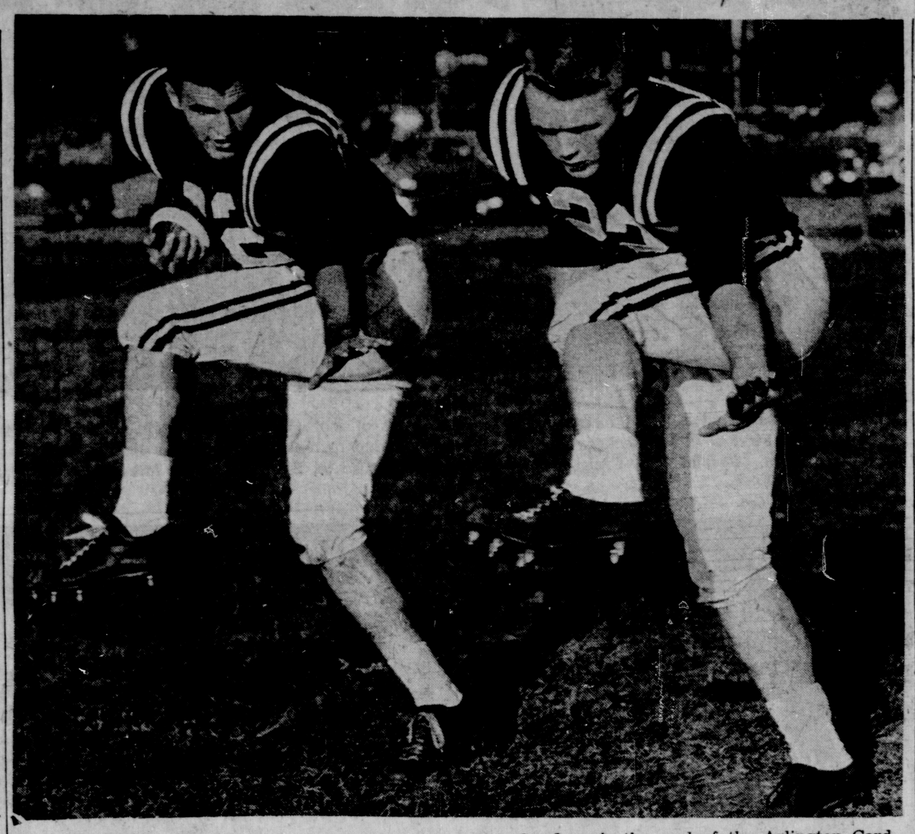
St. James Golf Dinner Nov. 10

The annual awards dinner of the St. James Holy Name golf league will be held this year at the Mt. Prospect country club Saturday, November 10. Trophies to winning teams will be awarded as will other prizes covering events of the season just ended.

Members who have not already done so should make dinner reservations with Dave Shaughnessy at CLearbrook 3-4755. (Sping



SIDESTEPPING THE OPPOSITION, yet meeting them head-on, is the goal of the Arlington Cardinals this year, with the Heights eleven having a chance at a .500 season. Victory Saturday afternoon at Riverside, coupled with that forfeit of the earlier tie with Leyden, would give Coach "Bus" Ormsbee's boys a 4-4 year. 4th Quarter Push Gives Glenbard Arlington Win

Glenbard scored 2 touchdowns in the first 3 and a half minutes of the final quarter to sew up a 26-13 victory over Arlington's Cardinals last Friday night at Arlington Heights. Dave Obrecht personally accounted for 3 of the winners' tallies and added an extra point for a total of 19 points for the evening.

The Cardinals had played a pretty even first half, going to the intermission locker room trailing 7-6. Arlington had a net yardage of 139 compared to Glenbard's 138 during the first half of play.

* * *

BOTH TEAMS scored in the third quarter and for a while it looked as if the game might be decided by Arlington's failure to convert after their first touchdown. However it took the visitors less than two minutes in the fourth quarter to forge into a 19-13 lead.

The insurance tally came on a disputed play. Weber's punt bounced around on the Glenbard 26 yard line after being handled by an Arlington player. The Cardinal defenders, assuming that the ball was dead, stood in awe as Obrecht picked up the pigskin and raced towards the goal line until one awakened Redbird pulled him down on the 9 yard stripe. It took Glenbard only one more play to rack up its fourth six-pointer.

* * *

BOTH TEAMS had had opportunities to score in the first quarter but failed to do so. The Cards were within the Glenbard 25 on two occasions during the first 12 minutes, and the visitors blew a scoring chance after recovering an Arlington fumble on the first play from scrimmage on the 10 yard line.

Bill Biederman climaxed an 84 yard march with Glenbards first score, the touchdown coming on a quarterback keeper play. Obrecht made it 7-0 with his plunge for the PAT.

With Ashley Haase doing most of the work, the Redbirds retaliated with a 57 yard drive which ended with the clock showing only 39 seconds to play in the first half. Dennis Thill went over for the touchdown on a sneak. Weber's kick was no good and the half ended 7-6 Glenbard.

* * *

ARLINGTON'S defense halted a Glenbard opening drive which had carried some 58 yards to the losers' 8 yard line. The locals took over on downs but promptly handed the ball back to Glenbard on a fumble. Two plays later Obrecht rounded end from the 16 yard line, carrying Glenbards second TD under his arm.

"Bus" Ormsbee's boys bounced right back, traveling 61 yards in only five plays. Haase, Arlington standout for the night, stepped off the final 37 yards of the drive and Jack Weber's conversion made it 14-13 Glenbard, with only 1:17 left in the third quarter.

* * *

THE VISITORS took over at that point and walked off the field with their fifth victory in 7 starts. Arlington has now won 2, lost 4, and tied 1. Both teams end the season this weekend.

Arlington Frosh Maul Glenbard

Arlington's freshman gridders clicked Monday, passing, running and blocking, and soundly whipped Glenbard, in the process, 32-7.

Downfield blocking was the highlight of the contest, with Coach Curtis Larsen's backfield racking up many long gains as a result. Chief of these was an 85 yard dash by Bob Leekley for a TD behind beautiful blocking. Bob had several other outstanding runs, too, thanks to cutting back and making use of his blockers.

* * *

GEORGE BORK completed 10 of 14 passes at quarterback, including 2 TD tosses, plunged across for 2 touchdowns, and passed for 1 conversion. But it was the team effort that made most of this possible, bringing smiles to fans and coaches.

* * *

THE VICTORY was the final contest for the Heights yearlings, giving Arlington a point advantage of 125-78 over opponents. The squad had a 5-2 record for the year. This week 13 frosh moved up to the frosh-soph team for a week of workouts and a chance for a couple of them to make the trip to Riverside for the preliminary game Saturday.

Arlington started fast against Glenbard, scoring its first TD the fourth play after the kickoff. A lateral from Bork to Dick Johnston to Leekley covered 50 yards and set the locals on the 3. Bork plunged across on a sneak, but attempted conversion was missed.

* * *

A PASS from Bork to Massa for a 55 yard gain and the second touchdown was next with LaPata plunging for the conversion. Another toss, Bork to Massa, in the end zone from 25 yards out brought the third Heights score in the second frame.

Bork tossed one to Johnson in the fourth quarter good for 35 yards to the 5 with Bork eventually going across from the 1. Final TD for the locals was the double reverse and the 85 yard run by Leekley.

Glenbard then tallied its only score on a 70 yard dash on the kickoff with the conversion good.

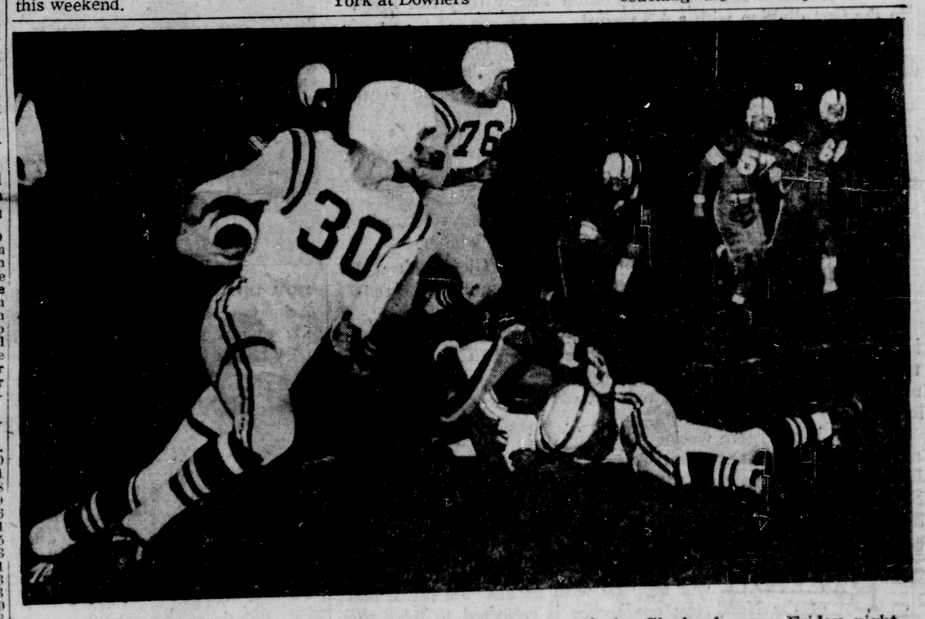
Wrestlers To Report Sometime Next Week

Anxious wrestling candidates at Arlington high school are awaiting available lockers as soon as football season is over.

Final game of the grid season is slated for Riverside Saturday afternoon, with Coach Dick Mudge expecting to have candidates for wrestling report sometime next week, as soon as all grid equipment is turned in and lockers are empty.

Mudge will lead the varsity again this year with Maurice Klotz coaching the frosh-sophs.



HOWIE BERG carried the ball for Arlington at this moment of the Glenbard game Friday night, but it wasn't enough as the Cardinals lost, 26-23. Also shown for Arlington is Jim Hoffman (76). Seen for Glenbard are Dick Swallow (61) being blocked out of the play, Lee Jess (57) and Pat McCaffrey (64). —Staff photo

Card Frosh-Sophs Whop Glenbard

Arlington's frosh-soph football team ended a long fast last Friday night when they knocked off Glenbard 20-6. The locals, finally in shape after numerous injuries, had a net yardage total of 273 while holding the visitors to a 114 total.

Jeff Heintz and Al Sander were individual standouts for the winners. Heintz threw two beautiful passes which could have helped the varsity considerably. Sander turned in his usual fine ground game, shaking loose for two runs of 54 and 45 yards, respectively.

* * *

IT WAS A team victory however, as the Birdie defense held Glenbard to only 73 yards on the ground and 7 first downs. An oddity of the game was that the locals, although relinquishing the ball twice on fumbles, were never forced to punt.

Arlington opened the scoring in the first quarter after recovering a Glenbard fumble on the Glenbard 37. Heintz' 20 yard dash to the 2 set up the score, Heintz doing the honors on a sneak. Weisenbach's place kick was good.

* * *

A 96 YARD march in the 2nd quarter ended on the Glenbard 2 on downs. The half ended with the score still 7-0 Arlington.

The young Birds took the open-(Sping kickoff in the 2nd half and traveled 55 yards in five plays. Sander's 44 yard gallop was instrumental in the scoring. Morris plunged over from the 3 to make it 13-0.

* * *

BOTH TEAMS scored in the final stanza. Two Bobs collaberated for the Arlington score, Bob O'Neill returned a punt to the Glenbard 3, a trip of 42 yards, and Bob Barbour went over from there. Weisenbach's kick made it 20-0.

Glenbard took to the air for its score. Quarterback Inglis hit his ends, Griffith and Thompson, with passes of 26, 13, and 10 yards respectively. The touchdown was scored by Chandler on a plunge from three yards out. The try for the extra point was no good, and Arlington ate up the remaining minute and 50 seconds of playing time. (Sp

LITTLE DAN KUSEK of Palatine is an example of what practice and perseverance will do to bring success. Kusek Saturday placed 5th in the state district cross country run and represents Palatine in the state meet this coming Saturday. Physically handicapped for sports by small size, standing only 5' 5" and weighing 110, Kusek has in 2 years of high school sports developed speed and endurance to the point that he was the winner in nearly all his cross country tests this fall at the start of his junior year.

Dan Kusek

Kusek wrestled on the varsity squad the past two seasons at 95 pounds and at 103 and this year is expected to be one of the stars of the team. Cross country, wrestling, and track are important sports in the high school program in many respects and one of the most important is the possibilities presented to the boy who may not have the physical attributes of some of his classmates.

★ ★ ★

GLENBROOK BACKED INTO an undisputed championship Saturday as Wauconda beat Grayslake, 13-7. This left the Spartans one and one-half games in front with one tilt remaining with Grant, a loser in 4 of 6 starts. Glenbrook extended their string to 25 in a row without a defeat and should easily complete their third straight unbeaten season Friday night, running their string to 26 in a row. Walter Sherman has done an outstanding job at Glenbrook this year when his material was green and had to be developed as the season progressed.

The improvement following the tie game with Grayslake has been most rapid with the Spartans averaging close to 40 points a game.

Among the good teams Glenbrook has fielded the past 3 years we have seen no better running back than Howard Rosley, a lineman Sherman converted into a full back. Rosley is a fullback who can really hit the line and once through he has open field ability to match the best we have seen in recent years in the conference.

A Barrington versus Glenbrook game at the close of the season would sure be a natural but, of course, cannot happen.

Our observation is that Glenbrook has a better line from tackle to tackle, Barrington has a better backfield. We think Barrington would have a slight edge in such a game because the Bronchos have the better ends.

★ ★ ★

BEFORE THE SEASON started we picked Glenbrook to win the championship with Wauconda and Antioch tied for second and Grayslake fourth. We picked Fenton and Ela to fight for fifth and Grant and Palatine to compete for seventh. Right now Glenbrook is first, Antioch is second, and Wauconda and Grayslake tied for third. In the second division the two pairs of teams are just reversed with Palatine fifth and Grant 6th while Ela and Fenton hold the 2 bottom positions.

If Palatine can beat Ela-Vernon Friday they can finish in the first division with a 4-3 record.

If Antioch beats Wauconda they would be forced below the Pirates who would take fourth with Grayslake taking third with a victory over Fenton. Should Palatine win and Fenton beat Grayslake the Pirates could finish third.

★ ★ ★

NORTH CHICAGO is the logical school to stop Glenbrook's winning streak once the schools start the operation of the new Tri-County league next fall. North Chicago has a strong team this year with many good boys returning. Their soph team this year has been a consistent winner.

Next fall due to scheduling difficulties Glenbrook will have to meet North Chicago in the opening game of the season and this might well decide the championship.

Coach Walter Sherman points to Elmwood Park as a comer in football on the basis of their freshman team. Glenbrook has the best freshman squad in the history of their school and was unbeaten until last week when they took on Elmwood Park and lost 19-0.

There is one more weekend of football in the suburban area and Evanston who beat New Trier is unbeaten in the Suburban league as is Hinsdale in the west Suburban, Thornton in the South Suburban, Elgin in the Big Eight, Barrington in the North Suburban, and Glenbrook in the Northwest. All these schools except Barrington are defending champs from 1955.

★ ★ ★

BASKETBALL will soon be with us and the north end of the Northwest conference is expected to have the strength this year with Antioch, Grant, and Grayslake rated top prospects. Locally the first game on the schedule which should bring a big turnout of fans will be the night before Thanksgiving when Arlington comes to Palatine to meet the Pirates, who will be under a new coach, John Fabri.

Palatine won only 2 games last season, is not expected to cut much of a figure this year, but has only one way to go, upward in the standings for the Pirates hit the low point in 25 years last season.

THE CARDINALS had a lot of instruction in fundamentals of football tossed at them in midget grid program of Arlington Heights park district. THE LIONS WERE AGAIN one of the teams in Arlington Heights park district midget football program, gaining a lot of knowledge of fundamentals of football in the process. Glenbrook Blanks Palatine, 38-0

Glenbrook made it 25 games in a row without defeat Friday night as it outclassed Palatine 38-0 to clinch its third championship in a row in the Northwest Conference. The Spartans left little doubt of their right to win the championship as they outcharged and outran the Pirates to score two touchdowns a quarter until the second team took over in the fourth period. Palatine failed to make a first down against the regular Spartan line which rates as the best Palatine has faced this year.

Palatine threatened in the last quarter against Glenbrook reserves when Bob Nordin ran for 16 and Dick Wisner passed 39 yards to Jordan Danforth for 39 yards to make it first down on the Glenbrook 15. Palatine completed only this one pass in 14 attempts and all of their five first downs came in the final period. On the other hand Glenbrook had 13 runs from scrimmage of from 11 to 53 yards and completed seven of 12 passes for 101 yards. The Spartans piled up 304 yards rushing.

★ ★ ★

HOWARD ROSLEY was the star of the game scoring 3 touchdowns on runs of 16, 26 and 53 yards and kicking two extra points for 20 points and a league total of 68 in six games. Glenbrook's first TD came on a 70 yard march which took only five plays with a 24 yard run by Tom Brown preceding a 26 yard touchdown dash by Rosley. A little later Glenbrook recovered a fumble on the Palafourth play Gordon Lind ran tine 31 yard stripe and on the around Palatine's right end 26 yards for another touchdown.

At the start of the second period Glenbrook moved 59 yards in five plays for a third score with the last three being passes for 16, 32, and seven yards. Lind caught a pass from Rinella in the end zone for his second touchdown of the game. Just before the half Rosley ran 16 yards to make the count at the intermission 25-0 after he had set up the score with an 18 yard sprint.

★ ★ ★

IN THE THIRD period Glenbrook scored on a 3 yard plunge by Tom Brown after the Spartans recovered a fumble by Dick Wisner on the Palatine 19. Glenbrook traveled 65 yards in two plays for another touchdown. A 12 yard pass to Bohn made it first down on the Glenbrook 47. From this point Rosley was tackled five times and slipped away each time to eventually travel 53 yards for the touchdown. (Sp

Trotters To Face House Of David At Fenton Monday

Basketball fans will be treated to an evening of fun and skill Monday night in Fenton high school gym, Bensenville, when the Globetrotters meet the House of David in a gala show sponsored by the Bison Booster club.

Trotters will provide their usual game of skill and crowd-pleasing fun, with additional acts scheduled for halftime. Game time is 8 p.m. with admission set at $1.75 for for adults, and 90 cents for students.

ROOKIE BROWN heads the star-studded cast for the Trotters. He's the one who played the lead in the Globetrotters recent film, which played at theaters throughout the country. He stands 6-2 and weighs 185.

Also named to the lineup is Wallie Choice, 6-4 Indiana star; Willie Cerf, 6-6 Drake U. grad; Andy Shepard, 6-4 Michigan State Normal alum; and Willy Thomas, 6-4 forward from Nashville State U.

★ ★ ★

IF IT TAKES height to win ball games, the House of David will be no slouch. Bob Moroski is a 6-7 center, who has Jerry Schumacher, 6-5 Carthage alum; U. of Miami's Jim Keller at 6-5; and Travis Barker, also standing 6-5 ready to help. Then there's two 6-3 men, Don Ramulis and Ed Greicius.

At any rate the tall boys will be on hand, beards and all, Monday night to face the Trotters. Halftime acts to entertain the fans include the Carlells wild west lassoers; Ted Bourne and Bob Anderson, table tennis duo; Don Philips, unicyclist; and Mike Pickering, juggling artist. (Sp

Palatine Has Chance For 4-3 Record For Year

Palatine Pirates will close the 1956 football season Friday night before the home fans when they take on 7th place Ela-Vernon. The dope sheet calls for Palatine to take this final game with the Ela Bears and finish with a 4-3 league record good enough to take fourth place in the final standings. If this happens it will mean that the Palatine boys have won just about twice the number of games expected of them.

Next season was to be a top one for Palatine with 1956 just a building year for a green squad. That the team has made a much better showing than expected is a tribute to good coaching and a fine spirit among the boys on the varsity squad.

★ ★ ★

ELA-VERNON has other ideas concerning Friday's game. The Bears got their first taste of Northwest conference victory last Saturday when they beat Grant, 20-13. They are looking forward to salvaging a poor season with a victory over the Pirates which would give them two wins, four losses, and one tie. Ela-Vernon has a coach who always seems to bring his team up for a strong finish.

Ela has the least material of any of the conference schools this year but has a few real good boys who would like nothing better than to close their grid careers with a victory over the neighboring rival Palatine.

Overcoat Time

The dog who lives outdoors all or most of the time grows a heavier coat in the fall. But he can't grow a good coat if he isn't fed properly and kept free of parasites, both internal and external. He also needs winter care. Make certain that his outdoor dog house is draft-proof and water-proof and well supplied with deep bedding so he can make a snug nest on cold nights. Have his house protected from chilling winds. Rheumatism and lowered resistance that make him prey to even more serious ailments come from ramshackle dog houses that are low to the ground so that dampness comes in from the floor and drafts from cracks and open fronts. It is easy to add insulation to a dog house and your dog will appreciate it winter and summer. Providing they have a snug shelter, regular exercise and an adequate diet, fortified with fat, shorthaired dogs as well as longhaired dogs will manage nicely outdoors all winter. The only exceptions, perhaps, are the miniature toy breeds.

Dogs which are kept indoors practically all the time don't have a chance to get outfitted by Mother Nature with a heavy coat and they need just as much attention as far as winter care is concerned. Overheated rooms dry the hair and cause excessive shedding. So does lack of exercise. The house pet should be kept moving when he's taken out. Don't let him stand around and shiver. Dog sweaters and blankets are advisable for the smaller, smooth-haired breeds to prevent the hazards of the sudden change of temperature from heat to cold. Dogs recovering from an illness should always wear a blanket when taken out on cold days.

Various degrees of shedding can be expected with most breeds during the fall when the dead hairs of the summer coat fall out. Some dogs shed twice a year, others seem to shed a little almost continuously. Excessive shedding may indicate some ailment or an incorrect diet or parasitic trouble. Dogs must have a balanced diet in order to get the nutrients they need for good health. And good health is reflected in the coat.

Car Doors vs Youngsters

Your editor's wife recently acted as a good Samaritan in a situation which has no doubt taken place many times with dog owners and will probably take place a number of times in the future.

It involves having small children in a car along with a dog and perhaps parking the car while mother shops and permitting the youngsters to stay in the car with the dog. Without intending to do so the youngsters will sometimes open the door or roll down the window, giving the dog a chance to get out of the car without the grown-ups knowing about it.
it was a small pup which had eith-

In the case of your editor's wife, regardless, gotten out of the car or tumbled out of the window or, by some means or another. The pup was found by Mrs. Terrill wandering around a number of parked cars in a main shopping area, and it was quite obvious from the collar and the fact that it was a purebred dog, it belonged to someone in the immediate area and was not a stray. She waited for a period of time and checked with car owners in the vicinity until the owner finally arrived to claim the pup. However, it would seem that the moral to the story is, if you have small children and dogs in the car, make sure that you have some method or means of keeping all of them in one spot or it might result in either an injured dog or for that matter a seriously injured child.

Next President

Our national election, which will take place this coming Tuesday, Nov. 6, has 2 candidates which are equally as good so far as our dogs are concerned. Bot of the candidates, Messrs. Eisenhower and Stevenson, have been dog owners from way back. Each of them has professed a fondness for a dog as a family pet. It, therefore, would seem that no matter which one is elected to the office, our dogs would take a very unbiased view point on the whole matter. A little research on the subject indicates that to date 23 of the occupants of the White House have had dogs.

NU Hopes Homecoming Can Upset Ohio State

Northwestern's hard bitten Wildcats will be called upon for one of their major efforts of the season when they face Ohio State's power laden Buckeyes in Saturday's homecoming encounter at Dyche stadium.

The Buckeyes, unbeaten in Big Ten play, will be bent on setting a new conference record for consecutive victories, having tied the existing mark of 15 straight in defeating Wisconsin last week.

Northwestern, on the other hand, will be gunning for its first homecoming victory in 4 years and its first win over the Buckeyes since 1948. Ohio State has won the last 7 games to widen its lead in the series to 23 victories to 9 for the Purple. One game ended in a tie.

* * *

BIGGEST PROBLEM confronting the Wildcats is attempting to bolster a defense that was vulnerable to both running and passing against the Hoosiers who rolled up 327 yards, 151 on the ground and 176 in the air.

The Buckeyes are powered by a rugged line that averages 212 pounds and a crushing ground attack built around a trio of hard hitting halfbacks Don Clark and Jim Roseboro and fullback Galen Cisco, all of whom boast better than 6 yard averages per carry.

Northwestern's hopes are bound up in Bobbie McKeiver, small but mighty halfback, who has been a standout on both offense and defense all season. A nose injury suffered in the closing stages of the Indiana game is not expected to keep him out of action Saturday.

* * *

HALFBACK ABE Woodson, key man in Illinois' 20-13 upset of Michigan State, is well ahead in five-game statistics for rushing, pass catching and scoring. The Chicago (Austin) senior scored all 3 touchdowns against the Spartans, the winning six-pointer coming on a fourth quarter, 82-yard screen pass.

Barks and Bays

Drive-in banking by car has nothing on residents of Anchorage, Alaska. During the months when there is snow on the ground the First National Bank of Anchorage has a drive-in window where you can bank by dog sled. (Sp

Woodson has gained 488 yards in five games, an average of 97.6 per game, and 6.1 yards per carry. His pass receiving total of ten catches for 242 yards is more than twice that of any other Illinois player. And, as Coach Ray Eliot's top punter, Woodson has averaged 38.1 yards in 24 kicks.

* * *

DALE SMITH, sophomore from Georgetown, still has the best rushing average, 7.1 yards per carry. Smith also played an outstanding game against the Spartans, gaining 81 yards.

Passing statistics reflect Illinois' quarterback problem. Senior Hiles Stout has passed for the most yards (272), but sophomore Bill Offenbecher's one completion for 82 yards can't be overlooked. That was the screen pass to Woodson.

In team figures, the Illini have made more first downs, more total yardage, completed more passes, and run more plays. Most other figures are comparatively close, except yards penalized, which shows the opposition being punished for 314 yards, to 238 for Illinois. (Sp

Heights JV's Lose

Arlington JV gridders lost to Glenbard Monday, 24-0. Chicago Cardinals To Face Eagles

Chicago Cardinals will present a double feature Sunday in Comiskey Park with the Cards playing the Philadelphia Eagles at 1:05 p.m. and the Notre Dame marching band of 115 pieces presenting their extravaganza, entitled "My Fair Lady," between the halves of the football game.

The Cards, who suffered their first loss of the 1956 season, a 17-14 surprise by the Washington Redskins last Sunday, will be after their fifth victory when they meet the Eagles. The 2 clubs each have one ex-Notre Dame star on their roster — the Cards with defensive tackle Tony Pasquesi and the Eagles having fullback Don Schaefer who has won a starting berth in his freshman season.

Coach Ray Richards will have his starting backfield of Quarterback Lamar McHan, halfbacks Ollie Matson and Dave Mann and fullback Johnny Olszewski ready for the Eagles game. (Sp

Ela-Vernon Cops 1st League Win At Grant

Ela-Vernon won its first North west game of the season Saturday by taking Grant into camp 20-13 in a game in which the winning touchdown was scored in the final minute of play. A 22 yard pass from Norm Nehmer to Frank Keough broke the tie for Ela.

Chuck Gilman scored for Ela Vernon in the first quarter on a 4 yard plunge and Norm Jesse converted but Grant tied it up when Pete Kennel, line backing center, picked up an Ela fumble and galloped 40 yards to score. Don Klein converted.

In the third period both teams again scored. Norman Nehmer ran the second half kick off all the way back 85 yards. Bill Rasmussen took a 16 yard pass from Ron Madden to tie the score for Grant. Ela had a 7-5 edge on first downs. Ela won the frosh soph preliminary 25-0.

WAUCONDA PUT UP a good defense Saturday to stop Grayslake and Bill Weinberg tossed 2 touchdown passes to whip favored Grayslake. A 28 yard pass from Weinberg to Ron Smith and an end run conversion by Jim Longfield gave Wauconda a first quarter lead of 7-4. Grayslake tied it up in the second period by recovering a fumble on the Wauconda 11 yard line and going on to score on a 2 yard plunge by Pete Hebert. Dave Goshgarian converted.

Wauconda's judgment in moving Jim Longfield up to the varsity from the soph team was justified as the rangy sophomore caught a 12 yard pass from Weinberg for the winning touchdown in the third quarter. The victory moved Wauconda into a tie for third place with defeated Grayslake while Antioch took over second in the league standings. (Sp

Travelers Defeat Delavan

Elmhurst Travelers moved back to the win side of the ledger by a 13-7 score Sunday afternoon. The game was played on the Delavan high school field in Delavan, Wis.

Elmhurst lost the toss and Delavan elected to receive. They were forced to kick and neither team was able to move the ball with any consistency.

* * *

IN THE SECOND quarter Dave Radford, Traveler All-league tackle, intercepted a Delavan pass and raced 70 yards for the first score of the game. Grady kicked the extra point. Later in the quarter the Travelers drove to the Delavan 4 yard line, only to lose the ball on downs as the half ended.

Delavan kicked to Elmhurst to start the second half and Bradley returned the kickoff to his own 35 yard line. After making 2 first downs the Travelers were forced to kick. Delavan ran it back to the Elmhurst 20 yard line.

* * *

FINE DEFENSIVE play made it possible for the Travelers to take over on their own 24-yard line. A fine pass from Grady to Busch gained 40 yards but a 15-yard penalty on the next series of downs forced them to kick, the ball going out of bounds on Delavan's 10 yard line. Tom Jankers promptly intercepted a Delavan pass and gave the Travelers possession of the ball on Delavan's 19 yard line.

Miller picked up 4 yards and after an incomplete pass Grady passed to Miller in the end zone. McRoes try for the extra point failed.

* * *

DELAVAN came back in the fourth quarter to score their only touchdown on a nice pass from Johnnie Vance to LaVerne Bradford who scampered the last 10 yards over the goal line. Lazzeroni kicked the extra point. Score Travelers 13, Delavan 7.

Elmhurst controlled the ball for most of the quarter and when Delavan did finally get it, the Traveler line drove them backwards with little Al Klaeren, Traveler defensive right end dumping Delavan backs for 35 yards in losses on 3 successive plays as the game ended.

THE TRAVELERS looked sharper both offensively and defensively than in their 2 previous games and in view of the fact that Delavan was a much improved team this victory boosted the moral of both the team and Traveler fans, who still have hopes of catching the league leading Racine Raiders.

Next Sunday will be a day of rest for the Travelers and it will give them a chance to heal up some of their injuries which have been plagueing them for the last 3 games.

On November 11 they will meet Milwaukee on the York high field at 2 p.m. (Sp

News Of Prospect Meadows

nittee consisting of chairman ris Pelletier, Peggy Orlowski, Kay Wilson, Pat Riley, Rita Durec, Erma Ehlke and Joyce Ruther, who worked hard to make a success of the Meadows annual fall dance at Old Orchard country club Saturday night. An evening of games, prizes and dancing to Russ Newman's orchestra was enjoyed by 111 people. John Wrath won first prize for his bartender costume, Ruth Larson took second prize for her costume of an Indian squaw, complete with papoose. Third place was a tie between Joyce Hoglund as an Indian squaw with papoose and Jim Waldron as a prospector. Lost items may be picked up at Old Orchard.

Prospect Meadows Home Owners Association Women's auxiliary held its meeting Thursday night. There were 65 people present, including several men who turned out to hear Mr. Gerard, an engineer with the Metropolitan Sanitary District of Greater Chicago, who gave more information on the proposed sanitary district for the Meadows. He showed an interesting movie about the sanitary district and an informative question and answer period followed.

The women voted to buy a mimeograph machine for carrying on the monthly bulletin and the numerous flyers for special occasions as Mr. Birchmans will no longer be able to do these.

A committee was formed to make plans for Santa Claus annual pre-Christmas visit to the children of the Meadows. Volunteers for this project were Pat Wrath, Fern Waldron and Carol Wilkens.

A social hour and refreshments followed the business meeting.

Last Wednesday afternoon Marge Murdock, Millie Webber and Vi Toner welcomed 2 new families to the Meadows. They were:

Dick and Jean Jeatran and their 2 children, Mary, 3 years old, and Tommy, 14 months old, at 415 Larkdale. Dick and Jean moved here from Duluth, Minn., and he works for Travelers Insurance Co.

Tom and Pat McIntry and their children, Randy, 10, Gregory, 8, Tommy, 5 and Leslie, 2. They are from the north side of Chicago and Tom works for the telephone company in Chicago.

Saturday morning a team composed of Billy Burt, Keith Ballard, Tom Seymour, Ray Roth and Bill Cody won a hard fought 7 to 6 victory over Jay Chaiser, Bruce Blim, Ken Johnson, Ricky Johnson and Dick Moeller.

Billy Burt ran 10 yards for the tieing touchdown and then added the winning extra point with less than a minute to play.

Jay Chaiser was outstanding for the losers running 99 yards for their only touchdown.

Friday night the cub scouts held their monthly pack meeting at North school. Den 12 assisted with the induction ceremonies. All the boys from den 12 and their parents were present. The following boys from den 12 received badges: Richard Moeller, a bear silver arrow; Ricky Hehnen, a wolf silver arrow; Tom Hemesath, a bear gold arrow; Bob Orlowski, a wolf badge.

Neil Wells and Ray Roth were inducted into den 13 at the ceremonies and Jay Chaiser received his wolf badge. The boys brought and showed the puppets and puppet stages made during the month. Den mothers for the cub scouts are needed. Anyone interested is asked to contact Pearl Moeller.

The intermediate troop of girl scouts met Saturday morning for a bicycle hike and cookout to dam 2 woods. The girls there to enjoy the outing were Ellen Kay Edwards, Judy Soduski, Andrea Splithoff, Diane Klein, Marilyn and Peggy Murdock, Joanne Hehnen, Linda and Terri Larson, Chairolet Talo, Marie Robotkay and Christine Weehrheim. Accompanying the girls were Bob and Arlette Klein, Joyce Ruther, Kay Weehrheim, Dick Soduski and Herb and Dolores Wadle. Mr. Gutzmer loaned the girls his truck for the trip home.

Saturday Jo Nolan, Gladys Egetemein, Helen Lang, Adele Joyce, Edna Roth and Marge Schnoeder, all members of a bridge club, enjoyed a luncheon at the Supper Club.

Guests of Bob and Jo Nolan Saturday night for the dance were Bob and Dolores Baechle, Charlie and Edna Campbell, Dick and Vessil Powers and Marlene Haugland and Jim Smith.

Friends and neighbors of Jane Harland are sorry to hear that she is back in the hospital. Cards will be welcomed by her at the Army Research hospital in Chicago.

Chuck and Joan Krone of Bensenville and Ed and Audrey Smith of Des Plaines were guests of Hank and Peggy Orlowski at the dance Saturday night.

Hank and Peggy Orlowski and their children were guests for dinner Sunday at the home of Mr. and Mrs. Wikarski in Rolling Meadows.

Before the dance Saturday night Wayne and Carol Wilkens entertained Cal and Gloria Campbell, Jack and Chris Pelletier, Jim and Evelyn Cummins and Bill and Pat Riley.

A before the dance cocktail was given by Gail and Millie Webber at their home. Guests were Chuck and Rita Durec, John and Pat Wrath, Stan and Ruby Polly, Art and Kay Sepke, Bert and Joyce Ruther, Irv and Vi Manda, Bill and Marge Murdock, Howie and Jean Kamps, Glen and Erma Ehlke, George and Lorraine Nightingalee, Skeets and Joyce Hoglund, Joe and Gert Derning and Jack and Joan McKey.

Jennifer Johnson, Daughter of Bert and Dorothy Johnson, celebrated her birthday Sunday with a dinner. There to help her celebrate were Bert's parents, Mr. and Mrs. Otto Johnson of Chicago, Paul Johnson of Wheaton and Bo Hoglund from Sweden.

Patty Riley celebrated her fifth birthday Sunday with a Halloween party. There were 65 people present. From the Meadows were Marilee Nancy and Barbara Heinz, Jane Wrath, Rosane and Renee Robotkay, Dwight Norris, Diane Campbell, Billy and Jimmy Wilkens, Linda Braxeau, Carol Waldron, Marie Vosburgh and Rusann Seymour for an afternoon of games and refreshments. The guests from Chicago had a birthday supper after the children's party.

Weekend guests at the home of Bert and Joyce Ruther were George and Lorraine Nightingale of Valparaiso, Ind.

Susie Finch joined her girl scout troop from Arlington Saturday for a hike and cook-out at Camp Pine. Susie was in charge of the refreshments for the outing.

Bob and Rita Chaiser joined Ed and Lill Kunz iat their home Saturday night before the dance.

Enjoying cocktails before the dance Saturday night at Bill and Lill Kneller's were Andy and Kay Bischoff, Dick and Dolly Soduski, Herb and Dolores Wadle, Bob and Arlette Klein and Barney and Marie Stanke.

Art and Kay Sepke enjoyed a visit Sunday afternoon from Mr. and Mrs. Jim McBride of Evanston.

Herb and Dolores Wadle were dinner guests Saturday night at the home of Dick and Dolly Soduski.

Chuck and Lorrie Braxeau entertained Mr. and Mrs. Sabitt of Prospect Heights Saturday night.

Condolences to the Incinelli family on the death of Ann's father, George Kemps, last Thursday.

Bill ad Lill Kneller and Bill and Lill Forest gave a surprise party for Lill Kneller's father, William Forest, at his home in Elmhurst October 26. It was a double celebration for his birthday and his engagement to Agnes Gailis. Enjoying the evening were Betty and Sam Morrison, Buffalo, N. Y.; Bill and Eunice Black, Sterling, Ill.; Jim and Beth Ward, Aurora; Sue and Ed Simmon, Milwaukee; Pam and Jack Barton, St. Charles; Landy and Mildred Taylor, Cadillac, Mich.; Chuck and Carol Chester, Winnetka, and Frank and Helen Morrison from Oak Park.

Marge Murdock enjoyed a few hours visit Monday afternoon from her father, Paul Brunner of Cleveland, Ohio.

Mr. and Mrs. Scott moved to Englewood, Fla., Sunday. Neighbors were sorry to see them leave the Meadows. Their new address is Englewood, Fla.

Mrs. Leichsenring left Sunday with the Scotts to visit her brother in Florida.

Thursday evening Mrs. Little gave a farewell party for Mrs. Scott. Guests were Ruth Middleton, Kay Bischoff, Dorothy Splithoff, Mrs. Leichsenring, Elaine Thude, Jinny Jenkins, Pearl Moeller and Millie Webber. They presented Mrs. Scott with an electric clock.

4-H Youth Meets Young Farm Student From India

by C. V. FORT

Tuesday, Oct. 22, I had the opportunity of meeting Kumar Jadeja. He is an International Farm Youth Exchange student who ended his 2-week visit here in Cook county October 27.

Kumar spoke at the 4-H Federation joint meeting in La Grange Thursday night October 25. We questioned Jadeja about the agriculture, economic and industry of India.

He is a typical Indian farmer and has been farming 60 acres of land for 8 years. He first started farming at the end of British rule in India which was in 1947.

Jadeja's father owned 250 acres and had tenants during the British rule but when India won its freedom land was divided among the people.

Jadeja is 29 years of age and married. There is one son in his family. Jadeja has two brothers, one older and one younger. The older brother is in the movie business in Bombay and the younger brother goes to school in a military academy.

THE ANNUAL rainfall in India is from 10 to 500 inches. The temperature ranges from 30 to 115 degrees. There are 265 million people there. The average farm size is 10 acres.

On his farm, Kumar raises wheat, rice, sorghum and peanuts. The only mechanical machinery he has is a water pump for irrigation of his farm land. The oxen or water buffalo is the beast of burden.

Land is hard to buy there because of sentimental values. When land sells it has brought as much as $500 per acre in our money.

THE PEOPLE eat unbalanced diets made up mostly of vegetables. Most of them do not eat meat. The reason for this is a sentimental value placed on their beasts of burden.

Elementary education is compulsory for children between 6-14 years of age. The people have the opportunity to go to college the same as Americans. Salary for teachers is about $50 per month. The children know many languages but usually four. Kumar stated that it would be nice if they could have one language and do as much with one as the American does.

The India government is democratic. Kumar is vice president of his village government and a member of the agricultural extension board. Their organized farm group is called Young Farmers association. They are making gains in the same direction as our extension service.

WHAT WAS most interesting to him here in America? He said the people.

When asked about the future of his son, Kumar expressed wanting a college education for the lad and having the boy choose whatever he wants to do.

He highly recommends the IFYE program because it helps to create an understanding between countries. (Fm

Meet November 1-2

The 26th annual convention of the Illinois State Vegetable Growers' association will be held November 1 and 2 at Southern Illinois university, Carbondale.

All vegetable growers and other interested persons are invited to attend any or all of the 2-day session.

Leading off the Thursday morning program will be a report on the outlook for the early tomato industry by Joe Vandemark, horticulturist from Purdue university. Other discussions include a report on new pepper varieties for Illinois by A. E. Thompson, University of Illinois vegetable crops breeder, and results of vegetable variety tests and mulching studies at Carbondale by W. T. Andrew of Southern Illinois university.

THE THURSDAY afternoon program will be devoted to experiences of marketing organizations. This part of the convention will have special appeal for vegetable growers who are interested in starting group marketing associations for their crops.

The annual banquet on Thursday evening will feature Joseph S. Shelly, executive secretary of the Vegetable Growers' Association of America, Washington, D. C. He will report on the activities of the association "Along the Potomac."

FRIDAY meetings will cover reports on nitrogen application, disease and insect control, and farm labor. On Friday afternoon a panel of university specialists will be prepared to answer questions on disease, insects and other special problems of vegetable growers.

Future Homes 4-H

Future Homes 4-H club met October 26 at Sherry De Palma's home for a Halloween costume party.

Noellene Heimsoth was a visitor at the party. Refreshments were served. (4-H

Up And Doing 4-H

The organization meeting of the Up and Doing 4-H club of Elk Grove was held recently at the home of Sandy and Merrilee Moehling. All mothers were invited. New leaders, Mrs. Mary Moehling and Mrs. Ruth Moehling, explained to mothers and new members about 4-H Club work. After the meeting, refreshments were served by the new leaders.

The club recently held its Halloween party at Delores Thon's home. It was combined with a meeting and officers were elected as follows:

Sandra Moehling, president; Charlotte Keller, vice president; Judy Petry, secretary; Cheryll Garlisch, treasurer; Carol Moehling, reporter and Merrilee Moehling, program chairman.

Judy Moehling is junior leader and federation delegate.

Girls in charge of the party were Judy and Sandy Moehling Delores Thon and Judy Petry. They had decorated the recreation room with corn stalks, Indian corn and pumpkins. Judy Moehling told several Halloween stories and it was decided to have a local recognition night. (4-H

4-H Federation

Roy Nickel, newly-elected president of the 4-H Federation called the October 12 meeting of the group to order at 8:15 p.m. New officers were elected and plans were made for a joint meeting of North and South Cook county held October 25 in La Grange.

Erwin Schmidt was elected vice president; Betty Schulze, treasurer and Sandy Humbracht, secretary. Miss Humbracht sent in a resignation of the office and an appointment will be made.

Donations to various organizations were discussed and next meeting of the group will be held at 8 p.m. November 9 in the Farm Bureau basement, Arlington Heights.

At the joint meeting of North and South Cook county, plans were discussed to erect welcoming road signs in Cook county. Membership problems and joint outings were also discussed. A guest speaker from India told of his experiences as an international farm youth exchange student. The exchange extends into many parts of the world and brings youth to America for various periods of time. They live with farm families and learn American farming techniques. (4-H

Craft Day For Elk Grove Home Bureau

Craft day for members of Elk Grove Home Bureau will be held November 7, 10 a.m. to 3 p.m., at the Farm Bureau building, Arlington Heights.

Crafts for the day will be beginners knitting by Mrs. John Mecklingburg and wood craft by Mrs. Pearl Scharringhausen and Mrs. Donald Kastning. Anyone wishing to take wood craft should bring any unfinished wooden item, such as a salad bowl or bread board.

Home Bureau meeting will be November 28 at the home of Mrs. Donald Kastning, Higgins rd.

Wheeling Home Bureau

Wheeling Home Bureau unit will hold a craft class Monday, Nov. 5, at the Farm Bureau building.

Starting at 10 a.m., Mrs. Frank Henry and Mrs. Robert Carter will complete instructions on gift wrappings. Members are asked to bring material they have purchased and the folder given them at the last meeting.

At 1 p.m. Mrs. Frank Fabian and Mrs. Ralph Seeburg will demonstrate dried arrangements.

League Of Women Voters Releases Candidate Canvass

Candidates of both parties running for the Illinois General Assembly from the north suburban area all agree to the need for revamping state laws pertaining to courts, schools and tax assessment, according to a poll released this week by the League of Women Voters.

There is a considerable difference of opinion, however, as to solutions that are needed, the poll reveals.

Surveyed were candidates for the state senate from the fourth district and the sixth legislative district. They were asked to state their stand on 3 key issues and to list their special legislative interest.

The 2 women running for Congress, Democrat Helen Benson Leys and Republican Marguerite Stitt Church, were also queried on their attitude toward present United State foreign policy and their fields of interest in domestic affairs.

* * *

GAINING WIDEST agreement is the plan for judicial reform that failed to get through the assembly in the last session of the legislature. Giving their unqualified endorsement to this plan were Republican senatorial candidate W. Russell Arrington, Republican John W. Carroll and Democrat Harry L. Kinser, both running for the assembly's lower house.

The Democrat opposing Arrington, Jay A. Schiller, favors "court reorganization" without specifically mentioning the same plan, as do Arthur E. Simmons, Republican, and Thomas J. Halpin, Democrat, legislative candidates.

The second question asked by the League was "What are your ideas for improving property assessment practices?"

The answers varied with each man.

* * *

IN A nutshell, they advocate:

Revamping the entire system so taxation would be more "equitably divided" — Schiller.

Adoption of the county assessment supervisor bill — Arrington.

Making an impartial survey of the entire taxing policy — Carroll.

Enforcing the present state equalization faco factor practice so that all property would pay its just share — Simmons.

Appointment of a commission to make an exhaustive study of our tax structure with a view towards equality in tax collections — Halpin.

Adoption of the Blue Ballot revenue article to permit classification of property for taxation — Kinser.

* * *

CANDIDATES also had numerous suggestions for solving the vexing financial problems of school districts. Answers to this question duplicate in the main the candidates' answers to a poll by a local PTA group. An article containing these views is published elsewhere in this issue.

The stands of Mrs. Leys and Mrs. Church differ sharply on the current administration's foreign policy, as could be expected.

Democrat Mrs. Leys states she is most critical of:

1. Bypassing of the United Nations in international disputes and foreign aid programs.
2. Failure to reorganize the foreign service.
3. Lack of clear policy with reference to the Middle East.
4. Paternalistic and legalistic attitude of the Secretary of State.

On the other hand, Republican incumbent Mrs. Church stresses her agreement with:

1. A "realistic approach" to relations with other nations. particularly the underdeveloped countries.
2. The earnest effort to maintain peace.
3. "Wise aid" to assist other nations to develop their own strength.
4. Full meeting of our commitments with nations of the free world.
5. Development of "friendly relationships of mutual understanding" with other nations.

* * *

DOMESTIC legislation which particularly interests Mrs. Church is mainly in the fields of government reorganization, rights of women and children, civil rights and improvement of electoral methods.

Mrs. Leys indicates she would work for federal aid to education, increased personal exemptions when income taxes are cut, and grants in aid for training personnel in the field of juvenile delinquency.

Ann Landers Victims: Are They 'Weak' Religiously?

by LELAND ELLIS TRUXELL

If you ever doubt the almost unbelievable predicaments into which people can get themselves, read Ann Lander's column in the Chicago Sun-Times.

There you will get a laugh or two almost every day, both from the problems presented, and the witty replies of Ann Landers.

* * *

I OFTEN think when I read this column, of the actual number of mixed up love affairs, mother-in-law problems, and boy-girl situations which she must cull through to find the diamonds she presents. It must, at times, be heartbreaking.

Somehow these people she writes about, and the thousands of others which never meet the light of publication, must have missed the boat. Most of them are either overly emotional, or have something wrong with the mechanism of their good judgment.

* * *

READING this column, and then finding here and there in the cheaper magazines and papers advertisements of marriage merchants seeking to unite wistful widows with broken down bachelors, it looks to me that mankind is still toddling through the bewildering wilderness of his own basic emotions.

Uncontrolled, they are still more powerful than the educated part of man's brain, and seem to dictate all of his actions. Man emotes rather than thinks.

I can't help but feel that these people must have been deprived of good early training in the home, or have been the unfortunate victims of parents who have their emotions synchronized withc their mouth and their actions.

* * *

SURELY a good part of them must have been devoid of religious training, or at least the right kind of religious training. Otherwise these things simply would not happen in such large numbers. Of course, religion isn't the whole answer, but it should help. Example and other types of training should be able to produce a better lot of people than these who get into such humerous, yet tragic, jams.

Come to think of it, though, I know some people whom Ann hasn't written up yet. They would make good copy, too, but are wise to keep their "booboos" to themselves.

New Frigidaire Automatic Washers and Electric Clothes Dryers to suit every budget.

Come see them today. Free gift, just for looking!

Certainly no one likes to re-use dirty wash water in the tub! The water's too chilled, the suds are too weak to get the second load clean as the first.

But if you want to SAVE hot water – and who doesn't – here's wonderful news from Frigidaire!

Now you can use spanking-hot fresh water on every load—use fresh detergent every time—and still be gallons ahead of other automatic washers!

In fact—with the new 1957 Frigidaire Automatic Washer—you can save enough hot water to do as many as 10 *extra* loads per month. And on detergent you can save up to 21 good-sized boxes a year.

Why is the Frigidaire Automatic the Savingest Washer Ever Built?

More efficient action! You can see in the picture above the difference in the final rinse water from a Frigidaire. It's sparkling clear and clean! Not only lint but tiniest particles of soap scum, too—are flushed over the tub and down the drain for good—with no film left on clothes. The Frigidaire Float Over Wash and Rinse does it all, with *less* water—and *without* a filter trap to clean.

The Cleanest Wash You've Ever Seen—Without Rubbing

With the new Control Tower you can wash anything that's washable—*automatically*. Frilliest negligees are as safe as heavy work clothes. And you can do 3 loads in the time it takes other leading washers to do two!

The secret is Rub-Free Washing Action, exclusive from Frigidaire. Far faster and more efficient, it has no jerking; flailing blades to wear out clothes in the wash. Water *alone* moves the clothes—super-suds-charged water that whisks out dirt in double-quick time. Every piece is always under water. There's nothing like Frigidaire Rub-Free Action to help you stretch your clothing dollar.

Yes, you save so many ways you'd be smart to get a new Frigidaire Automatic now. Come in and see its amazing features—then get the story of the *savingest* washer ever built.

High School Slates College Night

Representatives of 65 colleges and 10 nursing schools will be at Arlington high school tonight for the annual College night. The program, arranged for juniors and seniors and their parents, will start at 7 p.m.

No trade schools will be represented although they were originally included in the plans. These schools will appear on career night later in the year.

The student council sponsors the night to help upperclassmen choose a college.

* * *

THE AREA near the boys' gym will be used for the program. Visitors are to come to the gym foyer. Locations for the various colleges and nursing schools' representatives will be given on the program.

Each student and his parents will have a chance to visit with 3 or possibly 4 different representatives. The evening will be divided into 7 half-hour shifts. (B7

Sheriff Lohman Sends 11 'Bandits' To The Furnace

Sheriff Joseph D. Lohman's, office recently destroyed 11 slot machines with an estimated value of $8,250, and an assortment of confiscated firearms.

All of the material was thrown into a 150-ton open hearth furnace and melted down for use in the manufacture of farm equipment.

* * *

THE SLOTS were all of the "one-arm" type, and the firearms, confiscated by Sheriff's ranged from pistols to shotguns.

The "fire-armed bandits" represented confiscations in which the arrests have been recently adjudicated by the courts. It is the policy of the Sheriff's Office to destroy all such machines immediately after the arrests have been finalized by the courts.

All monies contained in the machines were out and turned over to the County Treasurer.

* * *

SINCE LOHMAN took office Dec. 6, 1954, his police have confiscated and destroyed illicit gambling equipment presently worth $221,250.

In fact, the gambling raids made by Sheriff's police during this time have made gambling paraphenalia so scarce in Cook county that, according to the Sheriff, "The value of the one-arm bandits to the gambling interests has increased 200 per cent over what it was a year ago."

Lohman declared that "With the type of gambling law enforcement being pursued by the Cook county Sheriff's office, all gambling elements have learned that it is unprofitable to carry on gambling activities in Cook county. This is further substantiated by the fact that federal slot machine stamps issued in Cook county outside of Chicago are at an all-time low."

Community Concert

Young Latvian Pianist Gives Academic Program

by JOHN SCHAFF

A large and appreciative audience was in attendance at the first concert of the Community Concert Association October 21 in Arlington high school auditorium to hear Herman Godes, Latvian pianist, present a studied and academic program of piano literature ranging from the classic the modern, or what might be equally well described as the dissonant school.

* * *

THE ARTIST interspersed a few remarks here and there in his program, beginning with a brief description of Beethoven's Sonata Opus 10, No. 3, which is not often used on recital programs outside the conservatories or before other than the musical hierarchy. The sonata is not representative Beethoven for a concert audience, such as the Devil's Trill sonata, the Pastorale, Pathetique, or many others of equal stature, yet one can imagine the great master giving tremendous power and "lift' to a performance of one of his early works, maybe even with a twinkle in his eye for borrowing the Mozartean trills and embellishments.

An adequate technique sufficed for performance of the Chopin group, perchance if the pedal of a strange or unfamiliar instrument blurred succeeding phrases sometimes beyond recognition. A Chopin nocturne demands a deep sinking into the keys, not only with the fingers but with the soul and spirit as well — in a large hall a few moments extra must be allowed for the music to sink into the hearts of those in the back row. Mr. Godes reached a spark of virtuosity in the counterpoint section of the A flat Ballade. The local school authorities are hastening to have a long needed "voicing" job done on an otherwise adequate instrument for concert performance.

* * *

MR. GODES is quite an interesting young man, anxious to please, sincere in manner, and possessing a rather wide experience for one in the earlier stages of a concert career. The accoustics of the school auditorium are such that a well meant applause from the floor of the house reaches the performer's ears at about 30 per cent of intensity, leaving the artist to think that folks are "sitting on their hands." Perhaps the performers should be advised of de Pachmann's habit of walking to the stage's very edge to take his bow, where he could practically shake hands with those in the front row.

The next concert is scheduled for the old location, in the girls' gymnasium — it will be interesting to hear the reaction of the public who have now been exposed to a season in the large auditorium.

A Direct Line To Springfield

Residents of the 6th District will have a place to write or go to for information on state affairs after his election, declares John W. Carroll, Republican candidate for state representative.

He intends to establish an office in the district as a service to citizens. In addition, he points out, "every newspaper office in the district will, of course, be a direct pipeline to your representatives in the Legislature. Editors know the problems and needs of their areas and make no bones about passing usable ideas and protests on to the people's representatives!"

Decorator's Magic

by
J. V. Boress, Interior Decorator for
WESTGATE HOME FURNISHINGS

The first consideration when you decorate a room, is to study the architectural features. All rooms are basically similar, in that they have 4 walls, a ceiling and a floor, and the proportionate amount of windows and doors. The general proportions of a particular room may be good or bad. Now, even if the room seems empty, an unforseen appearance occurs after painters, paperhangers and carpetlayers have done their work, which will determine the room a success or failure.

In the preparation of the background, which is really the integral part of the composition, we become conscious of creating a balanced arrangement with furniture and accessories. But, since no furniture is arranged in a vacuum, we try in many ways to make the furniture suitable to the room. We disguise, modify and rearrange, even to the extent of correcting architectural defects.

Let us look at the windows. They can be made to look taller, wider, or shorter. Walls can be made less spacious or more spacious either by overdecorating or by simplifying. The height of a ceiling can be made to look higher or lower in much the same manner.

Decorating is composed of 2 basic parts; (1) Instinct, which also entails one's personality and (2) a rather basic set of artistic rules. Many persons will compose a rather charming room and afterward not actually know how they did it. Others use accepted rules successfully by consultation with talented decorators.

When arranging furniture, parallel lines are more restful due to the fact that the eye tends to travel along a straight line. Avoid the confusion and restlessness of broken lines, jumpy and kitty-cornered furniture in a room. It is important that the total amount of furniture is in proper proportion to the size and shape of the room. Next week: COLOR SCHEMES.

CHRISTIAN SCIENCE CHURCHES

Man's real selfhood as the spiritual image and likeness of God, not subject to sin and sickness, will be emphasized at Christian Science services Sunday, November 4.

Scriptural readings in the Lesson-Sermon entitled "Adam and Fallen Man" will include the following (Genesis 1:27): "So God created man in his own image, in the image of God created he him; male and female created he them."

The unchanging perfection of God's man will be brought out in passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (476:28-32): "When speaking of God's children, not the children of men, Jesus said, 'The kingdom of God is within you;' that is, Truth and Love reign in the real man, showing that man in God's image is unfallen and eternal."

It breaks through the vibration barrier
It is swept-wing mastery of motion

SWEPT·WING '57 Dodge

How do you describe a car so daring in concept, so revolutionary in features and advances, so rewarding in beauty and performance?

How do you explain its newness when *everything about it is new?*

On display today is just such a car—the Swept-Wing '57 Dodge that steps you into the wonderful world of Autodynamics.

What is this wonderful world of Autodynamics? *It is a world where everything is new from road to roof to achieve absolute mastery of motion.*

Here's what it does in the Swept-Wing Dodge:

- *It unleashes a hurricane of power* from a thundering new aircraft-type Super Red Ram V-8 engine that's a spitfire in action!
- *It tames a tornado of torque* with a new TorqueFlite Push-Button Drive for the greatest get-away on the road!
- *It breaks through the vibration barrier* with a revolutionary new rubber-mounted suspension system—Dodge Torsion-Aire—that features race car torsion-bars. You ride in a "Realm of Silence," isolated from vibration, noise and road shock.
- *It is swept-wing mastery of motion* in a sleek, low-slung beauty barely 4½ feet high that has no equal in the way it corners, handles and rides.

You have never seen, felt or owned any car that compared with this new Swept-Wing Dodge. See and drive it today . . . now at your Dodge dealer's!

ON DISPLAY TODAY!

LEADER OF MEN

More Powerful Than What the World Has Ever Known

Oh Happiest they of the Human Race to whom our God has given Grace to hear, to fear and to Read and Pray; To lift the latch and force the way. But better had they never been born who shall read to doubt or shall read to scorn.

The Golden Rule

Only what God puts into the hearts and minds and souls of men may last forever. By struggle men shall achieve, not by gift. This is and has been and shall be God's law.

The Servant

I simply claim the intuition of discerning all things in the physical, mental and spiritual life and all things in the material world, including perpetual motion.

And so the finger of God moves on, nor all your pity, nor wit, nor all your tears shall wash out one word of it.

Council of Churches at Evanston, 1954, Christ was there, but he did not have a badge so they would not let him in.

Death

Look into a dead man's eyes and what do you see—nothing but a vacant stare therein where the soul has left the body to be judged by God what you have been on this earth.

Prayer and Oath

Help me, Oh God, I pray, that in thy wisdow thou has given me a man task; help me that I may not prove unworthy before God and my fellow men.

The Miracle

The miracle is one who has brought his soul in touch with God the Father, therefore a mind higher and greater than anyone else, or what anyone has ever thought of; therefore, the people shout a miracle and so God is here.

Religion of today instead of worshipping God, they now worship a series of forms, traditions, idols and images, dollars and cents.

God and man may meet on the street, in the bush or on the sea — Are you prepared to meet Him? Nature performs miracles for farmers and lets him read secrets and a secret lies therein.

THE GREAT COUNSELLOR

GOD, THE SERVANT

Hospital Auxiliary Gives Tea For Wives;

Mrs. Everett Wagner, president of the Northwest Community hospital center women's auxiliary revealed this week that over 1300 members have been realized as a result of the membership teas given throughout the 6 townships in the hospital area during the past 3 weeks. Hundreds of applications for membership are still coming in.

Mrs. Wagner and the vice presidents of each township is more than happy about the overwhelming enthusiasm shown in the hospital area and wish to remind all women that they still have time to join the auxiliary as charter members.

January 1st is the deadline for charter membership and all women are advised to send their application cards in as soon as possible.

The total membership of the women's auxiliary, representing all townships in the hospital area, will comprise the parent organization and will officially be known as the "auxiliary." This organization will be composed of branches, one from each township, in the future, but for the time being will operate on the "parent level" only.

Those who would like to join the auxiliary can call any of the following:

Mrs. Everett Wagner — CL 3-4435 or Mrs. Albert Peters — CL 3-2000.

Mrs. Herbert Knutsen — LAwrence 9-1172 (Roselle)

Mrs. George Larsson — CL 3-4668 (Elk Grove)

Scout News

Girl Scout troop 105 had a Halloween party at the home of its leader, Mrs. Barbara Casteel, October 25. A prize was given to Judy Whipple for the most original costume. Those present were Judy Moran, Joyce Conroy, Laura Strobach, Jackie Waterman, Kathy Casteel, Kathy Parker, Jeanne Guderley, Carol Owen, Sherry Joboston, Linda Wennerstrom, Judy Whipple, Marsha Cech and Kathy Hardtag.

Cub Scout pack 234 held their monthly meeting at the Arlington field house October 25. Frode Nielsen, cubmaster, officiated at the initiation of new members, Ricky Abbot and Paul Bower, in the Indian bobcat ceremony.

Den 1 held a skit on "get out the vote" and then the members displayed the puppets, which was the theme for the month.

Scoutmaster Robert Huebner and his wife had a Halloween party for den 1 Monday.

A committee of parents has been formed to investigate the possibilities of a tuition kindergarten for the Wilson school district and a report of the situation and a questionnaire has been mailed to every family having children 5 years old or younger. Anyone who did not receive a questionnaire may obtain one by calling Nancy Griffith, CL 5-0263 or Lois Martin, CL 3-8260. The committee attended the last board of education meeting at the school at which the board unanimously passed a resolution giving the kindergarten committee permission to use space that will be available in the school after the new addition has been completed.

The resolution covered the period from January to June 1957 only, as it will be necessary for the board to ascertain the enrollment figures for each subsequent school year and to determine if space will be available before granting permission to use the space in subsequent years. The resolution contained the provision that the enrollment will be open to all families in the Wilson school district with any necessary limiting of enrollment being done on a "fair and equitable" basis.

News Items

A tea was held October 19 by Mr. and Mrs. Fred Wemlinger, George st., for Mr. and Mrs. Walter Heinze, former owners of the Arlington Gardens. Friends and neighbors feted the Heinzes who were enroute to their new home in Mountain View, Cal., from their vacation in Germany.

The Charles Opelas, State rd., celebrated Thanksgiving early last Sunday with turkey and trimmings. Mr. Opela's parents from Harrison City, Pa., are visiting them at this time and will not be able to be with them November 22.

Bruce and Jeanine Opsahl of Rand rd., moved to Kansas City, Kan., October 28. Mr. Opsahl was transferred by his firm and will be sales manager for the Kansas City territory.

Mr. and Mrs. Fred Bista Jr and their 3 children moved into the Rand rd. home formerly occupied by the Opsahls last weekend. Mrs. Bista's mother arrived October 27 and will stay with them until after the arrival of their fourth child.

Congratulations go to Mr. and Mrs. Robert Pate Jr., 1536 N. Highland, on the arrival of their third son, Richard, October 7. He weighed 8 pounds, 4½ ounces.

Mr. and Mrs. Edward J. Zaker, 1544 N. Evergreen, welcomed a son, Edward John Jr., who was born October 20 in Resurrection hospital. The Zakers have 3 other children.

Mrs. Robert Parker, Greenwood rd., is recovering at home after undergoing surgery in Sherman hospital, Elgin, October 8.

Friends and neighbors of Mrs. Glen East, 1652 N. Highland, wish her a speedy recovery.

Mr. and Mrs. Jack Dezell, Chestnut rd., entertained Jack's mother, Mrs. Ruth Dezell from Chicago last weekend.

The Whittington children, James, John and Joseph, of Pinegate, held a Halloween party for 34 of their neighbors Saturday.

Mr. and Mrs. Don Reschke, 1606 N. Highland, attended a Halloween party in Chicago at the home of Mrs. Reschke's brother Saturday. Their original costumes were made by the Reschkes and were an organ grinder and his monkey, complete with a hurdy-gurdy.

Ground Observor Corps

Charles Opela, 1520 N. State rd. is in charge of the Arlington branch of the Ground Observer corps and is asking for volunteers who can spend 2 hours a week, day or evening, on the high school grounds, in a shelter provided for them. A film will be shown the group by Sgt. Lytle of the air corps in the indoctrination class. Call Mr. Opela at CL 3-5255 if interested. Applicants must be 18 or older. (A

The Adam Kwiezinskis attended a Halloween party given by the Joe DeChambres in Des Plaines Saturday night.

Tuesday evening the newly formed auxiliary of the Wedgewood Terrace Improvement association held its second meeting at the home of Mrs. Joe Warfsman. Money raising projects were discussed. Refreshments were served.

Mrs. Elizabeth Becker, who has made her home with the Leo Beckers the past several months, has taken an apartment in Chicago and will move Wednesday.

Job Well Done

The community wishes to thank the men who have worked so hard the last 2 weekends on the entrance ways. They have done a beautiful job. Also, thanks to the women who have been furnishing the cake and coffee.

The Arthur Cisewskis attended a birthday party Saturday evening in honor of Art's birthday. The party was given by Mrs. C. M. Redifer of Lincolnwood.

The Eugene Melvins entertained the Tom Merrits and Joe Warfsmans Saturday evening.

A special meeting of the Wedgewood Terrace Improvement association was called Monday evening at the home of Joe Warfsmans. The men voted to appropriate funds to finish the entrance ways. The president of the association, Joe Warfsman, speaking for the entire group, wishes to thank Frank Bedo for donating all the mortar necessary for the building of the pillars at the entrance ways. Also R. T. Sachtaschale for his expert brick-laying job.

Another special meeting this week was called by the Triangle club. It was held in the park. The women voted to donate $75 to the Improvement association for help in purchasing bricks for the entrance ways. (A

OBITUARIES

Embert C. Wille

Embert C. Wille, Algonquin rd., Arlington Heights, died in Resurrection hospital October 25. Funeral services were held at 1:30 p.m. October 29 in the Oehler chapel in Des Plaines with the Rev. Luther V. Stephan of Arlington Heights officiating. Interment, Memory Gardens.

Mr. Wille was born July 8, 1904 in Elk Grove and married Norma Wilke in 1930. He was a member of the board of directors of Cook County Truck Gardeners association and leaves his wife; 2 sons, Donald and Robert; his mother, Mrs. Ida Wille; 2 brothers, Harry and Arnold Wille and 2 sisters, Mrs. Esther Tichy and Mrs. Ruth Finnern.

Mrs. John Zimmer

Funeral mass for Mrs. John Zimmer was held at 10 a.m. October 13 in Transfiguration church, Wauconda, with interment in Transfiguration cemetery.

Mrs. Zimmer, nee Mae Geary, was born in Wauconda where she attended grade and high schools. She also attended teachers' college at Normal and in 1899 married John N. Zimmer of Long Grove. After his death in 1939 she made her home with their only child, Leo, and family. Following Leo's death in 1945, she remained with her daughter-in-law and granddaughter, Joan. She died October 9 in St. Theresa hospital, Wauconda.

She lived in Palatine 17½ years and leaves her granddaughter, Mrs. W. L. Graves. 2 great grandchildren, Elyse and Will Graves Jr. of New York City; a sister, Mrs. Cecelia E. Knox of McHenry; a brother, Harry Geary of Grayslake and her daughter-in-law, Mrs. Marie Zimmer of Palatine.

Mrs. Lorraine Gray

Funeral services for Mrs. Lorraine H. Gray, Rand rd., Mt. Prospect, were held at 1:30 p.m. October 31 in the Oehler chapel in Des Plaines. Mrs. Gray died in the Des Plaines convalescent home October 28.

She was born August 29, 1916 in Chicago and came to Des Plaines in 1926. She was one of the original 6 who met at the home of Walter Faust in Des Plaines and formulated plans for the Bible Faith church in Des Plaines. She became church pianist and organist and remained in that capacity until 1945. She was graduated from Maine township high school in 1934 and from Northern State Teacher's college in 1936.

She leaves her husband, Charles, owner of the Charles B. Gray Sales and Service in Mt. Prospect; a son, Bruce R; her parents Lother V. and Jessie Krause and a brother, Robert V.

The Rev. William A. Tecklenburg officiated at the service and burial was in Ridgewood cemetery.

Mrs. Irene Tesch

Mrs. Irene Owen Tesch, 10 S. Belmont, Arlington Heights, was buried in Hillside cemetery, Palatine, after funeral services at 3 p.m. October 30 in the Lauterburg and Oehler chapel in Arlington Heights. The Rev. Hughes B. Morris officiated.

Mrs. Tesch died in St. Francis hospital, Evanston, October 26. She was born May 22, 1887 in Chicago and leaves her mother, Constance Tesch; a sister, Mrs. Lillian Duensing; a nephew, Freddie W. Duensing, and a sister-in-law, Mrs. Bernice Owen. Her husband, August, died in 1943.

Dodge Increases Power To Aid Driver Control

"All the power that any safe driver would need," in the words of Joe Strader, general manager of Palatine Motors, has been built into the larger engines of the 1957 Dodge Swept-Wing passenger cars.

The new engines provide "full-time driver control" of the 1957 cars under all conditions of weather and terrain and with ample reserves of power on tap to enable motorists to "get out of difficult situations before they happen," Strader said.

Compression ratio of the popular Getaway 6-cylinder engine, available in Dodge Coronet models has been raised to 8.0 to 1. Horsepower is 138 at 4,000 rpm.

* * *

DISPLACEMENT of the Dodge Red Ram V-8 engine has been increased from 315 to 325 cubic inches and the compression ratio raised to 8.5 to 1. Horsepower is 245 at 4,400 rpm. Designated to operate on regular fuels, the Red Ram V-8 is standard equipment in Coronet V-8 and Royal models.

The Super Red Ram V-8 engine for Custom Royal models is equipped with a 4-barrel carburetor, dual exhausts and extensions, special distributor, special air cleaner and a 4-barrel intake manifold. Horsepower is 260 at 4,400 rpm. (BB

American Airlines Adds New Flights

American Airlines has added a second nonstop DC-6 service from O'Hare field to New York. The flight leaves O'Hare daily except Saturdays at 5 p.m. (CST), and arrives at New York's LaGuardia airport at 8:45 p.m. (EST). Passenger surveys have indicated that 8 a.m. and 5 p.m. are the most popular departure times for New York-bound travelers. Flights at both hours are now available at O'Hare.

The airline also has daily 8:30 a.m. and 5 p.m. departures from Midway airport to New York.

Six of American's 21 daily nonstop flights from Chicago (Midway and O'Hare airports) to New York will be operated with DC-7 airplanes, the fastest aircraft now in commercial service. Only four of the 21 flights now use DC-7 equipment. Each Friday, a seventh DC-7 will be operated nonstop from Midway to New York. (BB

Fire Losses

Estimated fire losses in the United States during September amounted to $70,118,000, the National Board of Fire Underwriters has reported.

According to Lewis A. Vincent, NBFU's general manager, this $70,118,000 loss represents a decrease of 6.4 per cent from losses of $74,930,000 reported for August (1956) and an increase of 6.3 per cent over losses of $65,970,000 reported for September, 1955. (G

Role Of Hospitals Increasing

Almost 3 times as many Americans are admitted to hospitals now as were 20 years ago, with each hospital bed in the United States serving an average of 13 patients every year, Health Information Foundation reported today.

The Foundation reports that the rate of admission to all types of hospitals has more than doubled since 1935.

Twenty years ago, 6 out of every 100 Americans were hospitalized for varying periods during the course of a year. Today, the rate is 13 per 100.

* * *

HOW HAVE American hospitals managed to keep up with such increased utilization?

While the construction of new hospitals and additions to existing units have greatly increased the number of available beds, these additions have barely kept pace with population increases, the bulletin reports. However, hospitals have been able to handle the greatly increased number of patients because such medical advances as improved surgical procedures and new drugs have decreased the average length of stay in a hospital.

* * *

OVER THE LAST 10 years, the total number of all types of hospital beds has increased by 12 per cent while hospital admissions have gone up 34 per cent. Along with this patient increase, a 60 per cent jump in the number of hospital personnel needed to take care of patients has been recorded. An average of 95 persons are now needed to care for every 100 patients in all types of hospitals, or 22 more than were required 10 years ago.

Nosegays

Dutchess County, New York, is known as the violet county, for 90 per cent of the violets used commercially are grown in that county.

Tartans, Plaids And Pipes At 111th Feast Of Haggis

Dust off the kilts, inflate the pipes, all ye lads and lassies!

The 111th annual Feast of the Haggis, sponsored by the Illinois St. Andrew Society Nov. 24, will be calling all Chicago-area residents of Scottish ancestry to the grand ballroom of the Conrad Hilton Hotel.

* * *

ALTHOUGH primarily a Scottish event, persons of all nationalities are welcome to attend the banquet.

The banquet features the serving of the haggis, a traditional Scottish hash of lamb, oatmeal, onions and chopped livers, simmered for many hours in the lining of a sheep's stomach.

A full program of Scottish songs and dances will follow. Singers will include Virginia Parker, soprano with the Chicago's Lyric Opera Company and Douglas Campbell, native of Glasgow, now residing in Toronto, Canada.

* * *

MARGARET BAIKIE MacDonald's Highland Dancers will lend their bright colors and lively steps to the occasion.

"The Sound of the Pipes" will be presented by the Illinois St. Andrew Society Pipe Band under the direction of Pipe Major Robert Sim.

Old Scottish melodies will be given a syncopated lilt by Art Goldsmith's Paramount Orchestra.

Richard C. Frasier of Palatine is helping publicize the banquet.

Corporation Taxes

Collection of corporation franchise fees and taxes for the first nine months of this year are $220,004.14 greater than for the entire year of 1955, Secretary of State Charles F. Carpentier reported today.

The $5,152,800.05 collected through September is $434,592.42 more than the amount collected in the same period last year, Mr. Carpentier said. (BB

Bits O' Business

Total sales of retail stores in September were $15.7 billion, just matching the year-ago figure. . . . Vacuum cleaner sales in August were 276,932, for the best August since 1950. . . . Bituminous coal production in the week ended October 6 was 10,405,000 tons. (BB

Poland: Where Communism And Catholicism Co-Exist

by BILL DILLINGHAM

The Polish Government is building churches; it is not tearing them down.

Well over 90 per cent of the Polish people are active, practicing Catholics. Very little evidence of a decline in religion exists. Sunday morning finds every church in Poland fully packed.

In Stettin, Warsaw, Cracow and Poznan, churches are so overcrowded with people that parts of the congregation stand outside the doors facing inward. Poles take their religion seriously, and there appears to be no strong opposition on the part of the government.

* * *

IN PROPORTION to the population, there are more crosses and religious statues placed in public places in Poland than in any other country of the world.

Even Italy and Ireland, lands where religious symbols are in remarkable abundance, do not surpass Poland in this respect.

At thousands of crossroads throughout the country one sees freshly-cut flowers placed at religious statues. Hundreds of these small monuments are obviously new.

* * *

POLAND is the world's example of Communism and Catholicism working in apparent peace side by side.

The Communist government is appropriating money for the rebuilding of churches at a time when state capital is scarce. St. John's Cathedral in Warsaw cost the government thousands of zlotys to reconstruct. Priests and nuns are seen in the streets of the cities and villages in numbers that certainly are not small.

The Communist government of Poland recognizes 10 religious holidays per year.

Religion is taught in the schools, although unless a parent requests such education, it will not be given to the student.

This does not mean, however, that the Polish government actually encourages its citizens to accept religion. Counter-Catholic machinery exists, but it works at a very slow and quiet pace, so much so that very few Poles are aware that there is any movement against the church.

* * *

ON SUNDAYS the state radio does not broadcast religious services. Anti-Catholic books get prominent publicity in the stores, although the state publishing houses print Catholic books, too. These are typical examples of the quiet and mild manner in which the Polish government opposes the church.

Officials take the attitude that there will be less trouble in the country, and more work will be done, if it looks like Catholicism and Communism are working together.

Only one open and serious anti-Catholic move has so far been taken by the Communist government, Cardinal Vichinsky, head of the church in Poland, has been arrested and imprisoned. To avoid rescue attempts or demonstrations, the exact location of his imprisonment has not been made known.

* * *

BUT THIS hostile act seems to have had little deterent affect on the people. Aside from Ireland, Poland is the only country in the Occident where one sees a very great number of unescorted teenagers attending church. This occurs on week-days as well as on Sundays.

If there has been a decline in religion in Poland, it is slight. Most Poles believe that the church is stronger than ever. (B10

Lutherans To Hold Reformation Service

Eighth annual reformation vespers service sponsored by 200 churches of the National Lutheran council will be held at 4 p.m., Sunday, Nov. 4, at Rockefeller Memorial chapel, 59th st. and Woodlawn ave., Chicago.

This service climaxes Reformation week during which Protestants observe the beginning of the reformation when, on October 31, 1517, Martin Luther nailed his 95 Theses to a church door in Wittenberg, Germany.

Speaker at the service will be the Rev. Robert Stackel, D. D., of New York City, director of Evangelism for the United Lutheran church in America. A choir of 300 voices will sing under the direction of Thomas C. Willis. The Rev. Malcolm Shutters, of Wicker Park Lutheran church, will be liturgist.

VOTING members are elected by the "Y" Board of Managers on recommendation of the nominating committees of the boards of directors of the various "Y's." Each serves 3 years and assists in the raising of funds, recruitment of members or in leadership work.

Highlight of the sessions will be a discussion of various centennial plans of the Chicago Y.M.C.A. Its 100th birthday comes up March 22, 1958. B7)

NEEDLE in the GROOVE

by PAUL LITTLE

Don't miss the annua. International Sight and Sound Exposition at the Palmer House from November 2nd through 5th. It's open to the public, and on display will be all the latest hi-fi components, like the remarkable Metzner 'Starlight' professional record-playing turntable which plays not three but four speeds and eliminates all rumble, wow and flutter, and the breathtaking stereophonic tape reproduction which can be effected with a single compact portable tape recorder like the new V-M Model 711.

Incidentally, one of the tape albums used to demonstrate this latest phase of hi-fi will be Omegatape's sensational recording of George Antheil's "Ballet Mecanique.' And if you've an idea that symphonic music is dull, listen to two-channel tape projection of a work that employs four pianos, xylophone, tympani, percussion, door bells and airplane propellers! Robert Kraft conducts, and this astounding and exciting music on stereo sounds as if the orchestra were all around you!

* * *

FROM CAPITOL, the first domestic waxing of the fiery, pulse-stirring Piano Concerto by Aram Khachaturian, the Russian composer whom all of us know for his "Sabre Dance" — and the proof of fame is when a melody is used as a TV commercial, as that piece is! Leonard Pennario, gifted young American pianist, shows virtuosity and communicative brilliance in his performance with the Concert Arts Symphony Orchestra under Felix Slatkin. Hi-fi addicts will rave about this disc for the sumptuous piano and orchestral tone, and we rate it as one of the finest reproductions of '56!

Another platter that merits the same glowing adjectives is Mercury's 12-inch lp of 'Marches for Twirling,' stunningly played by the Eastman Wind Ensemble under Frederick Fennell. The title refers to the drum major's baton, and the music programs patriotic and football tunes like Sousa's immortal "U. S. Field Artillery" and "Stars and Stripes Forever" and King's 'Pride of the Illini." The sound of this disc is absolutely incredible in clarity and spaciousness! (Bill

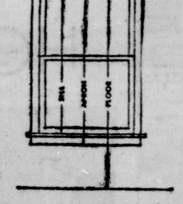
how to measure your windows →



Use a yardstick for accuracy. Length: For apron length draperies, measure from top of window casing to bottom of window apron. For floor length draperies, measure from top of window casing to floor, or from ceiling down for ceiling mounting. **Width:** For normal mounting, measure from 1 extreme edge of window casing to the other. When extending draperies beyond windows, determine number of inches draperies are to extend on each side beyond the window casing and add the total to the window width. For wall-to-wall draperies, measure distance between walls.

Yesterday's Country Store Comes Back To The Village

Cracker Barrel, Pot-Bellied Stove Recall Earlier Days Of Merchandising

Intrigued by a name, a shopper stepped through a door the other day to be confronted by a sight not seen hereabouts since before H. C. Paddock drove his Tin Lizzy all the way down State rd. in second.

The door was at the south end of the Dunton Court shopping center in Arlington Heights. Over the portal a sign read "The Country Store Paint Co.," and true to its name, inside the shopper found an honest-to-goodness, old-fashioned rural store.

This isn't a replica of the gathering place our grandfathers knew; it is the real thing.

Just about everything in the place has whiskers except the energetic young proprietors and the goods they sell.

* * *

WHEN CLAIRE Gunderson and Bob Stemwedel decided the time was ripe to go into business for themselves, they firmly meant to wind up with "something different." Bob had been a paint salesman and manager of a paint store; Claire had helped many stores in her work as a color consultant.

They both knew what they wanted and it wasn't another modern, antiseptic paint store.

Neither remembers how the idea of a general store theme popped up but anyway both leaped at it. During the spring and summer they scoured the northern half of Illinois. Their best source for old store fixtures was stores that had gone out of business. From Hauschild's store on Dundee's venerable River st. they hauled away loads of shelving.

* * *

THE PRIZE of the new store, the pot-bellied stove with the stovepipe reaching to the ceiling, used to be in Landwehr's general store in Barrington. They also obtained their cracker barrel at Landwehr's.

One acquisition led to another and a friend's suggestion sent them to Rockford for an old coffee mill half covered by cobwebs in a barn.

Arlington Heights is well represented too. They bought a staircase from the first parsonage of St. Peter's Lutheran church. The 90-year-old frame cottage at Dunton and miner was recently razed to make way for a parking lot. Elsewhere they picked up old counters, kerosene lanterns and desks.

Claire's husband Russ, joining them in the hunt on weekends, came across a fine lot of jugs.

* * *

"SINCE WE OPENED a few weeks ago, several people have brought us things they had stored away in their attics," Claire noted. Their display window is crammed with items such as a vinegar barrel, washboard and antique mousetrap brought in by persons who first came in to browse.

In one corner of the store the owners have built a long, narrow alcove they call "the barn." Unpainted furniture, and soon, original watercolor and oil paintings are to hang from the rough board walls.

As might be expected, carting in and cleaning up their dusty possessions has been "a lot of work." More than a few nights the lights have burned late.

The Gundersons and Bob are enthusiastic about it all, however, and are even busier than ever this week planning an open house.

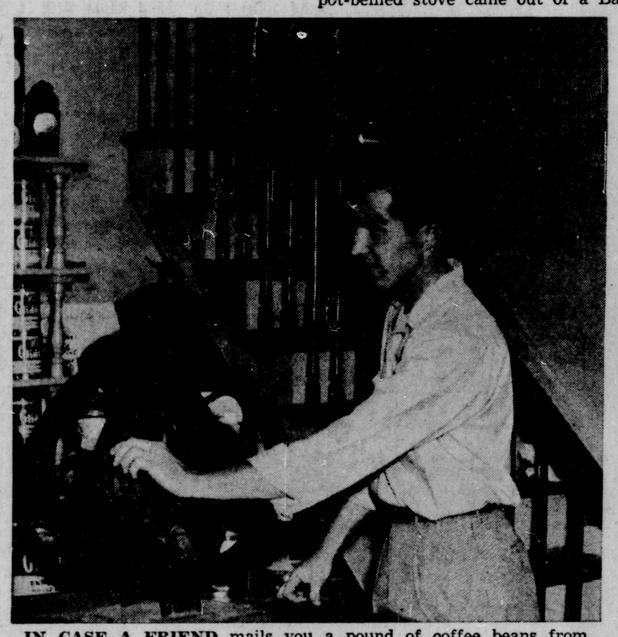
And they'll be giving away, not freezers or davenos — just apples.

THIS HAND-CRANKED TELEPHONE doesn't really work but there's hardly a visitor to the Country Paint Store co. who doesn't want to find out for himself. You're welcome to try too, says Claire Gunderson, who with her husband Russ and partner Robert Stemwedel recently opened the store. —Staff photo

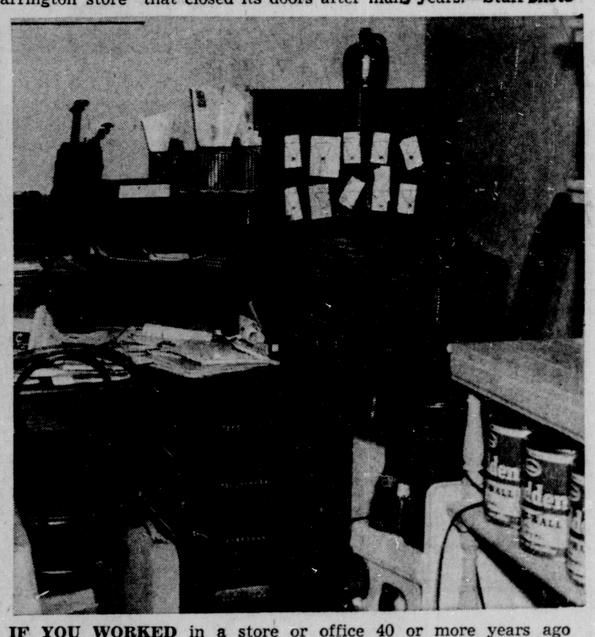
PICTURES SEEN IN 23,000 HOMES

THE CRACKERS in the old-fashioned cracker barrel at the Country Store Paint co. were just beyond the reach of 18-month-old Pattie Borchard so co-owner Claire Gunderson helped out as Peter Borchard, 4, and Gwen Connelly, 4, also of Arlington Heights, looked on. Both cracker barrel and pot-bellied stove came out of a Barrington store that closed its doors after many years.—Staff photo

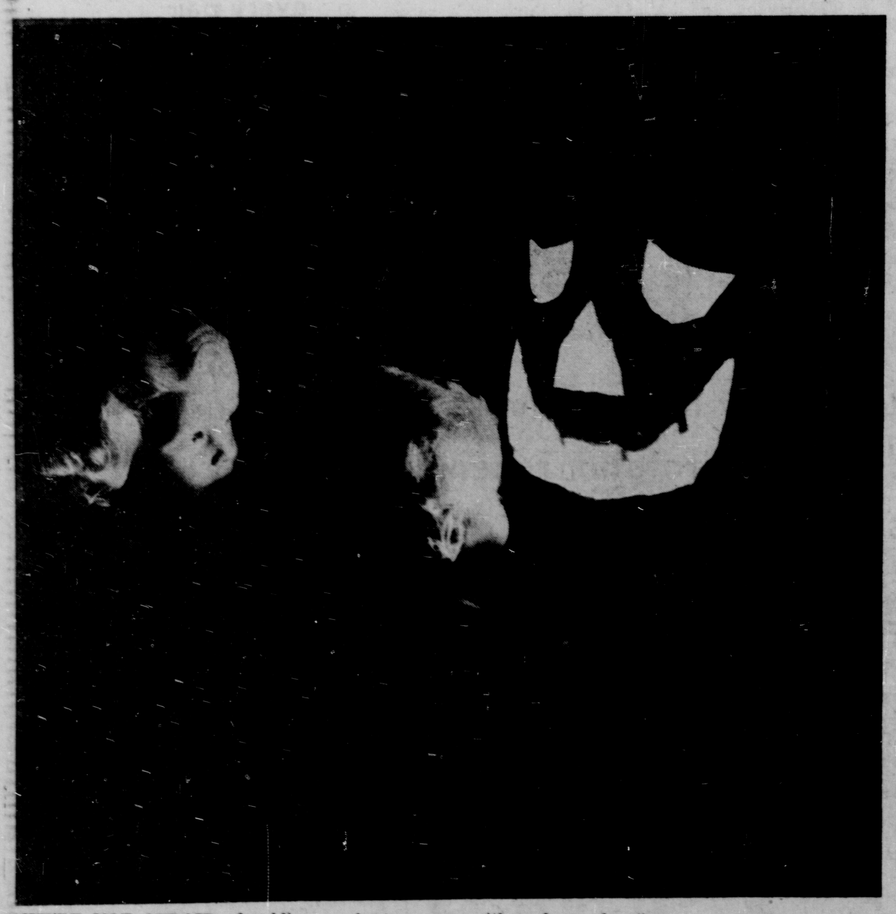
"IT'S THE NEWEST store in Arlington Heights but once you're inside the plate glass door you'd never think so," is what the owners proudly say about the Country Paint Store co. in the Dunton Court shopping center. Owners Russ and Claire Gunderson and Bob Stemwedel scoured antique shops and attics to find furnishings to make the unusual store as much like yesterday's rural general store as posssible. —Staff photo



IN CASE A FRIEND mails you a pound of coffee beans from South America, the folks at Country Paint Store co. will be glad to grind them. A barn near Rockford yielded up the coffee mill which Bob Stemwedel, one of the owners, turns. The staircase at the rear was in the former parsonage of St. Peter Lutheran church. The home at Dunton and Miner recently razed, was believed to be about 90 years. —Staff photo



IF YOU WORKED in a store or office 40 or more years ago you're most likely familiar with the venerable McCaskey filing desks, such as the one at the right. It's still the handiest way for the owners of the Country Paint Store co. to file the salesmen's cards. It was once in the Adams Bros. store in Aurora. The jug atop the desk was not, however, a fixture in offices or stores of 40 years ago. —Staff photo



"WE'RE NOT AFRAID of goblins or ghosts or you either, funny face," says the bold tot at the right as he peers between the pumpkin's teeth. His wide-eyed sister however, is not so sure but what the vivid glow of the Halloween has an unearthly origin. —Staff photo

Fulfill Your Responsibility As A Citizen! Vote Next Tuesday

IN PLACE OF THIS BLOCK-LONG ROW of ugly stumps there once stood a row of graceful and valuable elm trees. They had to be cut down at considerable expense when they became infected by the Dutch elm disease which swept the Champaign-Urbana area not long ago. Now, only the stumps remain as mute evidence of the destructive power of the elm tree scourge. In an effort to halt the spread of Dutch elm disease in Illinois, the State Chamber of Commerce is holding a second statewide conference devoted to control programs. It will be held Tuesday, Nov. 13 at the Congress Hotel in Chicago.

Patricia Richter And William Schwolow Wed

Miss Patricia Louise Richter, daughter of Mr. and Mrs. Louis Richter, 225 W. Chicago ave., Palatine, became the bride of William E. Schwolow, son of Mr. and Mrs. William Schwolow, 316 E. Chicago ave., Palatine, in a 6 p.m. double ring service October 20 in St. Paul Evangelical and Reformed church, Palatine. The Rev. Glenn G. Gumm performed the service with Harold Berg as organist and Howard Pollitz as soloist.

The bride was given in marriage by her father and wore a gown of Dupioni silk over crisp taffeta. The bodice of the gown was molded and made with long traditional sleeves edged in pleating. The scoop neckline was trimmed with tiny seed pearls and a scalloped pleating motif. The bouffant skirt was worn over a full hoop and cut on princess lines with unpressed pleats and cascaded in back to form a chapel train. Her fingertip veil was of imported French illusion and fell from a juliet cap of Dupioni silk with lattice crown of simulated pearls. She carried a white orchid and stephanotis on a white Bible.

The bride's sister, Miss Penny Richter, was maid of honor and wore a waltz-length gown of emerald green crystaline over taffeta. The gown was made with a full skirt that swept from a torso waistline and large back bow. She wore a braided headpiece of dark green velvet with sequins and maline veiling. Her flowers were a fall arrangement of bronze mums and pompons in a basket.

Miss Gertrude Schwolow, sister of the bridegroom, and Mrs. Mark Krumwiede of Silver Lake, Wis., were bridesmaids. Their gowns were identical to the maid of honor's gown as were their headpieces and flowers.

George Loeber of Palatine was best man and James Heiden and Henry Spod, both of Palatine, were ushers.

Following the candlelight ceremony, a reception for 300 guests was held in Palatine Fireman's hall where Mrs. Richter received in a coral crystalette dress with white feather hat and white gloves. Her corsage was of amazon lilies. Mrs. Schwolow received in a grey lace dress over apricot taffeta. She wore a beige hat and gloves and a corsage of amazon lilies.

Mr. Schwolow took his bride on a 2-week wedding trip in the south.

The bride who has a B.S. degree in nursing, was graduated from Palatine high school and also studied at Presbyterian hospital school of nursing in Chicago and at Ohio State university in Columbus, Ohio. Mr. Schwolow was also graduated from Palatine high school and is associated with Loeber Motors in Chicago. (Highlight Studio

The ceremony took place at 7 p.m. with the Rev. Paul Stumpf officiating.

Earle Auge was soloist and Mrs. Auge was organist.

The bride was given in marriage by her father and wore a gown of white lace over white taffeta with hooped skirt, peter pan collar, long sleeves and seed pearl trim. A seed pearl crown held her fingertip veil and she carried a cascade of carnations and lilies of the valley.

Miss Catherine Dennis of Arlington Heights, was maid of honor and wore a pale blue brocade taffeta sheath dress with dark blue tulle overskirt. She carried a cascade bouquet of pale pink carnations. Junior bridesmaids were the Misses Betty and Gail Messner, sisters of the bride. They wore pale blue brocade taffeta with overskirts of matching tulle. Their cascades were of deep pink carnations.

Howard Plontke of Arlington Heights was best man to the bridegroom and ushers were Donald Meehan and Ronald Haas of Mt. Prospect.

For her daughter's wedding, Mrs. Messner wore a gown of pink lace with white accessories and a white mum corsage. Beige brocade was chosen by Mrs. Brodnan. She wore black accessories and a rust-colored mum corsage.

A reception for the guests was held in Palatine American Legion hall after which the newlyweds left on a week's trip to Turkey Run. They are now residing in an apartment in Des Plaines.

Both Mr. Stockton and his bride were graduated from Arlington Heights high school. The bride is employed by Illinois Bell Telephone Co. in Arlington Heights and Mr. Stockton by Lake Park Builders in Palatine. (Jenart Studio

Favorites For Flavor

"For onion lovers only." That is how Mrs. James M. Price classified the recipe she has shared with us today.

For onions are plentiful in this veal dish which is called Mexican Veal Steak with Noodles. This recipe gives zest to that hard-to-serve meat, veal.

Thin slices of veal are dredged in seasoned flour, sauteed, then simmered with onions, chili sauce and water. Grated cheddar cheese is added, and this mixture is served over broad noodles.

A meal-in-one, this dish is tasty as well as economical to make. It can be prepared in advance; in fact, the flavor even improves if made the day before it is to be served.

Another favorite recipe of Mrs Price's is for a Snack Ball which combines 4 different cheeses: cream cheese, Old English, roquefort and chive. The cheeses are The cheeses are mixed together and seasoned with garlic salt, mustard and worcesgarlic salt, mustard and worcestershire sauce. Other seasonings, such as clam juice, are also adaptable.

The combined ingredients are formed into a ball and rolled in chopped nuts or parsley. Or the cheese ball may be sprinkled with paprika.

It is served with crackers or salt stick bread, or it may be thinned with cream and used as a dip for potato chips, if desired.

Mrs. Price always has at least 2 of these appetizing snack balls on hand during the holiday season, and they have excellent keeping qualities.

The Prices moved from Skokie a year and a half ago to their home at 800 W. Milburn in Mt. Prospect. They have one daughter, Sharron, who is 10 years old.

Mrs. Price is active in Girl Scout work, and she is a member of St. Mark church.

Mexican Veal Steak with Noodles

1 pound thin veal steak
1 teaspoon salt
¼ teaspoon paprika
¼ cup flour
3 tablespoons shortening
1½ cups sliced onions
6 tablespoons chili sauce
1¼ cups boiling water
2 ounces grated cheddar cheese

Cut veal steak into 6 or 8 portions. Season with salt and paprika and roll into flour.

Heat the shortening and saute meat quickly on both sides until brown. Reduce heat and cover with onions, chili sauce and water. Cover pan and simmer for 25 minutes.

Sprinkle meat with grated cheese. Stir until cheese has melted. Serve over cooked broad noodles. Serves 6.

(If you prepare the dish in advance, do not add the cheese until ready to serve.)

Snack Ball

1 large package Philadelphia cream cheese
1 jar Old English cheese
2 ounces roquefort
1 small package Philadelphia chive cream cheese
Garlic salt
Prepared mustard
Worcestershire sauce

Have the ingredients at room temperature.

Mix together and season to taste with the garlic salt, mustard and worcestershire sauce.

Form into a ball and roll in chopped nuts or parsley. Or sprinkle ball with paprika. Refrigerate. Serve with crackers or salt stick bread.

To use as a dip, thin the ingredients with a little cream.

Miss Joy Leth Becomes Mrs. David L. Gallimore

"O Perfect Love" and "The Lord's Prayer" were sung by Miss Daun Leth for her sister, Joy's marriage to David L. Gallimore October 13 in Faith Lutheran church, Arlington Heights. The ceremony took place at 7:30 p.m. amid a background of white gladioli, mums and candlelight.

The bride is the daughter of Mr. and Mrs. Steven F. Leth, 503 S. Evergreen, Arlington Heights, and the bridegroom is the son of Mr. and Mrs. Ralph Gallimore Sr., Harrison and Cornell, Palatine.

Pastor Edgar Behrens and Pastor Kurt Grotheer of Itasca, jointly officiated at the double ring service and organist was Charles Duwe.

The bride, given in marriage by her parents, wore a gown of white satin with tulle insert fashioned with a long train, illusion neckline and trimmed with seed pearls, irridescent sequins and bugle beads. Her fingertip veil was attached to a seed pearl crown and she carried a bouquet of white roses.

Miss Daun Leth was also her sister's maid of honor and wore a crystalette gown of ashes of roses made with Italian neckline and bows to accent the torso waist. She wore a rhinestone and pearl studded tiara and carried a cascade of pink pomps with a pink mum center.

Miss Judy Schroeder of Arlington Heights and Miss Susan Sigwart of Prospect Heights were bridesmaids and Miss Stephenie Leth was junior bridesmaid. They wore plum crystalette gowns styled identically to the maid of honor's gown, except for the junior bridesmaid's gown which was made with scooped neckline and large back bow. They also wore tiaras and carried bouquets of pomps and mums.

Best man was Clay Gallimore of Mundelein, brother of the bridegroom, and ushers were Ralph Gallimore Jr. of Palatine, also a brother of the bridegroom, and Ben Cather of Manhattan, Kan., brother-in-law of the bridegroom.

A reception for 140 guests was held in the church parlors immediately following the service. Mrs. Leth received in a champagne brocade sheath dress with beaded hat and corsage of cimbidium orchids. Mrs. Gallimore, mother of the bridegroom, received in a dark beige dress with hat of a lighter shade of beige and a corsage of yellow roses.

The newlyweds honeymooned in the east and returned October 23 to reside at 707 Lincoln rd., Arlington Heights.

The new Mrs. Gallimore was graduated from Arlington Heights high school and studied nursing at Wesley Memorial hospital. Her bridegroom was graduated from Palatine high school and then spent 2 years in the army. He is now attending courses at Elgin Community college and is employed by D and L Office Furniture, Chicago.

'Hi Ho, Come to the Fair' Is Auxiliary Theme Song

The Womans auxiliary of St. John Episcopal church suggests the song "Hi, ho, Come To The Fair" would be an appropriate theme song for November 8 since that is the date for its Country Fair. The bazaar will be held in the new Parish hall, corner of Thayer and Main sts., in Mt. Prospect. Shopping hours are from 11 a.m. to 9 p.m.

With the number of shopping days until Christmas growing steadily less and less, the auxiliary hopes to lighten old Santa's load by offering many suitable gift items at the Country Fair. Luncheon will be served from 11 a.m. to 2 p.m. for the convenience of shoppers, and 2 puppet shows, "Jack and the Beanstalk" and "Little Red Riding Hood" will be presented for the entertainment of the children as part of the baby sitting services.

The "home furnishings" booth at the fair will offer barbecue luncheon cloths and napkins, recipe holders, bridge-luncheon sets, corduroy bridge table covers, carpenter aprons, felt Christmas tree skirts, teen-aged jewelry holders and plants.

Homemade pickles, English chutney, jams and jellies, as well as herbs, salad dressings and savory sauces, will be part of the "jams and jellies' booth. The "bakery goods" booth will have cakes, pies and homemade candies.

The "children's clothing" booth will feature felt belts, boy's shirts, aprons, girl's skirts, and heirloom French baby clothes. "St. Elizabeth Guild" booth will also offer many handmade needlecraft articles as well as hand-embroidered items.

'Dolls and doll clothes" will offer 8-inch "Muffy" dolls and costumes. Tiny dresses, coats, hats and knitted ensembles will make her as well dressed as the young lady who will eventually own her. The booth for 'toys" will also have many items to intrigue a child on Christmas morning, such as stuffed and crocheted animals, hobby horses, and pull toys.

The "fish pond" and "trash and treasures" booths are self-explanatory, but the auxiliary feels that the "parcel post" booth is something a little different. This booth will contain packages from all over the country, in their original wrappings, marked on the outside "for a man,' "woman,' "boy" or "girl,' containing a gift valued at a dollar or more, to be purchased sight unseen. For those who like to guess what a package contains from its size or shape before unwrapping, this booth should contain many delightful surprises, commented committee members.

Members of the auxiliary suggest the fair for early Christmas shopping.

Announce Marriage

Mr. and Mrs. Kenneth Harvey of Addison township, announce the marriage of their daughter, Diane, to Clay Ottis Webb, son of Mrs. George Webb of Oklahoma City, Okla., October 22 in Texarkana, Texas.

Miss Harvey was graduated from Fenton high school where she was a cheerleader and homecoming queen. For the past 3 months she has been dancing with the Dorothy Hill dancers at state fair shows in the middle west and southern states. Mr. Webb was properties manager of the show which closed October 28 in Shreveport, La. He is now properties manager for the Fred Waring show and the couple will travel with the show ending up in Los Angeles December 15 when Mr. Waring closes his show for 2 weeks so his cast can spend Christmas with their families.

At this time a reception will be given for the bride and groom by the Harveys. The Webbs will then go to New York where the bride will study with the American school of ballet. (S

Hospital Auxiliary Membership Now 1,300

The tea given for wives of doctors and of the board of trustees of Northwest Community hospital center last Friday at Arlington field house was well attended. Mrs. Clyde C. Schuetz, who was responsible for the success of the tea, complimented the fireside setting with table and flower arrangements. Mrs. John Sichs and Mrs. Robert Provart poured.

Climax of the afternoon was a speech by the hospital auxiliary president, Mrs. Everett Wagner, informing the women of the organization and plans for the future. Mrs. Wagner introduced officers and chairmen of the auxiliary and a question and answer period followed.

The majority of the women attending joined the auxiliary and many took application cards with them for friends.

DAR To Meet Today for 'America' Program

"America the Beautiful" is the title of the program arranged for the regular monthly meeting of Eli Skinner chapter NSDAR Thursday, Nov. 1. The program will be presented by Mrs. H. M. Otto, a sister-in-law of Rev. Paul Stumpf of Arlington Heights Presbyterian church and will be held in the home of the hostess, Mrs. J. A. Zimmerman, 311 N. Haddow, Arlington Heights.

The 1 p.m. program will consist of slides of American scenes with musical background and appropriate literature including Bible connotations.

Mrs. Zimmerman will be assisted by Mrs. Douglas Gutzman, Mrs. John Hall and Mrs. Clark Thorp of Arlington Heights and Mrs. Robert Thompson of Palatine.

A CANDLELIGHT CEREMONY with pledge ritual for 2 Roselle women and one from Palatine, was a highlight of the meeting held by Lambda Delta chapter of Beta Sigma Phi held October 22 in Lake Zurich. Pledged were Betty O'Grady and Annamae Whelton of Hoffman Estates, Roselle, and Betty Sheker of Palatine. Present to welcome the new pledges were Gilma Cude, Fran Justi, Ronnie Dupin, Dorothy Kirkwood and Georgina Winkleman of Palatine; Margaret Leway, Juanita Styczykowski and Marilyn Danz of Hoffman Estates, Roselle and Elayne Luce of Itasca.

SAMPLES OF ITEMS to be sold at the annual Holiday Fair this Sunday at Our Lady of the Wayside parish hall are displayed by chairman of the affair. The fair will open at 8 a. m. and continue to 6 p. m. and will include homemade fruit cakes for early shoppers. Mrs. William Henn, left, is co-chairman, and Mrs. Edmund Deal, second from left, is chairman of the fair. Mrs. Clyde Becker, third from left, is in charge of the children's table which will feature inexpensive gifts for their own Christmas shopping list. At the right is Mrs. William Strauwald chairman of the net Christmas trees. —Staff photo

Metro Sanitary District Annexation Will Win: Olis

Anthony A. Olis, president of the Metropolitan Sanitary district, predicts that most of Cook county will be included in the district after a special referendum November 6.

Voters in most areas not already in the district, including most territory served by Paddock Publications, will pass judgment on annexation to the district.

A majority of "yes" votes automatically brings local sanitation under sanitary district authority.

* * *

SEVERAL SOUTH county communities such as Park Forest and Chicago Heights are not included in annexation plans because the last session of the legislature deemed their sanitary facilities satisfactory.

Olis said last week: 'I think it will pass because it is needed. The majority of suburban Chicagoland is growing so rapidly that smaller villages cannot expand their already overburdened systems. Other areas have septic tank systems which pose health problems.

Olis estimated that after annexation new areas would be taxed 19.3 cents per $100 assessed valuation. Taxpayers now outside the district would not be responsible for present bonded debts, he said.

* * *

LOCAL OPOSITION to annexation has come officially from the villages of Arlington Heights, Palatine and Barrington. These villages have large investments in sewage treatment plants. If annexed the district would take over these plants leaving taxpayers to pay off the debts plus taxes to the sanitary district.

Wheeling has taken no official stand on annexation, but opinion seems favorable. Wheeling has but a small investment in a treatment plant compared to Arlington, Palatine and Barrington. In addition, Wheeling's plant figures in sanitary district plans while those of the other villages do not. Wheeling has been given indication that the district might reimburse the village for its plant. Other villages have not had any assurance of reimbursement.

Rolling Meadows and Mt. Prospect are already included in the district. (POL

Candidate J. W. Carroll Takes Definite Legislation Stand

Mushrooming suburban growth makes the problems of the new 6th State Representative District unique, according to John W. Carroll, Republican candidate for State Representative. Urban-trend experts, he points out, estimate the district should double in population in the next 10 years.

To assure orderly development, Carroll declares, the machinery must be set up now for sound planning. He lists as major problems: Adequate schools, lake water for all, a sound sanitation plan, better roads, adequate public transportation and protective zoning to safeguard the homes of present residents and to prevent slum-breeding housing projects.

Carroll, the leading vote-getter in the district in last spring's primary, states he is going to Springfield in January, "not to save the world, the nation or even the whole state, but simply to work for the things needed now in the 6th District and to help pave the way for anticipated future growth."

* * *

ACTIVE FOR YEARS in community affairs in Maine Township, Carroll has made many trips to all parts of the district during and since the primary campaign. He has discussed local problems with publishers, public officials and residents of both urban centers and rural sections.

On schools, Carroll proposes not only adequate state aid, but also a revolving fund from which hard-pressed school districts could borrow to meet building needs. He urges a scholarship program to train teachers to meet existing and future shortages.

Carroll declares he will work for a state law to permit requiring large housing developers to provide sufficient, desirable land in their projects for school and park uses and also to provide for specific school levies on each such housing unit.

With the predicted population expansion of the 6th District, Carroll points out, traffic chaos will result unless plans are devised for comprehensive intercommunity public transportation as well as to and from primary transportation routes to Chicago during rush hours.

* * *

HE COUNSELS that steps must be taken now to prepare for future rapid-transit needs before land costs soar. Carroll suggests it likely will be necessary to supplement existing North Western service with an interurban route, perhaps in the median strp of future roadways.

As legislative administrative assistant to Lt. Gov. John W. Chapman during the last 2 sessions of the General Assembly, Carroll is on friendly, work-together terms with members of both houses of the Legislature as well as fully familiar with procedures for getting things done in Springfield. This, he points out, is a "plus" for the 6th District in assuring action.

Carroll lives with his wife and 2 children in Park Ridge, and has a keenly sympathetic understanding of community problems, as a result of 4 years as an alderman and as publisher of the Pickwick Newspapers. He is a past president of the Park Ridge Kiwanis Club, the Park Ridge Chamber of Commerce, the Illinois Press Assn. and the Suburban Publishers Assn.

Long active in many civic matters, he was Park Ridge chairman of the March of Dimes for 9 years and this year is serving for the second time as Cook County suburban chairman of the campaign to raise funds to stamp out polio.

Congressman Church Has Big Support

Marguerite Stitt Church, Republican candidate for Congress from the 13th District, received a great ovation at the Nixon rally held at Evanston high school last week.

This is the first time that she has been opposed by an aggressive candidate but her thousands of admirers are expected to rally to her support November 6 and return her to the office she has held so capably.

She has the recommendation of many newspapers and civic organizations. She has never been too busy during her terms of office to attend and speak at local gatherings. She has personal acquaintances with a great many of her constituents.

In her office she is quick to apprise the general public regarding U.S. legislation that will directly affect them.

She has repeatedly cut red tape to get answers for residents of her district that could not be received otherwise.

A Chicago newspaper terms her as "a hard-working and able Congressman who has done much for her constituents." A true description.

'Failure To Vote Counts '2' For Other Side,' Says Carroll

"The vote you don't cast," warns John W. Carroll, a Republican candidate for state representative from the sixth district, "counts 2 for the other side. To get the kind of government you want, be sure to vote!"

Carroll reveals that thousands of public officials and other residents of the far-flung sixth district have promised to keep him informed, when he goes to Springfield in January, on the needs and wishes of people in all parts of the district. He added:

"Most of the candidates, not only in our district, but in others throughout the area, have adopted the platform on which I ran in the primary. We can expect strong support for the things we want.

"At the same time, with our people keeping me informed constantly on local conditions, we can feel assured of effective action."

Carroll is regarded as an outstanding choice for State Representative from the new sixth district. As legislative administrative assistant to Lt. Gov. Chapman during the last 2 sessions of the general assembly, he became well acquainted with all members of the legislature and with the procedures for getting things done promptly and efficiently.

Suburban chairman of the March of Dimes, Carroll is a former Park Ridge alderman and active in numerous civic endeavors and organizations. He lives with his wife and 2 children at 26 S. Merrill ave in Park Ridge, where he is president of the Pickwick Publishing Co. (B7

Nordburg Campaigns For Sanitary District

William S. Nordburg of Winnetka, Republican candidate for reelection as trustee of the Sanitary District, is basing his campaign on a record of honesty and business efficiency credited to him and his Republican colleagues on the board.

Mr. Nordburg pioneered in the reform movement for the district when, in 1947, he presented a report pointing out the changes needed in an administration which was then riddled with inefficiency and wastefulness. He was then a member of the board's minority group, but when the election of 1950 placed a Republican majority on the board, the reforms began.

An honor which came to Mr. Nordburg last week was the distinguished service award presented to him by the Illinois Good Government Institute for his record as a sanitary trustee.

Mr. Nordburg as a resident of Winnetka is the only country towns representative now on the board and the only country towns candidate on either ticket.

His supporters point out that much of the operation of the Sanitary District involves the country towns and that therefore it is highly important that this area continue its representation on the board.

Mr. Nordburg's candidacy is described as the "most endorsed and recommended" in the metropolitan area. The Chicago dailies and virtually all newspapers in the country towns regardless of party have given him their editorial support.

'Underdog' Stengel Gives Dirksen Run For His Money

A young Rick Island attorney and state legislator has been waging a vigorous, hard-hitting political fight to win the senate seat now held by Everett Dirksen.

Richard Stengel, Democratic candidate, is generally regarded as the underdog in the senate battle. But if he loses, he will have gone down fighting in what most political experts agree is the most serious political challange which ever confronted Senator Dirksen.

Dirksen's overwhelming lead in northwest suburbs is not likely to be seriously impeded by Stengel, although the Democrat won endorsement from the Chicago Sun-Times because he has more "Eisenhower-like" qualities than his opponent.

Dirksen has confined his campaign to an Eisenhower "shirt tail" round of oratory with heavy emphasis on generalities of "peace and prosperity."

The Republican has declined to debate publicly on some of the issues introduced by Stengel in the campaign.

* * *

AMONG STENGEL'S points: Congestion of national defense contracts in the 100 larger corporations and their concentration in a few areas should be curtailed by a strict legislative directive to the defense department.

Present surpluses of food and fiber now in storage should be utilized in carrying out an effective relief program in strategic areas of Asia, the Middle East, and among the uncommitted nations of the world.

* * *

CREATION of a national scholarship loan fund would aid America in winning the race with Communist Russia for the education of scientists and policy leaders.

The Senate should rewrite its standing rules to provide "a code of civil rights for the protection of witnesses against slanderous and unfair attacks on their character."

* * *

RESTORATION of the public housing program to a minimum of 135,000 units per year "to meet the ordinary requirements of an expanding population."

Said Stengel: "Sen. Taft supported 135,000 units but apparently that is too radical for this administration. They cut it to a token 35,000 units, and my Republican opponent tried to kill public housing altogether." (POL

Here's Austin Program If He's Elected As Governor

Richard B. Austin, Democratic candidate for governor, has advanced the following platform:

1. An amendment to the State Constitution to modernize and reorganize the state judicial system to make possible the maximum of administrative efficiency.

2. All possible state aid for schools, with the establishment of a revolving fund from which school districts may borrow to provide adequate school facilities.

* * *

3. **A VIGOROUS** program of free-highway construction based on need and necessity, not political expediency.

4. All possible state assistance to distressed areas of the state to aid efforts of those regions to attract new industries and restore prosperity.

5. Abatement of juvenile delinquency and measures to intensify crime prevention efforts through strict and uniform enforcement of all laws.

6. Legislation to guarantee every person equal job oppotunities without regard to his race, color or creed, through enactment of a civil rights and fair employment practices act.

7. **RESTORE THE** State Department of Public Welfare to the excellent high standard and reputation which it held under the administration of Gov. Adlai E. Stevenson.

8. Separation of the Youth Commission from all taint of political influence.

9. Legislation to provide improved health and greater safety for workers, as well as added protection for families of workers injured on the job.

10. An increased minimum wage for all workers not covered by the Federal Minimum Wage Law.

O'Keefe Expert On Federal And State Tax Setup

James L. O'Keefe, Democratic candidate for attorney general of Illinois, has had extensive experience in all phases of federal and state taxation work. He is also a Master in Chancery for the Circuit Court of Cook County, having served in that capacity for over 20 years.

Mr. O'Keefe has served on various civic, fraternal and charitable committees. He is past president of the Northwestern University Club of Chicago, former Chairman of the Board of the University Civic League. Mr. O'Keefe is serving his second term as president of the Western Golf Association and is a member of the Chicago, Illinois and American Bar Associations.

WHY FARMERS AND BUSINESSMEN ARE SWINGING TO STEVENSON AND KEFAUVER

The American farmer deserves a fair share of the nation's prosperity. But he's not getting that fair share today under the Eisenhower-Nixon-Benson Administration. For every dollar farmers earned in 1952, they get only 75 cents today, even though the cost of living is higher than ever before.

So the farmers are swinging to Adlai Stevenson and Estes Kefauver. The farmers are swinging to Stevenson and Kefauver because the 1956 Democratic platform has the best farm plank ever written. It pledges to regain the 100% of parity the farmers had in 1952.

The farmers are swinging to Stevenson and Kefauver because they are fed up with broken promises. In 1952, Eisenhower promised to continue 90% of parity price supports. Today, price supports are far below that, and the parity ratio is only 82%.

The farmers are swinging to Stevenson and Kefauver because they will work for effective, fair programs to dispose of our farm surpluses.

The big squeeze of small business is on . . . and it has been on ever since the Eisenhower-Nixon Administration took office in 1953. Small businessmen are fed up with it.

Between 1952 and 1955 small businessmen saw their share of industrial assets drop 22%. They saw their share of the nation's profits fall more than 50% while big business profits have gone up more than 45%. Today—there are 18,900 fewer manufacturing firms in the United States than there were in 1952.

Giant corporations are swallowing up smaller ones so fast that if the present rate keeps up, they will own all U.S. industry by 1980.

If the Eisenhower-Nixon Administration has its way—there just won't be any small businesses left:

So small businessmen are swinging to Stevenson for President. Adlai Stevenson and the Democratic Party are pledged to preserving the small family firm which, like the family farm, must be the very bulwark of a new America with

Vote 'Yes' On New Banking Act

The Hodge scandal in Springfield gives additional point to the need for public approval of the New Illinois Banking Act in the general election on November 6. A "yes" vote on this new act is urged because:

The new act will modernize our state banking laws to meet modern-day needs — the proposed new law is the first major change in Illinois bank operating law since 1919. It will clarify the present vague powers over banking of the Auditor of Public Accounts. In cases where the auditor is required to take over a bank for purposes of reorganization or liquidation, the discretionary acts of the auditor are subjected to immediate and continuing court supervision. These legal safeguards will go far to prevent abuses of powers vested in the auditor.

* * *

THE NEW ILLINOIS Banking Act is not a constitutional amendment and should not be confused with a separate Blue Ballot proposal. It is a change in the banking laws which has already been passed unanimously by the legislature and now requires approval by a majority of those voting on the issue at the election.

This new act certainly deserves to receive that approval. A committee of bankers, attorneys and representatives of state and federal supervisory authorities worked for 2 years in drafting the new act, and retained those provisions of the present law which are sound, adding only that which is necessary to fit banking practices more exactly to modern needs.

* * *

WHILE MUCH of the act is highly technical, every voter can recognize the importance for such provisions as those conforming state banking procedures where necessary to Federal law, thereby supporting the Federal Deposit Insurance program ... the establishing of new and improved working relationships between state banks and the Federal Reserve System and the Comptroller of the Currency ... improving the legal framework for the operation of ordination between the state bank-banking system.

In the midst of a campaign when charges and counter charges are flying fast and furious ... it is refreshing to note that this new banking act was approved unanimously by both Republican and Democratic legislators. However, while there is no organized opposition, the new act can be defeated unless Illinois voters register their approval on November 6.

A "yes" vote for the new Illinois banking act is the first step toward any corrective legislation which may be required with respect to the office of the Auditor of Public Accounts. (POL

Navy Offers Best Career Opportunities In History

The U.S. Navy now offers more career opportunities than ever before in its history. These opportunities have been designed to encourage reenlistments among men completing first enlistments.

At present, and for some time past, only one of every ten men has re-enlisted at the end of their first cruise. Yet, out of every ten completing their second or subsequent enlistment, 9 reenlist.

* * *

THE REASONS for these contradicting figures are simple: (1) most young men do not fully realize the benefits available for a navy career and (2) they seem to have inflated ideas about salaries and opportunities in civilian employment.

The present 90 per cent reenlistment rate of career men is excellent, but to maintain a good balance of manpower throughout the navy, reenlistments among those completing their first cruise should be increased to approximately 25 per cent. These are the men the additional benefits have been primarily designed for.

Any person reenlisting in the navy more than 90 days after discharge will receive the following reenlistment benefits: (1) Assignment to the coast of his choice, (2) Up to 30 days advance reenlistment leave, (3) Advance travel pay and (4) pay record made up and given to the reenlistee in order that he may draw pay while on leave, if desired.

* * *

ALL PERSONS reenlisting within 90 days after discharge will receive all of the above benefits plus a substantial monetary reenlistment bonus.

Many men reenlisting after broken service now have another new and distinct advantage. In many cases a person who has been out of the navy up to a year can reenlist with the same rating held at time of discharge. In some cases, this is still possible up to 2 years after discharge.

These new benefits, in addition to those of long standing, such as free medical and dental care, full pay during hospitalization, fringe benefits and early retirement, add up to make a career in the navy very rewarding.

* * *

MEN WHO HAVE served one enlistment in the navy and have returned to civilian life for a year or two are in an excellent position to evaluate the opportunities in both walks of life.

The navy urges these men to investigate and take advantage of the opportunities available to them for returning to naval service.

A Fighting Stratton Winds Up 3 Week County Campaign

Governor William G. Stratton concludes 3 weeks of intensive campaigning in Chicago and Cook county this week in his fight for re-election.

The governor pounded away on the issue that "it is up to the people of Illinois to decide whether they want the Chicago city hall gang to run the whole state with their hand picked substitute candidate for Governor or want me to carry on to complete the program of progress I started four years ago."

* * *

"MY OPPONENT is a mere pawn in the hands of the Chicago bosses," Stratton said. "They write the words and music and he sings them. He is frank to admit that the bosses will run the state if he is elected to be governor of Illinois."

Stratton said "I owe my nomination to no one but the people of our great state. If re-elected I will continue the program of providing better schools, safer highways, better working conditions and a higher standard of living for all the people of Illinois."

NEWSPAPERS which have endorsed Stratton's candidacy include the Chicago Tribune, the Bloomington Pantagraph, the Centralia Sentinel, the Illinois State Journal at Springfield, the Decatur Herald-Review, Urbana Courier East St. Louis Journal Southern Illinois, and the Champaign News Gazette.

Stratton's candidacy also has received the endorsement of the Illinois State Federation of Labor and the Congress of Industrial Workers. (POL

State Chamber Sponsors 2nd Dutch Elm Disease Parley

Plans for a second statewide conference on controlling Dutch elm disease have been announced by the Illinois State Chamber of Commerce.

Chamber President Louis Ratzesberger Jr. said the 1-day session will be held at the Congress hotel in Chicago Tuesday, Nov. 13.

"The conference was planned," Ratzesberger said, "in response to requests from many Illinois communities for answers to problems that have been encountered in instituting and maintaining effective control programs. Because of the widespread desire to learn more about methods of stamping out the Dutch elm scourge, the conference is open to anyone interested in attending."

The state chamber sponsored a similar conference a year ago when there was little public awareness of the grave menace to the state's valuable elm trees. During the past year, the presence of Dutch elm disease has been confirmed in 11 new counties in Illinois bringing the number in which it has been detected to 86. Though no accurate count of elms lost to the disease this year is possible, one authority estimated the total to be in excess of 25,000 trees.

* * *

SPEAKING at the 3 conference sessions will be 9 recognized authorities in the fields of forestry and plant pathology. Their subjects range from essentials of a good preventive campaign to important aspects of cost. A movie, "The Fight to Control Dutch Elm Disease," will be shown as part of the morning session.

Among speakers from Illinois are 3 from the Illinois State Natural History survey at Urbana: Dr. Harlow B. Mills, Dr. Richard Campana and Dr. J. C. Carter. Also from Illinois are John C. Van Camp, city forester of Rockford, and Noel P. Wysong, chief forester of the Cook County Forest Preserve district.

Others are: Russell R. Whitten, U.S. Department of Agriculture, Columbus, Ohio; Walter I. Meyers, Department of Parks and Recreation, Detroit, Mich.; Daniel W. Warren Jr., Superintendent of Parks and Forestry, Brookline, Mass., and Dr. Paul E. Tilford, National Arborist Association, Inc., Wooster, Ohio. (B7

Law Professor Urges 'Yes' Vote On Blue Ballot Plank

An eminent tax and legal authority has declared that Illinois taxes are "contrary to proper tax theory andprinciple" pay."

Rubin G. Cohn, professor of law at the University of Illinois, called for the adoption of the Blue Ballot revenue amendment in the November 6 election as "necessary to the establishment of a more realistic and equitable tax policy for state and local governments."

* * *

AN EXPERT in the field of municipal taxation, Cohn is author of the legal portions of "Chicago's Government," a book published by the University of Chicago Press. He has served as tax consultant to the City of Chicago, drafting and recommending many legislative measures. He is also secretary of the co-ordinated judicial article committee which represents the Illinois and Chicago Bar associations.

The present revenue article dates to 1870 and has been called "unworkable" in the light of present-day demands upon local and state governments.

"Under existing limitations the real property tax which largely sustains the municipal government is burdensome and fast becoming oppressive," Cohn said.

The proposed amendment to the revenue article seeks to classify property for tax purposes rather than having it assessed arbitrarily as is now done. The measure prohibits the legislature from levying a graduated income tax, a stipulation not included in any other state constitution.

Cohn said Illinois personal property tax system was "practically unworkable and unfair." proper tax theory and principle" Much criticism has been leveled at Illinois' personal property tax which has given rise to arbitrary assessments.

* * *

The revenue amendment will enable the legislature to eliminate the present personal property tax and authorize a sounder, more realistic system.

Cohn said the revenue amendment, which must be approved by a 2/3 majority of those Illinois residents voting on the proposition, will "permit a start in the direction of a tax policy grounded in principles of fairness."

It will also create a tax structure "more adaptable to the growing demands of state and local governments for additional services," he said. (B10

MAYOR DALEY SAID:

YOU WILL PAY PAYROLL TAX TO CHICAGO

IF REVENUE AMENDMENT PASSES

Mayor Daley might have a convenient memory about the Chicago payroll tax he wants suburbanites to pay if the Revenue Amendment passes—but this will refresh his memory and inform you. Read the reports in all four Chicago newspapers.

Furthermore, there is a serious danger of **HIGHER TAXES ON YOUR HOME** because of what is alleged to be a serious, faulty section discovered in the proposed amendment. Don't take a chance. Vote No, because it's a **"BAD BLUE BALLOT"** this time.

Chicago American, May 12, 1955
"Daley emphasized that the new revenue article would open the door to a payroll tax, which would permit Chicago to collect a withholding tax on paychecks from suburbanites who commute to jobs in the city."

Chicago Tribune, May 15, 1955
"This levy would be an 'earnings tax,' imposed upon the earnings of all persons working in Chicago in business, industry, and the professions. Such a tax also could conceivably be imposed upon earnings of stocks, bonds, and other securities held by Chicago-employed persons, it was pointed out. No details were given as to how this would be done, however."

Chicago Daily News, May 10, 1955
"Main Points as outlined by Daley are: —Amend the revenue article so that other forms of taxation can be considered in 1957. One form frequently mentioned is a payroll tax."

Chicago Sun-Times, May 4, 1955
"Daley acknowledged that a payroll tax suggestion has been dropped. He said such a tax could not be imposed without a change in the revenue clause of the Illinois Constitution which would take several years."

CHARLES F. CARPENTIER SECRETARY OF STATE

In 1953, your Secretary of State, Charles F. Carpentier, successfully fought for the passage of the New Illinois Drivers' License Law ... hailed by traffic experts as one of the best in the nation.

Since that time Secretary Carpentier has been foremost in the battle for public safety. Evidence of his aggressive leadership and intelligent administration is shown by the fact that he has revoked, suspended or cancelled the driving privileges of more than 33,000 drunken, reckless or negligent drivers!

One of them might have killed you ... or someone dear to you!

During the time that Charles F. Carpentier has been in office, hundreds of thousands more vehicles have crowded onto Illinois highways—yet the death rate on our highways has not appreciably increased while the national average is up 8%!

Why?

Because of Charles F. Carpentier, *your* Secretary of State and his strict, honest, forceful administration.

When you vote for Secretary of State Charles F. Carpentier you will vote to save lives ... and the life you save may be your own! Remember—

No Gold Star Mothers ...No Casualties

'In '52, Americans indicated their preference for President. They were tired of inept men who wasted American lives. They chose a man of family, of military experience and unquestionable integrity: Dwight D. Eisenhower.

The times cried out for such a man. American boys were fighting in Korea. Casualty lists clogged our newspapers. There was sorrow in many families; fear in others.

Today we have peace. With Eisenhower's experienced and steady hand at the helm, we have stayed at peace. There are no Gold Star Mothers, no casualties.

We have new crises in London. In Moscow. In Egypt. In Latin America, China and Japan. Only a man who has dealt successfully with such critical events in the past, is trustworthy today.

Northwest Area Democrats Hear Scientist On H-Bomb

Sixty guests at a pot luck supper at the Northwest Suburban Volunteers for Stevenson-Kefauver headquarters in Park Ridge Thursday, heard Dr. B. James Raz, associate physicist at Argonne National Laboratory, speak on the validity of Adlai Stevenson's proposal to end H-bomb tests.

Dr. Raz, a member of the Atomic Scientists of Chicago, said that Stevenson's proposal does **not** ask that the United States alone give up H-bomb testing. We should require other nations to agree to refrain from further tests, also, he added.

"SINCE WE are able to detect any sizeable nuclear explosions anywhere in the world (those small enough not to be detected are of negligible military interest), prior establishment of inspections systems is unnecessary. It may be assumed that any government which cares to spend the money will develop whatever weapons they choose, short of actual testing. The knowledge is already in the possession of all the top scientists in the world.

"However, if an agreement to refrain from H-bomb testing were sustained on all sides, it could prevent development of new superweapons of unimagined insidiousness because no one will mass-produce an untested type of weapon," he said.

DR. RAZ referred several times to the report of the National Academy of Sciences which President Eisenhower quoted from in his statement of Oct. 24 when he said the "biological damage" from atomic bomb tests and other atomic activities "has been 'essentially negligible'."

By reading further from the NAS report, Dr. Raz showed that the encouraging impression was false.

ALTHOUGH weapons tests have thus far been a minor source of radiation, the probability that many nations will engage in these tests in the near future unless a ban is agreed to suggest that a fantastic increase in radiation damage awaits us and our children.

Dr. Raz appeared at the supper in place of his associate, Dr. William Davidon, who was called by the Democratic Party as an advisor on the subject and was unable to attend as scheduled.

During the question and answer period which followed his address, one of the guests asked why this information is being brought out at this time, during an election campaign.

Dr. Raz replied that scientists have been trying to get audiences to listen to them for years, and that they are grateful that Stevenson's discussion of the problem has at last given them an opportunity to bring these grave facts to the people.

They are eager to speak, to church groups and PTA meetings, because most of them have expressed the opinion that this is a moral issue which should be decided by the people as a whole, and not just a few members of government or the field of science.

THE INVOCATION was given by Father Miles of the Passionist Order and the speaker was introduced by Harry Kinser, Democratic candidate for the Illinois general assembly from the Sixth District.

The meeting was presided over by Mrs. Frederick Thulin Jr., Northwest Suburban Area director of the Volunteers for Stevenson-Kefauver. (Pol

Lawyer Committee Backs Schwartz For Court Post

A non-partisan lawyers' committee for the election of Ben Schwartz, Republican candidate for Judge of the Superior Court of Cook County, has been formed. Headed by Henry Tenney as chairman, committee members include J. Francis Dammann,, Albert E. Jenner Jr., Charles A. Bane, Henry A. Gardner, and Harry C. Kinne.

In a recent statement the committee pointed out that Schwartz has been an assistant attorney general for Illinois for the past 18 years. To illustrate his effectiveness is the fact that he has served in that capacity under four administrations, both Republican and Democratic.

MR. TENNEY said, "in his capacity as assistant attorney general, Schwarz has handled some of the most important litigation involving the State of Illinois in both State and Federal Courts. In his years of trial experience he has earned the respect of Judges and his adversaries alike. He is a man of exceptional ability and highest integrity.

"Politics should play no part in the choice of our judges. That is why I, as a Democrat, join with fellow lawyers, Republicans, Democrats and Independents, in supporting Ben Schwartz for Judge of the Superior Court."

Candidate Schwartz has been endorsed by the Chicago Bar Association, Chicago Daily News, and the Better Government Association. (Pal

How We Do It

This is the second of a series to acquaint you with your Community Child Guidance Centers. Plans are going forward toward establishing a Center in the Northwest Suburban area. The names are fictionized. The places and incidents are real.

Summary: Helen Marks, rebelling at the daily morning confusion in her home visits a guidance center. Thru questions and answers it has been established that Carol and Susan, daughters of the parents receiving counseling, find quarreling useful in keeping the parents busy with them.

Upon the return of the parents to the group, the first thing the counselor pointed out was the willingness of the girls to talk of their problem in front of the group. He told Mr. and Mrs. George the girls had shown an understanding look when he had explained to them that they wanted to keep mother and daddy busy with them.

The counselor further explained that when a child understands the purpose of his behavior, it becomes useless to him and he may try another sort of behavior to gain his goal. The counselor asked the parents what they did about the quarreling. They answered that they were always telling the girls to stop.

At this the counselorpointed out that it was unreasonable to expect that after being told one-hundred times to stop quarreling that the girls would listen to the one-hundred and first time. This comment brought chuckles of recognition from the whole group.

When asked if these quarrels pressed deep concer nbecause she felt the girls should love each other. The counselor pointed out to the parents that their deep concern over the quarreling provided an excellent audience for whom the girls performed. If the parents were to stop being an audience, WHAT would be the point of performing? Being left to work out their quarrels by themselves would help the girls to build a closer and more friendly relationship. The counselor recommended that the parents' mind their own business' and stay strictly out of the fights, allowing the girls to have the experience of settling their own quarrels.

This whole idea gave Helen a glowing feeling —"Well, maybe he has something there." At this point the discussion became from all over the group. "But the little one will get the worst of it," and "What will the neighbors think?" These questions and many others were answered simply and directly. Helen realized that Bob would call this just plain common sense. After much pointed discussion the counselor was able to show the group that he has a deep and sympathetic understanding of today's mothers.

In her effort to be a 'good mother' she is too concerned about every thought and action of her children. In her fear of not being a good enough mother she does too much for the child and thus denies him his right to learn re-No mornal child will do for himself as long as he can get parents to do for him.

Furthermore and worse still, whenever a parent does for a child that which he could do for himself, the parent is showing disrespect of the child and denying the child growth toward usefulness and adequacy.

The counsellor recommended to the parents that they explain to the girls that they are big girls now and quite able to get up, get dressed, eat their breakfast and get off to school all by themselves. Mother and Father were no longer going to be concerned about the matter. Mother said, "But what if they are late to school?" to which the counsellor replied, "That is THEIR problem. It is strictly between them and school. The parents agreed to try anything for the short three week period before their next counselling session. In the meantime, they would attend each week, regularily.

That evening, Helen, still full of enthusiasm, told her husband about the morning session at the center. Bob expressed the same doubts that had been expressed by the questions of the group at the center. After Helen had explained it more fully to him, he too warmed up to the idea and they decided to try minding their own business and letting the children mind theirs in their own home. Bob wanted to know how much all this would cost. "It is free, dear. The Community Child Guidance Centers are supported by the community and counselling is free and visitors are welcome at all five centers in the Chicago area."

To be continued.

Who's Put Up $250,000 Fund To Fight Ballot?

"Special interests" are spending more than $250,000 to defeat the Blue Ballot revenue amendment in the November 6 election, it was charged Tuesday by Robert S. Cushman, mayor of Highland Park and vice chairman of the Citizen's Blue Ballot information committee.

Chushman termed the opposition campaign "a major scandal" and warned voters against being "taken in."

"THIS SECRET fund is being spread all over Illinois for expensive television and radio time, hundreds of billboards, and for newspaper ads which are spewing out false and misleading information," Cushman said. "It's time the voters knew the truth.

"Why is it that more money is being spent to beat the Blue Ballot than has been spent in many gubernatorial campaigns Illinois has seen in recent years? Who is behind it? Where is the money coming from?

"The citizens of Illinois have a right to know the answers to these questions, but those who know the answers will not give them. They have refused to open their books for inspection by newspaper reporters, and they have refused to disclose the names of their contributors.

"ONE REASON for this secrecy is obvious, and that is the fact that these special interests are enjoying big tax advantages under our state's present revenue article, and they are willing to spend huge sums to preserve the status quo.

"They want to continue evading their fair share of the tax load, and they want the homeowner, the farmer, the small retailer and the sales tax payer to continue carrying the load. And if the tax load gets bigger, as it undoubtedly will, they want the same people to pay the increase."

Cushman said the opposition had purchased 200 billboards throughout the state, and that he planned to "blanket" TV, radio and press throughout the state with commercials and ads urging defeat of the amendment.

"THEY HAVE bought up so many billboards downstate that one candidate for governor told us he was unable to obtain any billboard space," Cushman said.

"It should be obvious to every voter that these special interests must have a great deal to gain by the defeat of the Blue Ballot. If that were not the case, they would not be spending such huge sums in their campaign." (B10

Barrett Has Unusual Record As Vote Getter

The career of Edward J. Barrett, Democratic candidate for Cook county clerk, has been most unusual.

From the time he enlisted in the army during World War I as a youth of 17, to his appointment as county clerk for Cook county in 1955, is an almost uninterrupted story of public service in military and civilian capacities.

Barrett served as an overseas enlisted man in both World Wars; with the Army in World War I, he joined the Marines in World War II. He has been State Treasurer for one term (1930-32) the youngest ever elected to that office in Illinois. Auditor of Public Accounts for 2 terms (1933 to 1940); and Secretary of State for 2 terms (1945-1953.) On April 19, 1955, he was appointed Cook County Clerk, succeeding Richard J. Daley, upon the latter's elevation to the office of Mayor of Chicago.

In the history of modern Illinois politics, Barrett is the only individual who has been elected to 3 separate state offices.

Barrett also has the distinction of having been upon 2 occasions the only Democratic candidate for state office to win election. The first occurred in 1930 when he was making his first bid for public office as the candidate for State Treasurer; the second occasion was in 1944 when Barrett won his first term as Secretary of State despite the fact that he was still a member of the U. S. Marine Corps and stationed in the Pacific.

Barrett's ability to choose and attract top-flight assistants to conduct the affairs of the various departments under his jurisdiction has been an important contributing factor in helping him to achieve an enviable record in public office.

As state treasurer, auditor of public accounts, and secretary of state, Barrett proposed and sponsored legislation aimed at increasing the efficiency of operation of the particular office for protecting the general public.

As county clerk, his office has been in charge of election machinery of the county towns. The increased population has required establishment of many new precincts which were formed on their merits devoid of political strategy.

He has been the leading Democratic vote getter of Cook county. The public service Barrett has given the county and state have in the past won for him many normal Republican votes.

Home Man Is Candidate For Superior Judge

Republicans of the northwest area, as well as Democrats, are expected to rally to the support of Henry W. Dieringer, Barrington, who is Democratic candidate to fill the vacancy in the superior court, occasioned by the death of the late John Touhy.

The Chicago Bar association says that on the basis of his character, experience and ability, he is well qualified for a seat on the bench of the superior court.

He expects strong support in his home township and special interest is being shown in neighboring communities.

Candidates for judgeship vacancies will appear on a small paper ballot—not on the voting machines.

Normally, candidates for judgeships go before the voters at a judicial election.

COOK COUNTY
DELINQUENT
TAX LIST
Wheeling Township

OFFICE OF COUNTY TREASURER OF COOK COUNTY AND EX-OFFICIO COUNTY COLLECTOR OF COOK COUNTY, ILLINOIS.

Advertisement and Notice of Collector of Cook County of Application for Sale of Delinquent Lands and Lots for General Taxes for the year 1955, and Notice of Sale Thereof and application for judgment, fixing the correct amount of any tax paid under protest and for order of sale on such payments, as provided by law.

October 31, 1956

NOTICE IS hereby given that the said Collector of Cook County will apply to the County Court of Cook County on the 12th day of November, A.D. 1956, for judgment against lands and lots hereinafter described as being delinquent upon which taxes remain due and unpaid, or personal property taxes charged thereon, as noted in this advertisement, remain due and unpaid, for said taxes, interest and costs and for an order to sell said lands and lots for the satisfaction thereof according to law (excepting from said judgment and order of sale the cases which are included in this advertisement for sale only under former unexecuted judgments and orders for sale as may be noted in this advertisement.)

Notice is also given that an application will be made for judgment fixing the correct amount of any tax paid under protest.

Notice is further herein and hereby given that on the second Monday next succeeding the 12th day of November, A.D., 1956 to-wit, the 26th day of November, A.D., 1956, at the hour of 8 o'clock A.M., all said lands and lots hereinbefore described for sale of which an order shall be made, or has heretofore been made and not executed as noted, will be exposed to public sale at the County Building of Cook County where the County Court is held in said County, for the amount of taxes, interest and costs due thereon respectfully.

The following is a list of delinquent lands and lots upon which the taxes remain due and unpaid, the name of the owners, where known, the total amount due thereon (excluding delinquent special assessments separately advertised and the year or years for which the same is due.

(The total amount due in this application on each tract or parcel of land or lots is the sum of the amounts appearing due in this advertisement).

EXPLANATORY NOTE—In this list in all places where no other notation is made the figures in the column headed "$" (meaning dollars) and "cts" (meaning cents) represent the taxes due and unpaid for the year A.D. 1955. Where the letter "F" is placed to the left of the figures in this column it is intended for an abbreviation of the word "forfeiture," and denotes that the amounts set down to the right of the same are the amounts due and unpaid on said lands and lots for which said lands and lots have been previously forfeited to the State. When back taxes are extended they are indicated by the letters "B.T."

Payment of taxes made after printer's copies are sent to publishers for listing, and appear as delinquent in this advertisement, will be satisfied in judgment records before sale.

Where no description of property (either land, lot, block or portion thereof) appears in said list to the left of and opposite the figures in said column headed "$" (meaning dollars) and "cts" (meaning cents) said figures relate to the land, lot, block, or portion thereof last above described appearing to the left of the opposite said "$" and "cts" column. "Name" in the words "name" where used in the list means name of the owner of said delinquent lands or lots. "Desc" in said words means description of said lands or lots.

Allen B. Kline, Noted Farm Leader, To Speak At Farm Bureau Meeting

An Iowa hog farmer who has gained an international reputation as a farm leader and farm expert will speak at the 36th annua meeting of the Cook County Farm Bureau at Arlington high school next Thursday.

Allen B. Kline, 60, one of the nation's foremost authorities on agriculture and formerly president of the American Farm Bureau federation, will Farm Zureau federation, will address an anticipated crowd of 1,000 farmers and their wives at the session.

A dinner will be served in the high school cafeteria beginning at 6 p.m. and the evening program will get under way at 8 p.m. Reservations are required for the dinner.

ALLEN B. KLINE

Kline operates a farm at Vinton, Iowa, on a 50-50 basis with one of his 3 sons. Much of his time in the past decade has been spent on missions overseas at the behest of Farm Bureau or government officials.

For example, he recently returned from a short stay in Geneva in connection with Japanese trade agreement negotiations. His first trip abroad was a 2-month sojourn in England in 1944 under the joint sponsorship of the Office of War Information and the British Ministry of Information. There he told Britains of the wartime production efforts on Midwestern farms.

IN 1945 KLINE was a consultant at the San Francisco meeting that gave birth to the United Nations and in 1946 he went to London as a Farm bureau delegate to the meeting at which the International Federation of Agricultural Producers was founded. He is now president of the group, an international body of national farm organizations.

Kline's service to the Farm bureau includes 4 years as a township director in Iowa, 10 years as a county bureau president and 17 years on the board of directors of the Iowa state federation.

* * *

ON THE NATIONAL level, Kline served as president of the American Farm Bureau federation from December, 1947 to December, 1954 and previously was vice president for 2 years.

Among his many offices, he is a vice president of the board of the Fund for Adult Education and active in the American Assembly, Farm Foundation, Eisenhower Exchange Fellowships, Inc. and the National Committee on Boys and Girls Club Work.

Help Yourself To Apples At Bell Farm

A ' do it yourself project" in the Mossley Hill Orchards on Route 12 near Lake Zurich is helping owner John L Bell dispose of a bumper crop of apples.

Daily, and especially on Sundays, hundreds of families are picking the apples themselves from the heavily-laden trees and thus assuring themselves of a substantial discount on the cost.

THIS NOVEL way of disposing of the fruit was decided upon by Bell when an early frost interfered with normal picking operations.

Containers and ladders are furnished to the pickers, who have their choice of Jonathan, McIntosh and Delicious varieties.

There are 4,500 trees in the 100-acre orchard maintained by Bell, one of the largest and best-known apple orchards in Illinois.

* * *

MEANWHILE, cider presses at the orchard are working overtime, turning out from 10 to 15,000 gallons of the soft drink. (Fm

There's Trouble Ahead For Cattle Feeder In 1957

Too many cattle are going into feedlots at too high a price considering the number to move to market later says a leading live stock magazine. Unless the brakes are applied soon, cattle feeders could again be in trouble in 1957.

Corn Belt cattle feeders bought 49 per cent more stockers and feeders in June, 34 per cent more in July, a whopping 119 per cent more in August and 37 per cent more in September than in the same months of 1955.

* * *

IF ALL THE feeder cattle still available at a price are headed for feed lots this fall and winter, cattle feeders are in for a rough time price-wise the last half of 1957 or perhaps sooner.

The present and near future looks fairly rosy for top choice and prime cattle and not too bad for practically all fed cattle properly finished for their kind. This is due to our concentration on heavy steers, yearlings and heifers and the 20 per cent cut in calf purchases in the fall of 1955. Fed cattle marketings were crowded into the first six or seven months of this year.

* * *

THE CROP OF big fat cattle is pretty well gone now and we are running short on top yearling weights as well. A new crop will have to be made before such cattle can be in trouble again.

Early bought big steers and yearling heifers are likely to do well if finished quickly but not "picked too green." But what happens after that when the bulk of the new crop begins to roll marketward will be mainly a matter of numbers.

As things look now, it is likely that the 1957 fed cattle supply and market behavior might be more like 1955 and 1956. That would be with relatively lighter supplies and better price levels in the first half and heavier marketings and lower prices in the closing months.

Announce Milk, Butterfat Score Of 3 Area Cows

The Holstein-Friesian association of America has announced marks of milk and butterfat production compiled over the past year from milk given by cows in northwest suburban herds.

The Holsteins were Tower View Burke Kathy, belonging to William C. Brockmann and Sons, Palatine, which produced 16,491 lbs. of milk and 579 lbs. of butterfat as a 5-year-old. The cow was milked twice daily for 365 days.

* * *

OTHER MARKS are: Gayjean Montvic Inka Star, 14,317 lbs. of milk and 613 lbs. butterfat as an 11-year-old. The cow was milked twice daily for 345 days and belongs to Dorothy Hammerstein of Roselle.

Florem Cindy, 14,171 lbs. of milk and 627 lbs. of butterfat, milked twice daily for 365 days by owner Ray E. Meyer of Roselle.

The records are a part of the national Holstein organization's herd improvement registry, a popular official testing program designed to provide individual lactation and lifetime production on every cow in participating herds.

DOWN ON THE FARM

with Your Farm Adviser

CARL F. MEES

Between 100 and 150 young Illinois farmers are expected to enroll in the 1956 winter short course in agriculture at the University of Illinois starting on Monday, November 26.

The purpose of the short course is to furnish an opportunity for concentrated study in agriculture at a time of the year when farm people are able to get away for a short while. They can bring themselves up to date on the technological and economic changes and developments in the modern farm methods.

Classes will end on January 17, and there will be a vacation for Christmas and New Years' from December 21 until January 3.

* * *

NOVEMBER 1-2 are the dates of the Illinois State Vegetable Growers meeting held in the library auditorium of the Southern Illinois university. An interesting program has been arranged. Those interested will find it worthwhile to attend.

St. John's Evangelical and Reformed church, Algonquin and Roselle roads celebrated its 110th anniversary Sunday, October 28. This is one of the oldest, if not the oldest church in the County. The interior and exterior is of the same architectural design as it was when it was built in 1846. There has been a new addition added lately because of the rapid growth in membership.

The members of the congregation are to be highly complimented for their outstanding record. Every member was proud to attend services on this memorable occasion, I am sure.

Harvesting of the fall crops is well under way. Both the soybeans and corn yields have been satisfactory, considering the small amount of water that we had available during the growing season.

RESIDENTS of the rural areas of Schaumburg, Elk Grove, Wheeling, Palatine and Barrington townships will be contacted soon relative to the support of a new community hospital located on the Wheeling and Elk Grove township line, just south of Arlington Heights.

I am sure this is a worthy project and should be supported by everyone. We need a good hospital in this community.

I WANT to repeat a suggestion that I had in my last week's column. If you have not watered your evergreens, you should do so immdiately. This will be good insurance that they will survive the winter in good shape.

Increase Farm Families Eligible For FHA Loans

New legislation has increased the number of farm families who are eligible to obtain operating loans from the Farmers Home Administration, Robert C. Becker the agency's county supervisor said today.

The new law increases the maximum amount that can be advanced, and as a part of the rural development program makes loans available when the farmer has part-time employment off the farm.

Operating loans are made for the purchase of machinery, livestock, equipment, fertilizer, seed, tractor fuel and other farm and home operating expenses needed to carry out efficient farming operations on family type farms. In some instances, a loan may be made to refinance existing debts.

Under this new law, loans will also be available to applicants who have part time employment off the farm, provided they are established farmers conducting substantial farming operations and spending the major portion of their time farming. Such operators must have dependable sources of outside income. The main purpose of these loans will be to help farmers who live in areas designated for the rural development program.

OPERATING loans are repayable over periods of 1 to 7 years with the interest rate at 5 per cent. The amount that can be loaned is based on the needs and the ability of the borrower to repay. The loan must be sound.

The ability to repay a loan made for operating a family-type farm is determined by the earning capacity of the farm and the operations the farmer intends to carry on. The Farmers Home administration supervisor assists each loan applicant in preparing a complete farm and home plan.

No loan can be made unless this plan shows the farm income to be sufficient to provide the family a good living, pay operating expenses, cove depreciation costs, pay debts and leave a reasonable amount for reserve.

Every borrower is expected to keep a complete record book to determine what direction he should take in each farm enterprise, to show his progress, and for income tax purposes. At the end of the year a review is made of the year's operations, and a new farm and home plan is prepared.

* * *

TO BE ELIGIBLE an applicant must be a citizen of the United States, have had satisfactory farm experience or training, and be unable to obtain credit from other sources at a reasonable rate. He must also have, or be able to rent, a suitable family-type farm.

All of the present loan services of the FHA, which include loans for development and purchasing of family-type farms, farm housing and soil and water conservation continue to be available.

The Farmers Home administration county committee determines the eligibility of each applicant.

In Cook county the committee men are Harvey H. Pohlman of Palatine, Harold D. Bergman, Palatine, and George F. Klein Jr., of Elgin.

Additional information regarding these loans may be obtained at the FHA office in Woodstock, 110½ E. Jackson st. The office is open from 8 a.m. to 5 p.m., Monday thru Friday. (Fm

ARLINGTON HEIGHTS — The Woman's Club annual Reception, universally conceded to be the most popular social function in Arlington Heights, was held at the spacious mansion of Dr. Janet Gunn, (on the corner of Euclid ave. and State road, the beautiful place known as the Evergreens) Thursday evening, Nov. 1. It was the most lovely moonlight night and as usual, the elite of this vicinity gladly accepted the generous invitations of the Woman's Club to enjoy this delightful occasion.

Heights School Notes — The floors were thoroughly cleaned Saturday.

ARLINGTON is a growing town. She is slowly but surely catching on to modern city ideas. The latest advance is an all night watchman. We now have an up-to-date policeman in spick, span new uniform, with regulation policeman's hat, club and large silver-plated star, as his badge of authority. Arthur Diebold, policeman No. 1, is a fearless young man, who carries the dignity of the law well. With the able assistance of Constable MacNab and Marshal Horstman, evildoers will hereafter have to give the Heights a wide berth or languish behind the bars in the village bastile, over the reservoir.

MT. PROSPECT — High School opened two weeks ago with seven scholars and has now increased to eleven.

A disgrace to our town — The malicious mischief and property damage done by the lawless desperadoes Halloween calls for a halt and vigorous protest. It was a dirty contemptible trick to torment a poor woman and drive her cow into the public school house and there was no sense in breaking windows and causing needless expense to innocent parties. Such antics lead to states prison or the gallows. Punish the culprits and make them learn to mind their own business. All who indulge in such deviltry should be severely punished — they ought to be banished from civilization and sent to Mexico where they could share the fate of those brigands.

DIMES of the new coinage are just issued from the mint and hard to get, but the Dairymens Bank of Northern Illinois, at Itasca, always in the line of progress, has secured them for you. It seems likely that, owing to an alleged error in engraving, no more of this exact mintage will be coined, in which case these dimes will become very valuable. The Bank hopes that all its friends will call early; and you, the reader, is included.

The old Dutch windmill on Grand ave. and County Line road which has been one of the landmarks of western Cook County for three quarters of a century has been rstored.

The Mount Emblem Cemetery Association which bought the property on which the old mill stands with rare foresight, renovated the mill with the idea of using it as an ornament for the cemetery.

* * *

IN THE OLD atlas of Du Page County, published in 1873 there is a wood cut of the residence of the late Henry Ahrbecker and another of the residence and mill of H. P. Fischer. The grandson who was born and raised in the first farm house at Grand ave. and Church road hauled many a load of grain to the mill and piled it on the receiving room farm. The receiving room is now the office of Mt. Emblem Cemetery and the farmer lad is now Mr. Emil H. Ahrbecker, president of the cemetery association. The mill was started by Frederick Fischer about the year 1847 and was not finished until 1850. Two workmen brought over from Holland worked six months to complete the main cogwheel which is over ten feet in diameter.

'Tax Conditions Getting Worse'

Stratton, Austin Urge 'Yes' Vote For Blue Ballot Nov. 6

Governor Stratton and his Democratic opponent in the November 6 election, Judge Richard B. Austin have called the Blue Ballot Revenue Amendment a "much needed revision to the Illinois State Constitution and necessary to the benefit of the entire state."

Both Stratton and Austin agreed that Illinois is in dire need of a more equitable and workable tax system to replace the present outdated tax structure which was written in 1848, and that the amendment is one of the most important steps to take to solve serious tax problems at both a statewide and local level.

STRATTON criticized groups who are working against the amendment, "as it should be obvious to all that it is in the best interests of all Illinois citizens.

"I can't understand how any organization or group can fail to overlook the fact that tax conditions are getting worse and the only solution is the substitution of better tax laws as offered by the proposed amendment," Stratton said.

Austin, too, criticized opponents to the Amendment for "using propaganda appealing to certain groups who do not want an equal distribution of the tax burden."

He said opponents to the Blue Ballot had "falsely impressed" downstate Illinois particularly.

IT WAS pointed out that the opposition has falsely claimed that the amendment will pave the way for increased taxes. The amendment does not actually levy one cent of taxes. It is merely the framework within which the Legislature levies or authorizes taxes.

The trouble with the present constitution is that it compels the Legislature to levy unjust and unworkable taxes. The proposed amendment permits the Legislature to abolish such taxes and substitute just and workable ones.

John T. Pirie Jr., chairman of a citizens committee, said voters should keep the following facts in mind:

1. **THE BLUE** Ballot imposes no new or increased taxes on citizens of Illinois. It simply permits the state legislature to enact a workable system of property taxation under which personal property, particularly intangibles, can be made to bear a fair share of the tax load.

2. **The Blue Ballot, for the first time in Illinois, specifically prohibits a graduated state income tax. Such a tax, similar to the one imposed by the federal government, is not impossible under the present state Constitution.**

3. If government services grow, and more money is needed, taxes will have to be increased whether or not the Blue Ballot passes. However, if the Blue Ballot is defeated, the increased taxes will have to come from the same sources as at present, and property now escaping its fair share of the load will continue to "ride free."

4. **THIRTY**-nine states, not including Illinois, have already by law abandoned the unclassified general property tax as unfair and unworkable. As a practical matter, it may be said that Illinois has also abandoned the unclassified property tax as, in practice, tax assessors have been arbitrarily assessing property at different rates for many years. Under the Blue Ballot, however, the power to classify would henceforth be vested in the legislature, not assumed by the assessors, and would be subject to rigid restrictions enforceable in the courts.

5. **A payroll tax in Chicago or any other Illinois city is no more likely under the Blue Ballot than it is today. Such a payroll tax is permitted under the present revenue article in the State Constitution.**

AMONG organizations which have endorsed the Blue Ballot are Chicago Association of Commerce and Industry, Chicago Bar Association, Chicago Retail Merchants Association, Illinois Association of School Boards, Illinois Federation of Retail Associations, Illinois Home Bureau Federation, Illinois League of Women Voters, and Illinois Municipal League.

Others are: Citizens of Greater Chicago; Citizens Schools Committee; City Club of Chicago; Illinois Agricultural Association; Illinois Congress, Parent-Teacher Association; Illinois State Bar Association; Illinois State Federation of Labor; Illinois State Federation of Teachers; Polish-American Congress-Ill. Division; and Retired Teachers Association.

Here's How Candidates Stand On School Issues

Many area voters will choose state candidates November 6 by their stands on Illinois school problems.

With this in mind, the advisory board of Palatine Parent - Teacher association recently wrote letters requesting the school views of the 6 candidates for the state House and Senate from the 3rd state senatorial district and the 6th representative district.

The senatorial district includes Palatine, Schaumburg, Barrington and Hanover townships. The representative district includes these plus Wheeling, Elk Grove, Northfield and Maine townships.

All but 1 candidate replied. All those replying agreed that northern Cook county houses possibly the most acute school problems in the state.

The essence of their replies:

3rd Senatorial District

JACKSON L. BOUGHNER, (R—candidate for state senator, 3rd district):

Boughner offers a plan whereby a redistribution of Illinois real estate taxes would provide needed funds to school districts caught in the dilemma of low assessed valuation and high pupil rates.

He says in part: "Rather than increasing the sales tax, or enacting an income tax (to provide needed school funds), I would suggest a more equitable distribution of the real estate tax which will take the place of an equivalent amount, statewide, of the local tax for schools, and be distributed on the basis of assessed valuation per pupil."

In other words, regardless of how rich a school district is, it would still receive, for example, $100 per pupil from real estate taxes levied by the state.

Boughner suggests that if the state raised more school money, real estate taxes in communities such as Palatine, Wheeling, etc. would be reduced somewhat because the tax rate to raise necessary money on a statewide basis would be lower than the rate needed in townships with little industry and large school enrollments.

Schools now receive about 20 per cent of educational expenses from the state. Boughner's plan would increase that percentage.

* * *

OLIVER C. DILKS, (D—candidate for state senator, 3rd district);

"Since the support of not only the public school, but townships, fire district, park district, cities, villages and counties are all dependent on our present real estate and personal property taxes, it is imperative that a broader, fairer base for the support of these public services be found."

Dilks believes approval of the Blue Ballot revenue amendment November 6 will be a step in the right direction for the Blue Ballot would broaden the tax base by giving the legislature power to define and classify property for taxation.

Dilks stands for more state aid to needy school districts and puts faith in recommendations to be made on this subject to the legislature by the School Problems Commission Number 4.

In addition: "I shall certainly support a bill providing for a school building revolving loan fund, which will provide school building funds for those districts which have exhausted their own bonding power."

6th Representative

* * *

HARRY L. KINSER, D—candidate for general assembly, 6th district):

Kinser believes control of schools should remain in the local hands, but due to crises faced by many school districts all available local, state and national resources should be brought to bear on the situation.

As Kinser understands it, the formula for state aid to Illinois schools is based on the idea that it costs $200 per year to educate 1 pupil. Kinser believes this figure to be much too low and advocates raising it.

Kinser believes the legislature should create a School Building Loan Fund Authority, to work on a revolving basis loaning money to school districts which have used available bonding power and are in critical situations.

Kinser endorses the Blue Ballot revenue amendment which would make possible "greater total collections from the personal property tax and thereby more funds would be available for school districts from local taxes."

Calling the school problem the number 1 problem in the 6th District, Kinser suggests creation of some state authority, possibly a State Board of Education, "whose primary function would be planning for the years to come with respect to school financial problems."

* * *

JOHN W. CARROLL, (R—candidate for general assembly, 6th District):

Carroll repeats his primary campaign promise to work toward establishment of a $100,000,000 revolving building fund from which local school districts can borrow to build needed schools providing they have election approval of local taxpayers.

Carroll maintains it is meaningless to rate school systems by the percentage of state aid put into the costs of educating school children. While he admits that Illinois contributes only 21.7 per cent toward educational costs per child as compared to a national average of 35.3 per cent, he cites such states as Georgia to show that percentages mean nothing.

Georgia, he says, supplies 71.4 per cent of the costs of each child's education. But only $190 is provided for each child per year. Illinois raises $345 per child, of which the state provides 21.7 per cent, he says.

Carroll, in general, supports the school policies of Governor William Stratton, crediting Stratton as having "the most sympathetic yet sensible attitude toward the schools of Illinois of any Governor in many years."

* * *

THOMAS J. HALPIN, (D — candidate for general assembly, 6th District):

Halpin believes that education is primarily the obligation of the state. As such, it is up to the legislature to find a way to solve school problems.

Halpin favors a broader tax base to provide schools with needed funds. He supports creation of a revolving building fund to loan money, without interest, to school districts which have reached the limit of their bonding power.

He also believes the legislature should create incentives for drawing more people into the teaching profession.

ARTHUR E. SIMMONS, (R — candidate for general assembly, 6th District):

Simmons did not answer the request of the advisory board.

'Proposed Amendment Is Too Broad'

State Chamber Of Commerce Demands Blue Ballot Defeat

The Illinois State Chamber of commerce has reiterated its charge that the proposed Blue Ballot amendment to the revenue article of the Illinois constitution is too broad, contains serious defects, and urged its defeat.

LeRay A. Mote, chairman of the chamber's state and local taxation committee and secretary and counsel of Elgin National Watch comany, said the chamber is opposed to the amendment because it would "permit virtually any type of tax without adequate safeguards or limitations."

He pointed out that the sole protection is a prohibition against the levy of a graduated income tax, which is not now possible.

"ANOTHER major criticism of the amendment," said Mote, "is that it opens the door to excessive classification of personal property. Instead of being restricted to intangibles, it provides for the classification of all personal property, tangible as well as intangible, of any item of personal property Thus, it would permit singling out either for the imposition of exceptionally heavy taxes or for exemption from taxes. At issue is not only whether classification should be relaxed, but also the degree to which this should be done."

These and other state chamber objections to the amendment, which will be submitted to voters November 6, are outlined in a booklet mailed to the organization's statewide membership and other interested groups.

"THERE IS no question that the present revenue article is defective, but this does not mean that any particular amendment is an improvement. The essential need is to correct the defects of the present revenue article without introducing new defects."

The chamber's study suggests that some of the shortcomings of the amendment may be traceable to hasty legislative action in 1951, to failure to give it the study and review ordered by a law passed in 1953, and to a refusal to make any changes during the 1955 legislative session. As a result citizens are being asked to vote on a proposal identical with one they rejected in 1952.

THE ILLINOIS state chamber of commerce and certain other business groups suggested modifications in the proposed revenue article during the 1955 legislative session.

One of the objections the chamber sought to overcome at that time was the provision permitting the classification of all personal property, tangible as well as intangible.

To accomplish this it recommended that classification be permitted only for intangible personal property, and further required that if taxation of such intangible personal property were on the basis of yield it should be in lieu of, and not in addition to, present ad valorum taxes.

OTHER objections raised by the chamber to the proposed revenue article:

It is not needed as a basis for higher taxes in Illinois. The chamber finds that tax yields can be increased materially within the scope of the present revenue article.

The amendment cannot be justified by the claim that Illinois is a low-tax state because taxes are a smaller percentage of income in high income states like Illinois than in poorer states.

It will permit the levy of new taxes without requiring them to be in lieu of present taxes.

Be sure it's there when you need it!

Life is just chuck-full of milestones.

And, I have rounded another one.

I feel much better about the whole thing since I have decided that I will just have to ride along with the fact that I am getting, as the saying goes, on.

* * *

I WASN'T exactly aware that I was fighting it, but the last weekend proved that evidently I had been. Most of the time I feel pretty chipper. I can't exactly say that I run around leaping into the air clicking my heels together. Or, that I run shrieking happily into the night just because of excess energy. On the other hand, getting around in a rather sprightly fashion hasn't been too much of a problem either.

Six long years ago 2 couples of us made a trip into nostalgia by attending the homecoming ceremonies of Father's alma mater. The other wife and I were laboring under the delusion that we looked pretty snappy in our good little tweeds. I don't know about her, but I thought it was just a question of time until one of the college boys asked me what sorority I belonged to.

* * *

MY LITTLE bubble was rudely burst when we visited the fellas' fraternity house. There we stood, still feeling cute, when another woman came up to us and asked if we had sons in the fraternity. As my friend's oldest was then 5 and mine was then 11, our jaws dropped and we put on a good 15 years on the spot.

As we slunk from the house, we helped one another solicitously. We approaching the hip breaking stage..

I went home determined to do things about crow's feet and crepy neck. Of course I never did. So, the crow's have had a field day for 6 years and the neck looks not unlike an accordion. But, nothing, no nothing, ever got me back to another homecoming. Until this year.

THE TIME has come when I do have a child almost ready for college. So I went as a nice, wrinkled, middleaged little mother expecting nothing and getting it. And, guess what. I had a wonderful time. See what I mean by a milestone?

Just Around The Corner From Patty McArdle

'When Are You Coming Over?'

Dear Peg:

I was sitting in the kitchen about to scrape the last bite of vegetable-beef soup off of Patrick's face and try once more to keep it in his mouth when the phone rang.

"Bridget," I called, "please answer that and please say 'hello' first."

She has a dreadful habit of simply picking up the receiver and saying, "Who is it?" This abrupt greeting understandably annoys people and compels me to apologize for her and to explain that I hadn't asked her to make such an inquiry.

"O. K. Mama," she shouted from the living room and ran to the phone.

"Who is it?" she chirped—to my utter despair.

Who ever it was must have replied, "Who is THIS?" because her next word was "Bridget."

Then I heard, "You sound just like my Nana. Are you my Nana? Mama, Mama, it's Nana! When are you coming over?"

To 'come over' Nana must drive from Indianapolis 200 miles or about 4½ hours.

"Will you bring Dottie and Debbie and Aunt Dot?"

Before the guest list got any longer I reached the phone and excused Bridget. However, she refused to relinquish the phone until Nana promised to bring the cousins (my brother and sister-in-law's children) and our favorite aunt (Mother's sister who lives with her in Indianapolis).

By the time I got a chance to talk to Mother, the plans had been made and all that was left was to find out when they would arrive. Teachers' meetings in Indianapolis meant no school for Dottie and Debbie so they were able to come on Friday.

Unfortunately, it was only Tuesday when all this took place so each day, several times a day, thereafter came the question, "How many more days until they come?" The only advantage in their knowing so far ahead of time that a nice treat was in store for them was in the fact that I could use it so effectively for bribing: "Better hang up your clothes so that Dottie and Debbie can see how nicely you keep your room. Better eat all your breakfast if you want to stay well to see Nana and Aunt Dot."

At last Friday came around and they arrived at noon today. From Bridget's shouts I knew when Mother's car pulled into the driveway and from the window I could see the hugging and kissing as cousin embraced cousin. You'd never have guessed that it had only been two months since they'd seen each other. After a hasty lunch, we prepared to go over to Megan's classroom—her teacher had graciously agreed to let her 'dear cousins from Indianapolis' visit her.

For 4 children, 4 adults and one baby to visit, eat and sleep in a 4 room apartment for a weekend, in a reasonably calm atmosphere, takes a little ingenuity and a lot of patience. If the weather holds, we've got it made. All we do is keep the children outside and the adults inside.

They played in the yard all afternoon, until we called them in for dinner. Dottie and Debbie were so tired from the trip up and all were exhausted from the excitement of meeting that going to bed was no problem. All are asleep now and needless to say, all the beds and couches are filled (with the exception of one little niche waiting for me). I'm sitting in the kitchen finishing this note to you, but I think I'll go fill that 'niche' right now—I heard it rumored that there would be a trip to Hawthorn-Mellody Zoo tomorrow.

My love,

Patty.

You Only See Those Who Want To See You

Our product is so much in demand that I am looking for a few gentlemen who are able to represent my firm with this certain air of dignity that over 100 years of our successful history and background demand. Our representatives meet only the most cultural clientele on definite appointments set up in advance, on educational program.

I am not interested in high-pressure artists, but only people who enjoy salesmanship as an experience of human relations. This position pays a weekly adverage of $175 to $250 for a beginner on an advance commission precentage basis. Gentlemen who are used to success can write their own ticket. Opportunities for advancement to executive positions open. CONTACT MR. HULL, WILMETTE 8540.

Election Tuesday: Be Sure That You Vote!

The Editor's column

by STUART R. PADDOCK

The election Tuesday will reveal to what extent the voters will vote independently of former party affiliations.

Party workers are asking for straight party ballots, but there is an undercurrent of independent voting for some candidates who are working hard to break the usual Republican hold on this area.

This is particularly true in Palatine township where the Republican candidate for state senator, Jackson Boughner, is being opposed by Oliver Dilks, Democratic candidate.

Palatine PTA polled all candidates on their stand on school legislation. A summary of their replies was distributed Tuesday to all parents and appears in Section 7.

Palatine PTA made no candidate recommendations, confining its work solely to school matters.

Dilks proposes immediate relief by increased aid from the state. Boughner suggests the collection by the state of a real estate tax to be divided among all schools in proportion to their need.

We think any merit the Boughner plan may have, is overshadowed by the time that would be consumed in setting up a state control of school financing. The first step would probably be a county-wide school board.

It is certain that those big industries, whose tax would be greatly increased, and the school district they are now supporting would oppose strongly any such change in state laws.

We agree with Dilks and all candidates for state legislature who think the state should find additional revenue to give needy school districts direct relief as soon as possible.

•

This is the first year that there has been a contest between the 2 parties in this district for the seats in the legislature. The Democrats naturally do not expect to elect both their candidates, so it has become a battle royal between Halpin and Kinser as to who should get the third seat.

The Democrat machine probably thinks that with 2 candidates for one position, there will be greater Democratic activity in an otherwise Republican stronghold.

Of the 2 Republican candidates, we prefer John W. Carroll. His experience in the state government and general qualifications place him above Simmons.

•

We bow to the judgment of the officials of 5 municipalities and are ready to drive spikes into the coffin of the Sanitary District annexation.

With so many people in agreement on the opposite side of the fence we have thrown into the waste basket an editorial that predicted that a "no" vote would be regretted within 5 years.

So we join the majority and urge readers to crucify the sanitary annexation before it is born. It is 5 to 10 years ahead of time.

•

The banking amendment should be approved as also the referendum on the Blue Ballot. Both sides of the latter are covered on our "feature page" section 7, and in the political pages.

•

There is no candidate for whom we have a higher regard than Marguerite Stitt Church. In recognition of the service she has given to the district and to us personally, and to our civic organizations, we urge her re-election.

•

The League of Women Voters went several steps further in supplying to voters the thoughts of all local candidates on other than school matters. It made no candidate recommendations but a report published in this issue also covers the position of congressional and legislative candidates on the blue ballot (which all recommend) and revision of entire taxing machinery.

They differed on how it should be done.

As Eisenhower and Stevenson differ on national affairs, so do Marguerite Stitt Church, Republican candidate for re-election for congress, and her Democratic opponent, Mrs. Helen Benson Leys.

The interest which the PTA's and women voters leagues are taking in local, state and nation, is evidence that our women are accepting their voting responsibilities.

They are asserting their independence, which in turn, gives old-time Republican and Democratic chieftains something to think about.

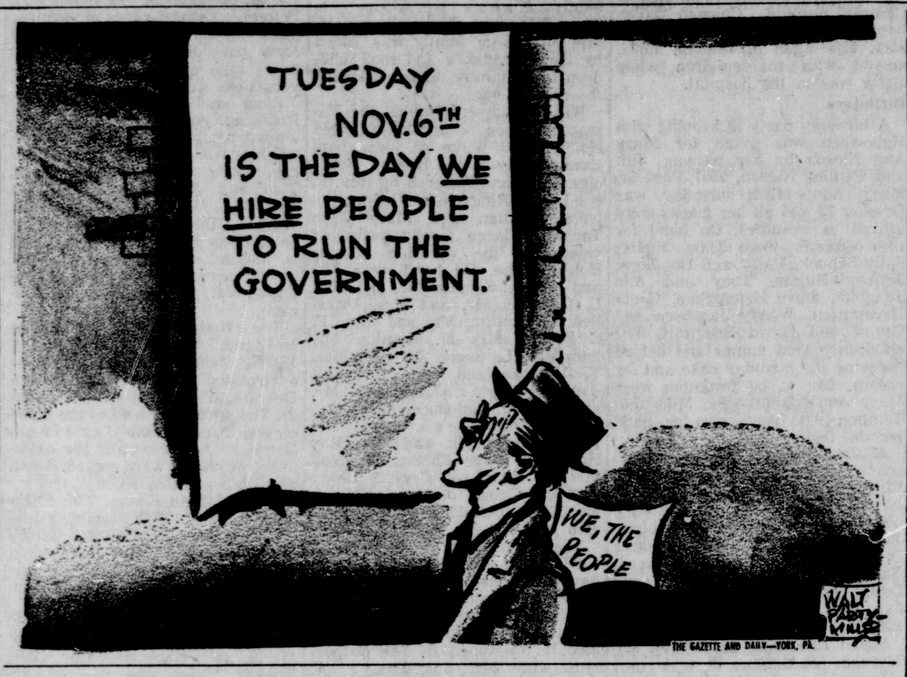
They are becoming ardent party workers. One of them explains it this way:

"We have to work hard to sell a candidate or party to another woman."

•

The above practically wraps up in one package our thoughts on the election. We are wearing an Ike button which shows how we stand on the presidential candidates.

This is a free country. A free election will be held next Tuesday. Go to the polls, everyone of you, next Tuesday and pray that there is not another war brewing in the near east as today's newspaper accounts indicate.



'Harmless' Prank May Blind Driver

A truck driver may lose his sight as a result of a "harmless" pre-Halloween prank.

A pumpkin was thrown through the windshield of his truck Monday night as he drove east on Central rd. toward Mt. Prospect. The man, Neil Bolier, 36, Carpentersville, received deep cuts about the eyes, face and shoulders from the flying glass.

* * *

HE IS employed by Milburn Brothers, a Mt. Prospect contracting firm.

A spokesman for the firm said an eye specialist is working to save Bolier's eyesight at St. Joseph hospital in Elgin.

Boiler was unable to pursue the westbound car containing the pumpkin-throwers but told police they may have been youths.

Police Chief Skoog said that the serious injury has again shown that no prank is a "harmless prank" and warned that persons responsible would be dealt with severely when apprehended. Milburn Bros. officials also said they would demand prosecution of the guilty parties.

* * *

A SECOND CASE of pumpkin-tossing also occurred Monday about an hour later. Richard Probstle, 1224 Kensington rd., told police a pumpkin was aimed at his car while he was driving north in the 700 block on State rd. It broke a headlight. Police have a description of the fleeing auto.

Damages to parked construction vehicles at Prospect Heights was also reported by Milburn Bros. All instruments on panels of the vehicles were broken by vandals, causing several hundred dollars worth of damage.

Noisy Praise

People of ancient Rome originated the custom of hand clapping as a means of applause.

GOP, Democrats Geared For Final Election Push

Rolling Meadows [illegible] parties will be working hard next Tuesday to "Get Out the Vote," particularly their own.

Both groups will provide transportation to the polls and baby-sitters for mothers, leaving "little excuse" for voters to stay at home.

Republican headquarters for election day will be 2103 George st. Voters desiring transportation, baby sitters or information may call CLearbrook 5-1282.

Democrats will operate 3 headquarters during the election. They are 2411 George st., CLearbrook 5-2071; 2412 Fremont st., CLearbrook 3-4920; and 3307 Pheasant dr., CLearbrook 5-3864. Transportation and baby sitters will be available.

DEMOCRATIC canvassing has been underway for some time. The distribution of campaign literature will be continued to election eve.

Republicans will try a "1-shot" canvass on Saturday and Sunday. Each home in the city will be contacted with information as to polling places, sample ballots and campaign literature.

A SPECIAL meeting of all Rolling Meadows Democratic party workers will be held Sunday at 2 p.m. in the home of Mr. and Mrs. Earl Kolb, 2903 Lark ct. The pre-election "caucus" will discuss election day strategy. A letter from Cook county Democratic party chairman Richard Daley will be read to the workers.

Precinct 12 in the city is a "Woman's Precinct" for the Republican party. Under the leadership of Mrs. Richard Stier, president of the Republican Women's club, the "girls" have distributed flyers to each home in the precinct. Mrs. Stier is serving as precinct captain. The women will canvass their precinct Sunday, Nov. 4. They are attempting to "outdo" the men's organization in turning out the Republican vote.

All Hospital Fund Drives Now Set For November 15

The Northwest Community Hospital Center building fund drive has been re-scheduled to November 15 to 26.

Nicholas M. Lattof, general chairman for the drive, announced the change in dates this week as the result of moving the hospital center's campaign headquarters from 8 E. Northwest hwy. to 818 E. Northwest hwy., Arlington Heights.

Lattof said the move at this time caused the postponement of many of the final meetings and preparations for the drive which was previously scheduled to begin a week earlier, but that the new quarters will greatly facilitate the conduct of the campaign.

Telephone for headquarters will remain CLearbrook 5-5791.

Meanwhile Lattof announced more progress in establishing leadership for the campaign in the various areas.

* * *

IN ROLLING MEADOWS, Richard L. Windsor, chairman, announced the final meeting for this area to be held in the Kimball Hill gymnasium Thursday, Nov. 15 at 8 p.m. Windsor listed the area chairmen for Rolling Meadows as follows: John M. Grady, Alfred Garms, Thomas Waldron, John Jennings, William Kolens, Godfrey Johnson, Joseph Stecker, Peter Keller, Richard Blane, William Windsor, and Jedd Nichols.

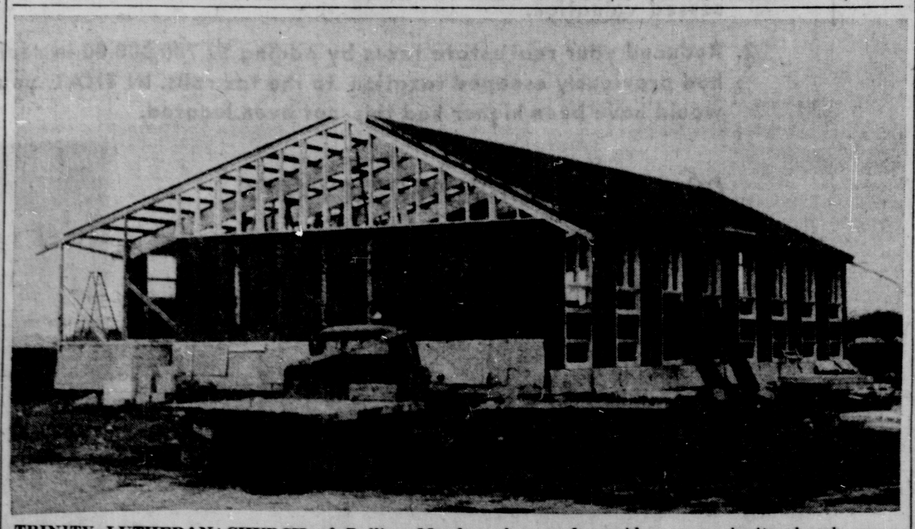
* * *

ANNOUNCEMENT of the appointment of the commercial and business chairman is expected this week. This will complete the organization which in total will number close to 500 residents and business leaders from the village.

IN ALL AREAS and communities it was requested that residents who would contribute some of their time to work on the drive would call any chairman listed above.

Donald Nugent, campaign counsel, expressed satisfaction with the leadership of the area-wide campaign organization. "The essence of success of a million-dollar fund drive is in the quality of the leadership," Mr. Nugent said.

The attainment of strong and representative leadership was complicated in this area by the 8 separate communities. For this critical task we are entirely dependent upon the effectiveness of the General chairman. This week Lattof has completed a strong and complicated [illegible]anization that is really 8 organiza[illegible]s with top leadership in all depa[illegible]ments. With this organization we can now go forward to ultimate success."



TRINITY LUTHERAN CHURCH of Rolling Meadows has made rapid progress in its church erection program as evidenced by this Paddock Publications picture. Groundbreaking for the Meadow dr. structure was held in mid-September. Dedication of the new building is planned for January although the congregation hopes to use the building for limited service in December.

Democrats Plan Pre-Election Party

More than 200 Rolling Meadows Democratic party workers will participate in a festive pre-election party at 8 p.m. Saturday in the Old Orchard country club.

Several Democratic candidates for office will be present at the event. Among the expected guests are Oliver C. Dilks, candidate for state senator from the new third district.

Wilke Rd. To Become Three Lane

Wilke rd. will be widened to 3-lane width to relieve traffic congestion during the 1957 racing season at Arlington Park, according to an article in a publication of the Cook County highway department.

In its October issue the magazine "Cook County Highways" says "The plan as presently contemplated is to widen Wilke rd. 4 feet on each side. This will provide 3 ten-foot lanes and still leave room enough for residents of that newly built-up area to park their cars."

An official in the office of county highway Supt. William Mortimer was unable to say which portion of the road between Algonquin rd. and Northwest hwy. would be improved.

* * *

WILKE RD. now has 2 lanes 11 feet wide. During the month of racing, traffic is heavy enough for a 4-lane road but the department claims that traffic during the rest of the year does not justify the cost of widening to 4 lanes.

On racing days a flexible divider fin will be laid down on the roadway to afford 2 lanes in 1 direction. The fin will be moved to allow 2 lanes for heavy traffic.

Local Police Crack Down On All Stray Dogs

If 'Rover" is roving, you had better beware!

That is the advice given this week by Rolling Meadows police chief Cy Campbell. An intensive drive to license all dogs in the city, as well as to pick up all strays, was being launched by the local police this week.

* * *

A DOOR-to-door survey to find unlicensed dogs is currently being conducted by the police. New 1956-1957 licenses have been on sale at city hall, 2207 Campbell st., since May 1. License cost is $3 for females and $2 for males and unsexed dogs. Proof of rabies innoculation within the past year must be shown before a license is issued.

City ordinances provide that dogs must be kept under control at all times, either on a leash or penned. While new residents have a 30-day grace period before the purchase of dog licenses, dogs must be kept under control from the time of occupancy. Dogs running free will be picked up by the police.

Dogs impounded by the police department are kept 3 days before being disposed of.

Booths, Games Feature Guild Bazaar Saturday

Woman's guild of the Rolling Meadows Trinity Lutheran church will sponsor a bazaar from 2 to 7 p.m. Saturday at Kimball Hill school.

There will be a variety of booths including Christmas cards and wrappings, childrens' clothing, fancy work, candy and bakery goods.

* * *

A PUPPET show and a movie along with the colonial lady will be presented for the youngsters' enjoyment.

Mrs. Shirley Kruser and Mrs. Hildegard Michael are in charge of the bazaar.

Coffee and cake will be served.

GOP Strength Is Still Great In Northwest Area

Northwest suburbs go to the polls Tuesday to select

—a President and Vice President of the United States;

—a United States Senator;

—a Representative to Congress;

—a Governor and other state officials;

—a state senator and state representatives; and

—3 judges and county officials.

In addition, voters will decide on:

—the Illinois Banking act designed to modernize the state's antiquated banking laws;

—the Blue Ballot tax revenue amendment; and

—expansion of the metropolitan sanitary district to include all northwest Cook county.

Polls open at 6 a.m. and close at 5 p.m.

Despite increased activity among suburban Democrats, there seems little likelihood that Democratic candidates will put much of a dent in the regular Republican strength in northwest suburbs.

President Eisenhower may surpass his 1952 majority by amassing more than 70 per cent of the vote.

Benjamin Adamowski, Republican candidate for state's attorney, also has a big lead over incumbent John Gutknecht.

* * *

ALTHOUGH Richard Stengel is leading Stevenson in suburbs, it is doubtful that he can catch up with Sen. Dirksen's wide margin in the contest for U. S. Senator.

Gov. Stratton is also expected to carry the suburbs.

Although Helen Benson Leys, Democratic candidate for Congress, has waged a vigorous campaign, Mrs. Marguerite Stitt Church is conceded to be a "shoo in" for re-election.

* * *

PRECINCTS in the northwest townships which are either partly within or partly without the sanitary district will use paper ballots in place of voting machines. They are:

Elk Grove—Precincts 5 and 6.

Palatine—Precincts 4, 7, 14 and 16.

Wheeling—Precincts 4, 11, 17, 18 and 29.

Paper ballots will be used in all precincts voting on the expansion of the Metropolitan Sanitary District. They will also be used to vote on the Judicial candidates and the Blue Ballot referendum.

Four pages of political announcements and stories appear in the society section of this issue. "Very appropriate," says the society editor.

POLLING PLACES for Rolling Meadows: Precinct 5, 3002 Dove st.; 12, 2110 St. James st.; 13, Hill school; 14, Community church, 3201 Kirchhoff rd.; and 16, 3408 Campbell st.

Little League Open House November 5

The Rolling Meadows Little League is holding a special meeting on Monday, November 5, to welcome new members. This meeting as are all meetings, will be held in the Community church Barn.

Any man who has some spare time that he would like to spend working with boys between the ages of seven and twelve is more than welcome.

Need Poll Lift? Just Call Ladies

The League of Women Voters of Arlington Heights has helped to get qualified voters registered. Now the league is just as anxious to assure each voter an opportunity to vote.

As an aid to any voter wishing it, free transportation and/or baby sitting will be provided by league members.

A voter may call any of the following in Arlington Heights: Mrs. Fredric Marks (south side), CL 3-3410; Mrs. M. J. Singleman (north side), CL 5-0548; Mrs. John Vork (Westgate), CL 5-0018.

Other league members from surrounding towns and areas will also be aiding their neighbors in getting to the polls.

Bank Closed Tuesday

Arlington Heights National bank will be closed for all transactions Election Day, November 6, in observance of the legal holiday.

How To Use Machines

Demonstration of voting machines will be made all week at Arlington Heights village hall and Wheeling fire station.

Takes Option On Postoffice Site Here!

Marguerte Stitt Church announced today that she has received word that the post office department has accepted an option on a site for a new post office building for Arlington Heights.

The location is at 201-203 W. Wing st. It consists of 2 lots, 132x132 ft.

Owners of the site are Mr. and Mrs. E. D. Ackerman, Rt. 1, Roselle, who recently secured a rezoning of the property for commercial use.

* * *

THE POST OFFICE department requires a building of approximately 7,000 sq. ft. The Real Estate Inspector will advertise for bids to have a building constructed on the site in the near future.

A site on West Campbell street was offered to the government which was considered excessive in price.

Mrs. Church is also trying to obtain action on a post office for Rolling Meadows and has been promised by the post office department that a new necessary survey will be made in the near future.

The most interesting feature of the election in northwest suburban townships, one observer noted, is not the number of votes credited to each candidate. Rather, it is which township will cast the highest percentage of its registered vote. The 5-township voting average was 93 per cent, or 21,922 votes of a possible 23,556.

* * *

IN THE 1952 election Elk Grove township led all others with a phenomenal 97 per cent of registrants casting their ballots. Second was Palatine township with an excellent 94 per cent and Wheeling township was third high with 93 per cent. Hanover polled 90 per cent and Schaumburg 87 per cent.

Championship awards for citizenship might well have gone to residents of the 3 Wheeling township precincts in which all but 2 registrants voted. The Palatine township of Palanois Park also compiled the remarkable record of 605 votes cast of a possible 609.

* * *

VETERAN poll-watchers will note results carefully next week to see if Republican County Coroner McCarron will again run ahead of President Eisenhower in Wheeling township (by 30 votes), in Elk Grove township (by 9 votes) and in Schaumburg township (by 13 votes).

The rPesident led the Republican ticket, however, in Palatine and Hanover townships. Surprisingly, in Schaumburg township the top vote-getter on the Republican ticket was State Treasurer Hoffman, who beat McCarron by 9 votes, with Mr. Eisenhower in a tie for sixth in the vote tally.

The "New" Look

Rolling Meadows city hall at 2207 Campbell st., has had its face lifted. Last Monday Harry Munn, the city's maintenance foreman, did the job with 3 gallons of "clean' green paint and a strong right arm.

Welcome Home

Milton Aksentijevich, 2904 Dove st., has welcomed home his wife, Elsie, and her son, Hans, 6 years old. Mrs. Aksentijevich and Hans have recently flown to Rolling Meadows from Frankfurt, Germany, where Mrs. Aksentijevich has been visiting her parents, Mr. and Mrs. Johan Knieriem. Mr. and Mrs. Knieriem live in Offenbach, a Frankfurt suburb, and young Hans has been living with his grandparents there. The little boy, who speaks no English as yet, has managed to make friends with the neighborhood children in spite of the language barrier.

Vacations

Peggy Courtney, 2700 Rohlwing, visited her grandparents in Arlington, Ky., over the weekend, while her parents visited with her uncle, Ray Catenacci, who is in school at Bloomington, Ill.

A memorable vacation in California has just ended for Betty Klein, 2902 Grouse lane, and her 2 daughters, Karen and Janis. They visited Betty's parents, Mr. and Mrs. Frank Zimple, and sister, Mrs. Robert Rantz, in Arcadia. They also visited Disneyland and saw several live television shows.

A weekend trip to Dayton, Ohio, was recently enjoyed by Mary Hayes, 2908 Thrush lane, where she visited her sister, Mrs. C. W. Marlowe. Mary was accompanied by her 2 children, Tommy and Mary Beth.

Ken and Pat White, 2916 Cardinal dr., returned home recently after a weekend in Peoria. Their sons, Ronald and David, went with them to visit Ken's father, Mr. White, and Pat's mother, Mrs. Smith. Mrs. Smith returned with them and stayed in Rolling Meadows for a week.

Halloween Parties

The annual Sigwalt st. Halloween party was held this year in the Dahlquist garage, 2506 Sigwalt st. Don and Nancy, who were this years host and hostess, did a superb job with decorations, goblins, witches, pumpkins and refreshments. The masquerade party got under way Saturday night with the guests arriving as clowns, cannibals, bunnies, and in many other costumes that would take only the most vivid imagination to make. Bob Meyer outdid himself on his 'rare" costume and walked away with first prize for the best men's costume. Lou Martin, who was the cutest cannibal with a bone through her nose, was chosen to be the winner of the first prize for the best women's costume. Others who also made a spectacular entrance were Glen and Alice Farquhar, Marge and Gene Brandt, Ann and Eddie Jaske, Marie and Tom Lisinski, Lil and Bill Behlke, Marilyn and Bob Mueller, Lois Meyer, Jack and Dorothy Thompson, Ed Martin and Don and Vera Tessendorf. Hot dogs, donuts and "hot" coffee were served to the gang before they bid a farewell in the wee small hours of the morning.

Another gay Halloween party was held jointly in the garages of Ed and Evelyn Wisniewski, 2110 St. James st., and Ken and Ruth Maitland, 2200 St. James st. Some of the guests came in costume, however, dress was optional. Those who enjoyed dancing, playing the various games and the refreshments served during the evening were Dick and Pat Richards, Bill and Nancy Reedus, Art and Shirley Valentine, Dave and Jean Robinson, Adolph and Jenny Komistra, Ray and Pat Werner, George and Kay Albin, Lloyd Black and Donna Buttimir.

So the children of the block wouldn't feel left out, the Wisniewski's opened their garage in the afternoon to the small fry who enjoyed a costume party with their set from 5 to 7. They enjoyed bobbing for apples and playing the "marshmallow on the string" game. Under adult supervision, they grilled hot dogs outdoors and toasted marshmallows. The small fry who really enjoyed "their' own party were Kenny, Debbie and Craig Wisniewski; Rickey, Ronnie and Robert Richards; Jamie Maitland; Mickey and Tommy Valentine; Kathy, Madeline, Ramona and Patty Jo Werner; Janice and Steven Komistra; Jimmy, Ronnie and Terry Huffman and June Albin.

Birth Announcements

Betty and Bob Seelbach, 2306 Park st., are happy to announce the arrival of their first girl, Mary Jane, who joined the family October 18. She was born in Resurrection hospital with birth weight of 8 pounds 2 ounces; length, 19½ inches. Grandmother Hauser, Betty's mother, came from Chicago to take care of Bobby, 5, and Tommy, 3, while their mommy was in the hospital, and waited with the boys for a first glance at her new granddaughter.

A new king reigns at the home of Anita and Bob Gelderman, 2410 Bluebird lane, with the birth of Patrick John October 10 in Resurrection hospital. He weighed in at 7 pounds 7¼ ounces. Ann and Peter, the other 2 Gelderman children, are having a vacation at grandma's in Minnesota and will return home in the near future. However, they have had all the latest news of their new brother via phone and mail.

"Mommy has a baby, dad has another son and I've got a 6 pound 8 ounce baby brother," beamed 2½-year-old Gary Thorstenson of 3603 Fremont. Born Sunday, Oct. 28, in Lutheran Deaconess hospital, Val and Ralph Thorstenson have named the new family addition David Ralph.

Donny Simon, 18 months, has recently become a big brother. His parents, Don and Betty Simon, 2106 Swan lane, introduced him and his sister, Joyce, 3, to David Wayne, born October 23 in Illinois Central hospital, Chicago. The baby weighed 10 pounds at birth. Mrs. Lee Egen of Dunlap, Iowa, stayed with the children while Betty was in the hospital.

Birthdays

A birthday party in keeping with Halloween was given for Mary Ann Niesen by her parents, Jim and Pauline Niesen, 2507 Park st. Mary Ann's fifth birthday was October 22 and all her guests were attired in costumes. On hand for the occasion were Dale Endre, Sally Schuck, Patsy and Hal Zorn, Jeffrey Kupitz, Tony and Ann Jungblut, Steve Henaughan, Greta Hermansen, Wendy Jacobsen and Connie and David Brummit. The children played games and helped consume the birthday cake and ice cream. Not to be forgotten were Mary Ann's 2 brothers, Mike and Tommy, who were also on hand for the festivities.

Another Rolling Meadowite who celebrated birthday number 5 was Billy Fritsch. Billy observed his birthday October 20 and invited a number of his friends for a birthday party. In attendance were Owen Walther, Randy Zaccard, Gary Goeschel and Robert and David Sydow. Billy is the son of the G. Werner Fritsches, 2105 Eastman st.

Susan Lehmann, 2902 South ct., 10 years old October 16, was guest of honor at a birthday party given by her parents, Mr. and Mrs. Paul Lehmann. Several playmates who joined in the celebration were Kathy and Rickey Palluck, Janie Clark, Sandy Schinkowsky and Susan's brother, Paul. Also on hand to help Susan celebrate were Grandma Esaw, Marge Beyer and Jean Schinkowsky.

A family birthday party Sunday was enjoyed by Donna Lee Cerney, who will be 2 years old October 30. She is the daughter of Shirley and Tom Cerney, 2405 Park st. On hand for the occasion were Donna's grandparents, Mr. and Mrs. Fahey and Mr. and Mrs. Cerney, and other relatives including Mr. and Mrs. Russ Cerney and their 4 children, Mary Meg, Timmy, Patty and Billy; Marilyn and Carol Fahey and Jackie and Mary Carol Cerney, all of Chicago; Mr. and Mrs. Harold Wright and their 4 children, Susie, Cindy, Debbie and Terry, and Mary Kay and Russ Niesen of Rolling Meadows. Donna's young sister, Kathleen, 10 months old, was also present for the festivities.

New Residents

Neighbors on Bluebird lane have extended their hand and given a big smile to Marge and Gene Bassonville, who have recently moved into their new home at 2301 Bluebird lane. They formerly lived in Arlington Heights. Gene is a wood and metal pattern maker, a draftsman and an engineer. In his spare time (?) he relaxes. Gene is kept busy with her job during the day at the Mt. Prospect bank and keeping house and cooking for her hungry husband.

Anniversaries

Shirley and Jack Seeling, 2809 Owl lane, celebrated their wedding anniversary October 24. They dined at Gus' Steak house in Chicago and saw the play "No Time for Sergeants."

Christenings

Our Lady of the Wayside church, Arlington Heights, was the scene Sunday of the christening of Kathleen Ann Von Holdt. She is the infant daughter of Bob and Jo Von Holdt, 2006 St. James st. Rev. Harold O'Hara officiated at the baptismal service. Godparents were John and Gloria Botwinski. The immediate family was joined by the Botwinski's and their children for a family dinner following the christening.

William Edward Holthe, the 2½-month-old son of Sarah and Fred Holthe, 2309 Wilke rd., was baptized Sunday in the Rolling Meadows Community church by Rev. S. Nelson Ringsmuth. Godparents were Norman and Mary Jane Tonge. A large family gathering celebrated the occasion at the Holthe home. On hand were Mr. and Mrs. L. Schultz, Mr. and Mrs. L. Gaydoul, Mr. and Mrs. Drieslien, J. Schultz, Mr. and Mrs. F. C Holthe, Mrs M. Kumlin, Mr. and Mrs. L. Sager, Mr and Mrs. T. Richman and their future daughter-in-law, Anita, and Mr. and Mrs. O. Simonsen, all of Chicago; twin nieces, Linda and Laura Janus; Mr. and Mrs. Roy Holthe of River Forest; Mr. and Mrs. R. Jones of Crystal Lake; and the Tonge children, Charles and Ellen. Donald Fred, who is 3, also joined in the festivities.

The christening of 5-month-old Kevin Scott Jones took place Sunday in St. Paul Lutheran church, Evanston. Pastor Aigner officiated at the ceremony. Kevin Scott is the son of Pat and Tom Jones, 3505 W. Campbell st. The godparents were Mr. and Mrs. S. A. Lindell, who are also the maternal grandparents. Additional sponsors were Mr. and Mrs. William Mackill. A buffet supper was served to the godparents and the following guests at the Jones home after the baptismal service: Roger Jorgesen, Karen Lindell, Mr. and Mrs. Warren Jones, Mr. and Mrs. Andy Byrne and Kevin's brother, Gary.

Farewell Party

"Off we go into the wide blue yonder" has a lot of meaning for Dolly and Joe Duda, 2411 Wing st. Saturday night Dolly entertained a number of their friends and neighbors at a farewell party for Joe, who is leaving with the air force for Parks air force base in California. From there he will be sent to the far east. Dolly will follow later with their 6-month-old son, Gary, as soon as Joe has found adequate housing. Friends and neighbors present for the party were June Reese from Lisle and Myrtle and Bill Yunger, Pat and Art Eggert, Charlene Johnston, Lois and Clare Wickstrom, Zinna Naymola, Noree and Lee Enger, Florence and Art Nyblin, Barbara and Paul Fackler and Evelyn and George Mahoney, all of Rolling Meadows.

Thanks

The mothers on the 2800 block of Flicker lane extend a vote of thanks to Tony Freehauf and Mike Gould, who have entertained the children of the block on so many occasions with fascinating puppet shows. These young boys constructed their own puppets and provided the neighborhood children with countless hours of wholesome activity this past summer for which the mothers and children are grateful.

Parties

Sunday evening Robert and Ann Scanlen, Fred and Sue Nunes and Jeanne and John Markus got together at Deer Grove for an old fashioned wiener roast. After a hearty supper in the brisk fall weather, they returned home to continue the evening.

A party for the residents of Grouse ct. was held Saturday at the home of Ray and Louise Pettersen, 2808 Grouse ct. Attending were Lois and Paul Lloyd, Jean and Dean Bonnell, Shirley and John Northcote, Eleanor and Pete Keller and Carol and Ray Petterson Jr. of Chicago. The junior Ray Petterson showed slides of pictures taken on family trips during the early part of the party and also made tape recordings of the conversations that evening.

Ricci and Jeff Johnson, 2602 Rohlwing, entertained with a Halloween party Saturday night. Party-goers were Bud and Betty Phillips, Gene and Jerry Skweres, Tom and Jean Bouchard, Doris and Ray Wojtewicz and Ricci's brother, Doug Sutpkin and his date, Betty Budd of Chicago. Doug is staying with Ricci and Jeff, having arrived recently from Roanoke, Va., to accept a job in Chicago.

The Roll-A-Weighs of Rolling Meadows, the local chapter of TOPS, (Take Off Pounds Sensibly) entertained the Mt. Prospect Diet-Dears at a costume party October 29. The party was held at the home of Sue Nunes, 2503 Cardinal. Games were played and low calorie refreshments were served. About 20 members attended.

Art and Beth Kasen, 2705 Flicker, were host and hostess to a party given for the College Career club from the Fairfield Baptist church in Chicago. They entertained 24 people at a Halloween party October 27.

A lavish costume party was held Saturday evening at the home of Marie and Gene Duchene, 2804 Flicker. There was dancing, refreshments and even a scavenger hunt. Guests included Ginger and Herb Menier, Jo and Larry Batisti, Lenea and Dan Polake, Rosemary and Leonard Dana, Nona and Con Hill, Frances and Bud Thompson and Joan and Glenn Wehrman. Prizes for the best costumes went to Lenea Polake for her little girl attire and Larry Batisti for his arab disguise.

The National Guard annual masquerade party October 27 was the destination of Jim and Erlene Hines and their guests. The party included Lorraine and Bill Hughes, Beth and Lefty Olsen and Chuck and Ruth Houle. Chuck and Ruth went as a little boy and girl; Beth was a French maid and Lefty, a cook; Bill and Lorraine went as caveman and woman. Jim and Erlene became George and Martha Washington for the evening.

The gals of Eastman st. were guests of Barbara Walther, 2104 Eastman st., at an evening kaffee klatsch, October 16. On hand for the evening were Charlotte Heitbrink, Ruth Bristow, Ella Sydow, Doris Zaccard, Lucy Holden, Rita Evans, Lois Fritsch, Louella Fink, "Bunny" Kelly and Rene Jaremus.

Visitors

Mr. and Mrs. Peter Schnepp, Milwaukee, are visiting at the home of their daughter and son-in-law, Mr. and Mrs. Don Beyer, 2900 South ct., for a week. Sunday Mr. and Mrs. Michael Medley and the Earl Schinkowskys joined the Beyers and the Schnepps at the Beyer residence for a barbecued turkey dinner with all the trimmings in honor of Mr. Schnepps birthday.

Marilyn and Jim Brummet, 2500 Park st., entertained Jim's brother and his family, Mr. and Mrs. Owen Brummet and their 3 children, Kathy, Gary and Dick, from Normal, for the weekend. Connie and David Brummet were happy to see their cousins and are looking forward to their return in the near future.

Barbara Kolin was 2 October 25. That evening her parents, Billy and Max Kolin, 2108 Flicker, entertained with a party which included Doris and Bob Sales and their children, Debbie and Ricky, and Delores and Ray Powers and their 2 children, Neal and Patricia.

ELECT OLIVER DILKS

Senator – Third District

A paid advertisement by Noble J. Puffer, Cook County Superintendent of Schools.

I have never taken part in partisan politics in off-year elections until now. **This is one of our most important elections for Palatine, Barrington, Hanover and Schaumburg Townships.**

For the first time we can be represented in Springfield by a Senator from our own area.

Oliver Dilks, our neighbor, a respected public official, a graduate of the University of Illinois and who owns a small farm, has openly and courageously stated his position on major issues affecting us.

His platform encourages me, for he says:

(1) **We must have increased State School Aid**, large enough to help relieve local property taxes. They are too high.

(2) I favor the abolition of personal property taxes. It is unfair and inequitable.

(3) **I shall, when elected, serve all citizens, regardless of party affiliation.**

(4) I favor the Revenue Amendment to our 1870 Illinois Constitution. It will permit reclassification of property on a fair and equitable basis.

As a citizen and neighbor, I ask your support for:

OLIVER DILKS

Democratic Candidate for State Senator
Third Senatorial District

INSANITY??

JACKSON L. BOUGHNER publicly stated before the Rolling Meadows Home Owners Association that he favored:

1. Increasing the assessed valuation on real estate tax bills to present market values.
2. Opposed to any increase in State Aid to schools.
3. Re-imposing the State tax levy on real estate.

If Boughner's policies were put into effect, the real estate taxes on your home would increase approximately 200% to 300%. TAXES ON A SMALL HOME COULD GO UP FROM $200.00 to $600.00 a YEAR.

COMMON SENSE

OLIVER C. DILKS has PLEDGED himself to work for:

1. More State Aid for schools on the basis of need, large enough to help relieve local property taxes. They are too high.
2. Favors the abolition of personal property taxes. It is unfair and inequitable.
3. When elected to serve all citizens, regardless of party affiliation.
4. Favor the Revenue Amendment; it will permit reclassification of property on a fair and equitable basis.

OLIVER C. DILKS as Palatine Township Assessor has:

1. Reduced your personal property taxes by equalizing and reducing your assessed valuation.
2. Reduced your real estate taxes by adding $2,700,000.00 in real estate that had previously escaped taxation to the tax rolls. IN THAT, your Tax bill would have been higher had this not been located.

More Birthdays

Harvey and Pat Zimmer, 2603 Sigwalt, entertained with a double birthday for their sons Michael and Gary. Gary was 6 October 11 and Michael was 10 October 12. The party was delayed until Harvey returned home from out of town October 20. The guests were Jimmy, Skeeter and Janice Masura, Denny and Peggy Denton, Chuck Mier and Dean Menier. The boys climaxed the afternoon with a football game.

Billy Miner, 3606 Sigwalt st., son of Betty and Howard Miner, celebrated his fifth birthday October 24. Playmates Bruce Anderson, Mickey Layden and Denny Denton joined him for games, ice cream and cake.

A mardi gras party for 20 on Halloween night helped make Debby Wiszowaty's third birthday one she will long remember. Debby is the daughter of Janet and Stanley Wiszowaty, 3005 Swallow lane.

Birthday honors were shared at a large family party by Linda Jean and Mary Ann Regillio Oct. 25. Linda Jean was one and Mary Ann is 2 today. They are the daughters of Nick and Pat Present to extend best wishes were great uncles and aunts, Mr. and Mrs. Dan Magre and Mr. and Mrs. Dom Marge; grandparents, Mr. and Mrs. Joe Nanni; aunt and uncle, Mr. and Mrs. Dom Regillio. Cousins attending were Judy and Phyllis Magre and Joey and Donna Regellio.

A luncheon party for playmates and their mothers was the manner in which Chris Conley celebrated his third birthday October 26. Chris is the son of Nancy and Hal Conley, 2307 Robin. The luncheon was served to Debbie and Laurie Smith, Michael Erhard, Billy and Kathy Reilly, Cathy and Chuck Haley, Danny Charnota, Mark and Linn Flugardt and their mothers.

Thrill

The Egg Beaters club, a club limited to riders of helicopters, added 2 new members to their list Wednesday when Helen Mazur, 3403 Fremont, and Dorothy Halversen, 2406 Robin lane, rode for the first time in a heliocopter. The ride was made available through the courtesy of Sellstrom Manufacturing Co., where they are employed. Helen and Dorothy flew 800 feet high at 95 miles an hour, they were thrilled with their birdseye view of Rolling Meadows.

Demonstrations

A home products party was held at the home of Marge Piro, 2300 Rohlwing rd. The combination plastic and toy demonstration was viewed by Merle Mugler, Pat Fielding, Marian Venegas, Mary Ann Irey, Dorothy Ashworth, Pat Eidness and Doris Wojtowicz. Also present were Mrs. Laura Martino of Chicago, Marge's mother, Marcella Marcucci and Nora Amato of Westgate.

Another toy and plastic party was held at the home of Mary Lou Busse, 2500 Robin lane, Friday. Doing their Christmas shopping early were Sue Nunes, Jeanne Markus, Lois Caleva, Clare Pryer, Nancy Allmon and Babs Padden. Refreshments were served after the showing.

Family Addition

It's "official" now at the home of Art and Pat Eggert, 2413 Wing st. The Eggerts are proudly announcing the official adoption of their daughter, Leanne Therese, who was 1 year old March 31. She almost shares a "twin" birth day with her new brother Tommy, who was 1 year old March 16. Leanne has lived with the Eggert family since she was 6 months old, but now her family status has become permanent. The Eggert boys, Artie, 5, Jimmy 3 and Tommy are pleased to finally have a "sister" of their very own. (K

Report Progress On School To Aid Handicapped Child

The Community school for Retarded Children, located in Rolling Meadows, continues progress with school problems, both financial and organizational.

Additional financial support was received October 20, at the bake sale sponsored by the directing parents group of the school.

A total of $65 was raised through the sale, with bakery goods being contributed by parents, volunteers and members of the Rolling Meadows Junior Woman's club.

* * *

AN ADDITIONAL amount of $25.06 was contributed to the school by the Beta Sigma Chi sorority of Palatine. The sorority women operated a "white elephant" booth at the bake sale, held in the Rolling Meadows community church Barn. An additional booth was operated by the Junior Woman's club to sell 'trick or treat" candy for the benefit of the Brain Research Foundation.

The Rolling Meadows Little League auxiliary was the largest recent donator to the school. The auxiliary gave the parents group directing the school $50 as their receipts from the Little League auxiliary mothers ball game last summer.

* * *

AN ADDITIONAL teacher has been procured for the school. Mrs. J. Crane, Palatine, has donated her services for 1 day each week. Mrs. Crane is an experienced teacher for retarded children. She joins Mrs. Mae Filloon and Mrs. Dove Carter on the teaching staff of the Community school.

The appointment of a fourth member to the newly-established school trust fund was announced this week by Mrs. Arthur Krause, president of the directing parents group for the school. The establishment of a trust fund was the first step taken toward the eventual construction of a building to house the school. The new board member is Lester Johnson, a building contractor, of Elk Grove. Previous trust fund board members were James Maltman Jr. of Arlington Heights, Arthur Krause of Rolling Meadows and Edward Fortin of Arlington Heights. (K

Shopping Center Worker Overcome By Gas Fumes

A workman in the Rolling Meadows shopping center was overcome by gas fumes Tuesday. The Arlington Heights inhalator squad and fire engine responded to the call.

Joseph Losurdo, 37, was working beneath the floor in a confined area. Fumes from a gasoline troweling machine caused him to lose consciousness.

Losurdo was revived by the inhalator squad under the direction of Dr. Bernard Moore of Arlington Heights. He apparently suffered no permanent injuries and was not hospitalized.

Losurdo, an employee of the Imperial Flooring company, lives at 687 Greenwood rd., Northbrook.

Junior Hi Dances Are Smash Hit!

Record-breaking totals are being welcomed each week by the Rolling Meadows Junior Hi fellowship dance classes on Tuesday nights in the Kimball Hill school auditorium.

A new high of 85 club members were present last Tuesday for the third session of the 1956-1957 season.

Parents are invited by the group to attend — for a dual purpose. First to brush up on their own dancing, and secondly to assist the 2 teachers maintain control during the evening's activities.

* * *

APPRECIATION has been expressed by the fast-growing youth club's senior advisor John Woods to Palatine consolidated school district 15 officials for their cooperation in making the school facilities available to the dance classes. Woods also praised the Community church of Rolling Meadows for their aid in making dance class facilities available to the club last year. (K

Rolling Meadows Lions Hosts To Region Parley

The Lions Club of Rolling Meadows will be host to zone 2, region 3, district 1F Wednesday.

Officers of the Lions Clubs from Des Plaines, Glenview, and Mt. Prospect, and the District Governor, Lion Raymond L. Willer of Mt. Prospect will be guests.

* * *

THE ROLLING Meadows Lions meeting will be called to order promptly at 7 p. m. at Fred's Place on Rand rd. in Mt. Prospect, with dinner, an interesting speaker, and the zone meeting to follow.

"All Rolling Meadows Lions should attend this very important meeting. Bring your singing voices and be ready to roar," urged Art Klein, club director. (K

Sub-Teens Set Party At Roller Rink

Rolling Meadows Sub-Teens will hold a skating party tomorrow night at the Arlington Roller rink. Members will meet at the bus shelter, Campbell st. and Wilke rd., at 6:30 p.m.

A special discount price of 60 cents has been extended to club members by the rink management. Shoe skate rental will be 35 cents extra. Parents are invited to join the group.

A group of parents will drive the youngsters to and from the skating rink.

Sub-Teens will hold a Turnabout dance Nov. 9 in the Community church barn. There will be no admission. Members and guests are invited to attend. (K

Speeders Pay $45

Speeding violations again "led the list" in Rolling Meadows police court. At the Oct. 24 session. Magistrate Charles McCormick fined 4 speeding violators a total of $45 including costs.

An arrest for a stop sign violation brought $10, while 2 parking tickets were issued for a total of $6. A missing headlight cost a resident $3, and a dog without a license cost its owner $3.

Plan Bullfight For Palatine?

A bullfight in Palatine or Rolling Meadows will be offered sometime this fall, if present plans materialize and a few minor details can be workd out.

The purpose of the contest is to heighten interest in the forthcoming vacation trip to Mexico, offered by the trade and promotion division of the Palatine chamber of commerce. Patrons' tickets will be offered at $500 each, and if enough backing can be promised a world-famous matador, direct from Popocatapetl, will be engaged.

* * *

NEITHER THE time nor the place can be divulged until the last moment, due to antagonism by civic groups and sheriff's deputies.

Don Foster, of Foster's department store, will offer his bull (photo on display in store window) and it is believed Moose Foster can be induced to sacrifice his moose (head sticking out through rear wall across the street).

* * *

SUGGESTED SITES for the event are back of the barn on Kirchhoff rd., Rolling Meadows, or the west bank of Salt Creek, near the Palatine septic tank.

Realities of this contest will be revealed by a secret committee now working feverishly on the event, and will be divulged by various merchants furthering the vacation trip. (KP

Describes Need, Urges Support Of New Hospital

"This hospital has just got to 'go'," Dick Windsor, Rolling Meadows chairman of the Northwest Community hospital fund drive, said today.

"People don't realize how great the need for a hospital is for emergency treatment," he continued. He particularly referred to cases where prompt treatment can mean a life such as heart cases, accidents or emergency surgery. He pointed to the fact that several fatalities have occured in the area due to lack of hospital facilities.

* * *

WINDSOR said he had not found anyone in the city not vitally interested in the hospital project. He pointed to the fact that volunteers for the fund drive had been extremely gracious in their acceptance of work for the hospital. He stressed that additional volunteers were "most welcome" and asked them to contact him at CLearbrook 5-0862. (K

Kimball Hill PTA Plans Conferences

Parents of Kimball Hill school pupils will soon know the real "scoop" of their offspring's school experiences and work. The first parent-teacher conferences of the school year are currently underway.

All parents will receive notices of conference times through their children. Copies of a new booklet "Parent-Teacher Conference Guide" are being sent to each family with the notices. The local school system averages 3 parent conferences each year.

Purpose of the conferences is two-fold—to report on the child's progress and to help the parents and teachers work together toward the best education, social and emotional development of the child. (K

Aboard Jaycees' 'Voters Special'

A special automobile to transport Rolling Meadows residents to the polls Tuesday will be operated by the Jaycees as part of its "get out the vote" campaign.

The car, known as the "voters special," will be made available by George C. Poole Inc., local Ford dealer.

Voters, desiring transportation to the polls, are asked to call CL 3-5486 between 9 a.m. and 4 p.m.

* * *

JAYCEES also will be at the polls to distribute "I voted-did you?" badges in cooperation with the nation-wide campaign, sponsored by the U. S. Junior Chamber of Commerce and the American Heritage Foundation.

There are about 3,350 registered voters in the city, according to City Clerk Eda Zimmerman.

Polling places for Rolling Meadows will be: District 5—3002 Dove st., district 12—2110 St. James place, district 13—Kimball hill school, district 14—Community Church, 3201 Kirchoff rd., district 16—3408 Campbell st.

The district number is listed on the registration card. (K

LITTLE LEAGUE

Last Saturday Dick Friehe, Bob Broderick, and Bill Golden representing Little League, along with Bob Sales and Joe Stapelton of the zoning and plan commission, met with Mr. Dean of Kimball Hill's staff.

This meeting was held to try to find a suitable site in Rolling Meadows, mutually acceptable by all concerned, large enough and remote enough to hold a Little League and Babe Ruth League field together, while not creating any more of a nuisance than necessary.

* * *

YOU THINK you've got troubles! The plats, prints and aerial photographs were spread around Mr. Dean's office and carefully scrutinized. There just are not many places in town that the 3 groups could agree on. Those that were agreeable will be discussed at the next meeting.

Incidentally, the next meeting on Monday, November 5 is an open house meeting. Bring anyone who might like to join the organization. As the city grows, so must her organizations. Now is the best time to introduce these new people. We can be well acquainted by next spring when the committees, to be formed this winter, will be working together.

* * *

NEXT TUESDAY is Election Day. Get out and vote.

Good citizenship is one of the ideals of Little League. What better way to teach this than exercising our rights and duties as citizens? (K

Costumed Teens In Holiday Party

Skeletons, eerie noises and frightening surprises greeted members of the Sub-Teens Friday night when they entered the Community church barn for their Halloween party. Costumed for the occasion, 61 members of the club turned out for the event.

Contests and specialty dances were interspersed with regular dancing to the latest records. The jitterbug contest winners were Jim Hildenbrand and Bunny Olson, while club president Jerry Broderick was a "walk away" in the balloon-breaking contest.

Highlight of the evening was an imitation of Elvis (Sideburns) Presley by Jimmy Jensen, complete with guitar, shaky knees and haunting voice. Best costumes of the night were Caesar and a hula dancer as played by Bob Ward and Pat Kinney.

* * *

Refreshments were prepared and served by Mrs. Kinney, Mrs. Martin and Mrs. Knight, members of the Sub-Teens mothers club. Club officials termed the food as "some of the best yet."

Prizes for the various contests were large-size pumpkins, used for decorating as well as awards. The pumpkins were donated by Bud O'Brien.

The committee in charge of the affair consisted of Bill O'Brien and Larry Broeske, co-chairmen, with Jim Hildenbrand, Beverly Bycroft, Dan Carlsen, Carlene Haase and Bonita Hahn. (K

Kay Scheller Scores 196 In Bowling League Play

A new high game was registered in the Rolling Meadows Women's bowling league by Kay Scheller of the Bowen Hardware team with a game of 196.

Standings are:

Women interested in placing their names on the substitute list or on the list of bowlers for next season are asked to contact Elaine CLearbrook 5-5436. (K

Teens Elect Tuesday, Plan Social Program

Tuesday will be election day in more than 1 way in Rolling Meadows. On that night the Sub-Teens of the Junior Hi fellowship will hold their regular 6-month election of club officers. The election and business meeting, will be held from 7:30 to 9:30 p.m. in Kimball Hill school.

The election will be the first order of business with members voting on printed ballots prepared by the nominating committee. Following the election, the Sub-Teens will plan their Friday social-night agenda through December 7.

Membership in the Sub-Teens is open to all Rolling Meadows youngsters between the ages of 11 to 13. New members may join the club at any of the regular Monday night dance classes or Friday social events. This past week the club welcomed 4 new members—Vera Land, Mike Gould, Carl Noller and Jim Bland. (K

Fellowship Group Will See 'Broken Arrow'

The older members of the Rolling Meadows Jr. Hi Fellowship will see the motion picture, "Broken Arrow," starring Debra Paget and Jimmy Stewart, at 7 p.m. tomorrow at the barn. Admission will be 15 cents.

* * *

MRS. DALE Bycroft and Robert Slonecker will serve as chaperons.

A telephone will be available for the youngsters to call home after the show, Mrs. Bycroft said. (K

Girl Scout News

Fathers! Get set! Mark the evening of Thursday, Nov. 15 on your calendars. You have a date with your "best girls" that night! The Rolling Meadows girl scout and brownie troops will stage their annual Father-Daughter banquet in the Arlington high school cafeteria. Plans for the menu and entertainment are still being made but you can be sure your "best girls" won't let you down. Don't forget the date!

* * *

Halloween parties made up the bulk of activities for Rolling Meadows scouts and brownies this past week. Troop 89, under the leadership of Lorraine Sager and Lorie Palow, held a Halloween party in the yard and garage of Mrs. Palow. The third graders reported a "wonderful time."

Last Friday the third grade brownies of troop 357 held their Halloween party in Kimball Hill school. On hand for th festivities were leader Irene Wever and new co-leader Joyce Peterson.

* * *

New second grade brownie troops will begin their meetings as soon as meeting space can be secured. Two new troops have been formed under the leadership of Grace Nordlund, Joan Dudzienski, Mary Worrell and Eleanor Schenck.

A new co-leader has been welcomed into troop 436, third grade brownies. She is Janet Anderson who will assist Georgya Schneider in the leadership of the girls.

* * *

Troop 37, fourth grade brownies, also will welcome a new co-leader next week. She is Bernice Branka who joins Betty Anderson. The brownies were guests at a Halloween party Tuesday, given by Mrs. Rosemarie Barber and Mrs. Marion Garrity, mothers of troop members.

A gala Halloween party initiated a new co-leader for girl scout troop 347. Mrs. Lorie Stapleton has joined Lucille Doyle as a leader for the fifth grade girls. The party, held in the basement of Mrs. Doyle's home Thursday, was a great "success" according to the girls. Prizes were awarded for the best costumes, with Connie Campbell taking honors with the funniest and Christine Sokolski winning with the prettiest costume. Talent found its just reward, too, prize for carving the funniest pumpkin.

* * *

A combination Halloween party and tenderfoot badge work session was held by troop 293 this week. Under the leadership of Anna Spitler and Alice Diamond, the fifth grade scouts learned how to build a fire—with pretzels which they later ate. The girls also learned how to make flowers from marshmallows. Cider topped the menu.

A Halloween party Thursday and a hike to Elk Grove this Saturday are the reports of troop 278. The girls also plan a meeting today with their leaders Lorraine Anderson and Mary Lou Mate to plan activities for the year. Mrs. Mate is a new co-leader.

* * *

A new meeting time has been announced by troop 353. Under the leadership of Carol Kees and Ruth Soderberg the seventh and eighth grade scouts will meet at 7 p.m. Thursday in the barn.

Thanks to a group of mothers, the girls of troop 433 had a festive Halloween party at their last meeting. Mesdames Galanis, Hahn, Hoffman and Schoenfeld provided the menu for the party. The troop is led by Velma Bozee and Betty Miner.

It was a "cold" day for a group of Rolling Meadows women last weekend when they participated in a "cookout" in Deer Grove. The cookout was held as a part of a leadership training course for the various leaders and co-leaders. "Out in the cold" were Anna Spitler, Velma Bozee, Ruth Soderberg, Lorraine Anderson, Bernice Branka and Lorie Palow. (K

Second 'Dancing Dollars' Project For New Officers

Final plans for the second "Dancing Dollars" celebration will be the first item of business for the newly-elected officers of the Rolling Meadows Fire Equipment drive.

The Dancing Dollars event will be held Saturday, November 17, in the Palatine fire hall.

Elected at the October meeting of the F.E.D. committee were Victor Schrock, chairman, and Bert Trager, vice-chairman. New secretary of the organization is Mrs. John Doyle and Jack Delana will serve as treasurer of the group for the coming year.

THE F. E. D. committee is composed of 3 members each of Rolling Meadows civic groups. Participating in the F.E.D. organization are the Home Owners' association, Jaycees, Lions, Junior Woman's club and Volunteer Firemen. To date the group has raised approximately $9,500 toward the purchase of fire equipment through their various projects including the first "Dancing Dollars" event and community F.E.D. carnival last June.

* * *

TO ASSURE every resident an opportunity to attend the Dancing Dollars event, members of the volunteer firemen's association will travel throughout the city in a mass ticket sale campaign. The door-to-door sale will be held within the next 2 weeks. Ticket sales will be limited to the capacity of the hall.

Music for the Dancing Dollars affair will be provided by Bill Edwards and his orchestra. Tickets are $1 per couple.

Women's Church Group Reorganizes Program

Groups, tuned to the various interests of the members, are currently being formed by the Women's association of the Community church. Under a reorganization plan, all women members of the church will automatically become members of the association without payment of further annual dues as has been the previous practice.

The "circles" planned to date for the church women are home and garden, missionary, arts and crafts, books and cards and sewing. Meetings will be held at various times in the afternoons and evenings. Regular group meetings of the entire association will continue to be held the third Tuesday of each month in the barn.

Information on the various circles may be obtained from Mrs. Lois Hvid, CLearbrook 3-4490. The first meeting of the book and card circle will be held at the home of Mrs. Fred Grieseman, 2605 George st., Monday afternoon. (K

Education Week Spotlights Needs, Problems Of Schools

Plans for the observance of the 36th annual American Education Week were announced today by Mrs. Robert Applehans, chairman of district 15 Education committee.

Purpose of the observance is to bring the needs and achievements of the schools before the public and to spotlight the important role education plays in our democracy.

"During American Education Week," said Marion Jordan, superintendent of Palatine and Rolling Meadows grade schools, "our schools extend a special invitation to visitors. Wishing for good schools is not enough. Communities have good schools when the people want them enough to take an interest in them, to work for them, to cooperate with them."

* * *

THIS YEAR a concerned effort is being made to enable parents and the general public to know their schools better.

Throughout the entire week during the day, all classes in the grade schools are welcoming visitors to see the "classrooms in action."

In addition, in the evening, schools will hold several Open Houses for different grade levels. At this time the teachers will be in their rooms and will present the general objectives and projected plans for their classes during the year.

to be wil portnityu'ssrl op Threec

There will be opportunity for discussion which will include methods in which the educational program may be supported in the home.

It is anticipated that the full week of visitation and several Open Houses will enable parents to actively participate and to grow in their understanding of the school opportunities offered each of their children.

* * *

NATIONAL sponsors of American Education Week are the National Education Association, American Legion, U. S. Office of Education, and National Congress of Parents and Teachers. With the cooperation of the national sponsors, communities all over the nation will be taking part in the observance which is expected to bring more than 20 million persons into the schools.

In Palatine and Rolling Meadows, American Education Week is under the general direction of district No. 15 education committee.

* * *

THE PROGRAM for the Kimball Hill school is being planned by: Kimball Hill school education committee: Joseph Kiszka, principal; Mrs. Liston Pennington, Mrs. Arthur Nyblin and Mrs. Harold Moeller, parents; Mrs. Grace Niemeyer, Miss Carolyn Hinneberg, and Harold Mitchel, teachers. (K

SRO For 'Sabrina Fair,' PTA Collects Some $200

More than 400 persons attended the presentations last Friday and Saturday of the 4-act comedy "Sabrina Fair," Mrs. Lester Traub of the Rolling Meadows PTA, sponsors of the shows, reported today. The organization collected some $200 in admissions, she added.

* * *

JANE MILLER starred in the Village Theatre, Inc. presentation. Ruth Raasch also was featured.

The comedy was presented previously in Arlington Heights by that village's PTA. (K

Scout Burned At Camp Beard; First Accident

Second-degree burns were suffered by a Rolling Meadows boy scout on the weekend camp-out last Sunday in Camp Dan Beard near Wheeling. The victim was John Lundgren, 12-year-old son of Mr. and Mrs. A. P. Lundgren, 3101 St. James st.

In taking his tinfoil wrapped noon meal from the camp fire, the youth accidentally spilled hot grease over his pants leg and ignited it with hot coals from the fire. He suffered severe burns on his right calf. First aid was applied by Scoutmaster Howard Christensen and the boy was rushed to the office of Dr. Robert Muench, Arlington Heights, by Orville Rumrey, explorer scout advisor. Scouting officials said that no permanent injuries other than possible scare will be suffered by the boy, although he must remain in bed for at least 10 days.

* * *

THE ACCIDENT marked the first serious injury to a member of the scouting organization in more than 2½ years of operation here in the city.

The accident came at the close of the campout which was held for 22 boys of troop 68. Three adult scout workers were present at all times during the outing which lasted from Friday night through Sunday noon.

Various testing programs were conducted on Saturday as well as trail hikes. Junior leaders Don Carlson, Neil Christensen and Ken Keller were in charge of the boys during various phases of the campout. (K

Council OK's Traffic Signs

Ooops! Where did that stop sign come from?

That will soon be the question asked by many city residents, particularly those who live south of Kirchoff rd.

Rolling Meadows city council at their last session authorized new signs and speed limits for streets and intersections in the newer sections of the city south of Kirchoff.

Speed limits on all streets in the area were set at 20 mph. In the proposed new grammar school area the speed limits were set at 15 mph. This is on Pheasant dr. from Thrush to Ryan lanes and Owl dr. from Thrush to Peacock lanes.

NEW 3-WAY stop signs will be erected at Starling lane and Pheasant dr., Swallow lane and Pheasant dr., Falcon ct. south and Owl dr., and Bobwhite lane and Owl dr.

Stop signs will be erected along Meadow dr. at Martin lane, Hawk lane, and Grouse lane; along Kirchoff rd. at Owl dr.; along Owl dr. at Bobolink lane and Peacock lane; along Central rd. at Peacock lane and Owl dr.

The first "yield right-of-way" signs will be erected in the new area. Intersections scheduled for the signs are along Meadow dr. at Swallow lane, Thrush lane and Starling lane; along Pheasant dr. at Hawk lane, Thrush lane and Grouse lane; along Hawk lane at Jay lane; at the openings of Thrush ct., Grouse ct., Peacock ct. and Redwing ct.; along Owl dr. at South st. west, Falcon ct. north, Finch ct., Kingfisher lane, Mallard ct., Thrush lane, Piper ct. and Teal ct.; along Kingfisher lane at Bobolink lane; and along Bobwhite lane at Grouse lane.

New City Ordinance Prohibits Trailers

Back yard too big? Thinking of opening a trailer camp in the excess space? Well, Rolling Meadows city council has forestalled your move. At the last city council session an ordinance outlawing trailer camps was passed to protect property owners.

While outlawing trailer camps, the ordinance also prohibits the permanent parking of single trailers by removing wheels, etc. Private trailers may be parked on individual plots of land, with the written consent of such owner, for a period not to exceed 30 days in any 6 month period. (K

Call Firemen Only When Necessary, Urges Chief

Rolling Meadows police chief Cy Campbell this week appealed to residents to be judicious in their calls for the fire department.

Twice within the past week residents have called out the complete Palatine Rural Fire Department for fires that could have been handled by the local police with much less effort.

* * *

"THE PALATINE firemen are all volunteers," stressed chief Campbell. "They should not be called all the way to Rolling Meadows for minor fires that we could handle here."

Chief Campbell suggested residents call the police department at CLearbrook 5-2414 when reporting a fire. The police should be better able to judge the need for the fire department, he said. Rolling Meadows police calls are handled by the Palatine police department radio squad and the fire department would not be delayed in any way in cases of real need. (K
